2.3.4 Innovation and Creativity in teaching- learning

The following innovative teaching approaches are followed in teaching learning process.

A faculty members in various departments adopt the following innovative practices to improve the understanding level of the students.

- Digitalized teaching methods such as ICT, Internet Enabled Computer Systems, online tutors, and academic blogs .
- Effective utilization of e-resources - open online e-resources
- Online courses on various advanced technologies and emerging areas are made mandatory .
- Innovation Center and Entrepreneur Cell nurture the students for their future.
- All classrooms are with LAN connection and separate e-classroom is provided for each department.
- In order to make them industry ready, various group discussions, debates and seminars are organized in which students explore new ideas.
- The instruction time table provides for Library/internet periods. The students can go to the Library which is abundantly equipped with self-learning tools. The students thirst for wider knowledge is ignited in the classrooms.
    - **IIC,Hackathon,J-HUB,I-HUB**
    - **NPTEL Online Certification Course,**

- **Spoken Tutorial classes(IIT-Bombay),**
- **EDC**

  Also individual task are assigned to students to complete mini projects to develop their creativity /innovation

- ✓ Modern teaching aids such as, Multimedia, Projectors, and Internet enabled Computer systems are used for class room instruction by faculty.
- ✓ **Weekly one hour is allotted for organizing NPTEL video lectures** on every course.
- ✓ College provides **e-books, e-tutorials, and application notes by industry such as Intel, HP, Oracle and Microsoft etc to the students in the digital Library.**
- ✓ The college provided access to the **MIT freeware, IEEE journals, free journals of AICTE & online journals, ASME, Science Direct to faculty members.**
- ✓ The literature of various professional societies is made available to the students at hand like **CSI,ISTE,IETE,IEEE** etc.
- ✓ Faculty provides online tutorials, notes, study material to the students.
- ✓ College organizes expert lectures, seminars, conferences, workshops, summer and winter school to expose students and faculty to advance their knowledge.
- ✓ College has student chapters of professional bodies namely IEEE, ISTE, and CSI which organizes various events to expose the students for advanced level of technology.

IQAC contribute to improve the teaching –learning process:

- IQAC reviews course files, lab manuals, facilities available in the laboratories, teaching learning methods, lesson plans, lesson schedules, attendance registers and takes efforts to implement any change for the smooth conduct of classes.

- 2. IQAC takes review of existing teaching learning process and related infrastructure. If required it organizes meetings with Principal, HODs and management nominees.
- 3. IQAC annually submits detailed report on teaching learning process methodologies adopted and suggests the improvement of the same.

Approved by AICTE - New Delhi, Affiliated to JNTU - Hyderabad,Accredited by NBA & Accredited by NAAC.
ISO 9001:2015 Certified Institution, Recognition of College under Section 2(f) & 12 (B) of the UGC Act,1956.

Additional Information

Provided in the following link

http://www.mrce.in/pdf/Accreditation/2.3.2.pdf

LMS

Teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc.

Learning Management System (LMS) & E – Learning Resources

http://www.mrce.in/pdf/Accreditation/LMS&AMS.pdf

- Information & Communications Technology (ICT) enabled teaching methodologies are being followed by the faculty members in class rooms.
- The academic plan with budget, notes of lesson, lab manuals and question banks with key are made available at the very beginning of the semester.
- The use of multimedia teaching aids like, LCD projectors, smart classrooms and internet enabled computer systems are usually employed in classroom.
- The electronic resource packages like

  ✓ DELNET,

- ✓ NPTEL,
- ✓ SPOKEN TUTORIAL

ICT

ANNEXURE -II

PROGRAMME SCHEDULE

DAY AND DATE	SESSION	TOPIC	FACULTY
DAY 1 7/01/2019	**I 10.00am -11.15am**	Inauguration-camp objective. Why entrepreneurship important ?	Dr.N.Muthukumar
	II 11.30am-12.45am	Historical background: Indian values vis-sa-vis entrepreneurship and present scenario	Mrs.Prasheela
	III 1.30pm-2.45pm	Identification of business opportunities and mechanism of product selection	Mr.Koteshwar rao
	IV 3.00pm-4.15pm	Technology assistance from R&D Labs and other institutions on choice of technology etc	Mr.Koteshwar rao
DAY 2 08/01/2019	**I 10.00am -11.15am**	How to start a SSI units(general concept about government formalities, rules and regulation, location and different aspects of industrial venture	MR.G.S.Bist
	II 11.30am-12.45am	Technical and commercial aspects of SSI units (general concept only)	Mr.G.S.Bist
	III 1.30pm-2.45pm	Communication skill for the better	MR. Phani varanasi

Principal
Maha Bodhi College of Engineering

DAY 2 08/01/2019		results in business. Sharing successful story by entrepreneur	
	IV 3.00pm-4.15pm	Scheme of assistance and support available from government agencies, banks, financial institution SFCs ect…,	Mr. Bhujang Rao
DAY 3 09/01/2019	**I 10.00am -11.15am**	Creativity and business- the man behind the venture- the behavioral scientific approach	Mr.A.V.Sridhar
	II 11.30am-12.45am	Financial aspect of SSI unit including salient features of a project report.	Mr.A.V.Sridhar
	III	Factory visit	
	IV	Feed back and discussion on the camp and factory visit

ANNEXURE - IV

LIST OF INDUSTRIES VISITED

SL.NO	NAME, ADDRESS, CONTACT DETAILS	PRODUCTS/SERVICE
1	**Handbit Automation Technologies pvt.ltd** Flat #45, DLR Enclave, Sainikpuri, Secunderabad-500094, **Mr.Phani Varanasi** 9866305554	Producing automation solutions in the areas of Gas, Water, Electricity metering and IoT Solutions

ANNEXURE-V

Feedback analysis of participants

1. From where you got the information about this programme

S.l.no	Source of information	No of participants	Percentage
1	Pamphlets / Broacher	65	93.75
2	Posters/ Hand Bills	0	0
3	News paper Advertisement	0	0
4	Other (social media)	5	6.25

2. What is your opinion about the duration of Programme

Sl.No	Duration of program	No of participants	Percentage
1	Short	0	0
2	Adequate	68	97.5
3	Long	2	2.5

3. Did you find the Programme useful

Sl.No	Program effectiveness	No of participants	Percentage
1	Very much	66	95
2	To some extent	4	5
3	Not useful	0	0

Principal
Malla Reddy College of Engineering

4. Did it fulfill your expectations?

Sl.No	Satisfaction	No of participants	Percentage
1	Yes	66	95
2	To some extent	4	5
3	No	0	0

5. Planning of the Programme

Sl.no	Planning of the Programme	No of participants	Percentage
1	Excellent	64	92.5
2	Very good	2	2.5
3	Good	2	2.5
4	Satisfactory	2	2.5
5	Poor	0	0

PROFORMA FOR POST PROGRAMME REPORT (PPR) OF EAC

1. **Name & Address of Programme Implementing Agency (with Tel/ Fax /E-mail) :**
   Malla reddy college of engineering
   Maisamaguda, Dhulapally
   post via Kompally
   Secunderabad-500100,
   Mobile : 9348161222.9823083933
   Mail: cmecprincipal@gmail.com.

2. Programme Location : Malla reddy college of engineering

3. Programme Date : From 29.01.2019 to 31.01.2019

4. Name of the Coordinator : Dr.N.Muthukumar

5. No. of candidate attended the programme : 80 (Male: 58 , Female: 22)

6. List of participants : ANNEXURE – I Enclosed

7. Program schedule : ANNEXURE – I I Enclosed

8. List of resource persons: ANNEXURE – III Enclosed

9. List of industries visited: ANNEXURE – IV Enclosed

10. Participant's feedback: ANNEXURE – V Enclosed

11. Photographs of Programme : Attach one group photo, one classroom photo and one industry/institute visit photo

Report

on

Entrepreneurship Development Cell (EDC)

Preface:

India is one of the youngest nations progressively heading to attain the knowledge, economy and emerging as a youth icon among the entire world. Our country is currently facing the problem of unemployability of trained as well as highly trained youths. According to statistical data during the period of 2010 to 2018 only 3.9 million net additional jobs were created, even though we are facing the problems of unemployability. To overcome this during the next coming years we need more entrepreneurs, which are the real backbone of Indian economy. Skill development and creating job opportunities go hand in hand to enhance the country economically and technically. Developing entrepreneurship opportunities meet the required demand of economic landscape of India. However, now there is a necessity to develop and strengthen entrepreneurial quality, motivate it and give all the support to withstand firmly for our youth aspirations. Our aim is to develop young entrepreneurs by providing them necessary skills, trainings, proper guidance and motivation. This can be achieved through focus on developing skills and promoting the young entrepreneurs to associate with quality consciousness, global competition and economic growth.

Mission and Vision:

Our Vision: To be a well recognized centre of excellence for entrepreneurship development to create successful entrepreneurs.

Our Mission: To foster entrepreneurial thinking, promote, facilitate the business knowledge. Develop aspiring entrepreneurs into motivated, ethical and dynamic business leaders.

Executive Summary:

Innovation is the most fundamental process supporting the economic growth of the community. However, this innovation process requires appropriate and significant support. Entrepreneurship and entrepreneurs have long been recognized as important sources of innovation, and thereby also of growth and employment. The significant rise in micro and small enterprise closure, in recent years, stark witness to these difficult conditions and highlight the need for development of entrepreneurs. To foster the culture of entrepreneurship in the institute Entrepreneurship Development Cell is established in Malla Reddy college of Engineering. The vision of ED cell is, “To be a well recognized centre of excellence for entrepreneurship development based on quality learning and skill development.” In view of the vision, the mission statement is, “To foster entrepreneurial thinking, promote, facilitate the business knowledge and develop the aspiring entrepreneurs into motivated, ethical and dynamic business leaders.” Through the first awareness program of EDC, the students are introduced with the consciousness about what are entrepreneur and the need of it which could contribute towards making India a modern country. As per current economic landscape of country there is unemployability and low income job, to overcome this Entrepreneurship is the need of today.

Objectives:

- To inculcate within the faculty and the students the need and importance of Enterprise Development.
- To promote culture of innovation to enterprise among the students.
- To enable students to remain self-reliant in their employment. Foster within the academic community the ability to provide innovative technological and business ideas and connect them to peers, mentors and incubators. Provide the facilities and trainings for the skill development with formal education.

- To strive for building a rapport with the leading educational institutes who are well versed with EDC. Nurture the social entrepreneurship by providing hands on training as well as distance education. Develop self-esteem of young entrepreneurs through mentorship and networks.

Program Details:

1- **Inauguration-camp objective. Why entrepreneurship important:** An event was organized by the Enterprise Development Cell (EDC) on 07 January 2019 to bring awareness to people in general and students in particular. The event was preceded by our honorable principal Dr. John Paul sir. The session was specially taken by experienced speaker Dr.N.Muthukumar (Dean MBA to apprise everyone about EDC. One student from Second Year (Computer Engineer) is currently owning a company and having profit of worth 26 lakhs. From IT department our alumnus (Tanul Mohod) spoke about the how he was able to start his venture (Opulent Technologies). The student's response was extremely good and the event was a grant success owing to highly encouraging speech given principal sir all the dignitaries.

2-Historical background: Indian values vis-sa-vis entrepreneurship and present scenario: An event of the inauguration of "Research & Development (R&D) Centre", "Entrepreneurship Development Cell(EDC)" and "Technology Business Incubation(TBI) centre" was organized by Malla Reddy college of engineering Hyderabad,on 07 January 2019 at MRCE seminar hall. This program was presenting all EDC members the Biggest Opportunity to interact the famous business tycoons and entrepreneur. The theme of the program is "**Historical background: Indian values vis-sa-vis entrepreneurship and present scenario**". The chief guests are Mr. Ashok Katarina(Chairman Asoka Builcon Ltd. Pune), Mr. Shripal Gandhi(CEO, Swipe Telecom), Mr. Vikas Malpani(Co-Founder of CommonFloor.com) and Mr.Anup Tapdia(Founder , Touch Magix Media Pvt. Ltd).The entire session is taken by Mrs.Prasheela HOD & Asst Professor MBA,MRCE .

3-Identification of business opportunities and mechanism of product selection: An event of "**Identification of business opportunities and mechanism of product selection**" was organized by "Entrepreneurship Development Cell(EDC)" of Malla Reddy College of Engineering, Hyderabad, on 07th January 2019 at MRCE seminar hall. This program was presenting all EDC members the Biggest Opportunity to interact with great entrepreneur. All EDC members listened success story of a person who was agarbatti vendor to a Millionaire. The chief guests was Mr. Avinash Sisode (Chairman, E&G Group). The entire session is taken by Mr.Koteshwar rao Asst Professor MRCE.

4-Technology assistance from R&D Labs and other institutions on choice of technology etc: A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy college of Engineering Hyderabad ,on 7th Jan 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, SmartBro App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?” . which has clear the students how the idea is need to be nurtured and converted to the product. The entire session is taken by Mr.Koteshwar rao Asst Professor MRCE.

5-How to start a SSI units (general concept about government formalities, rules and regulation, location and different aspects of industrial venture: A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad, on 8th January 2019. This program given the opportunity to students to discuss the innovative ideas with the immense personalities Mr. Sachin Jain. The theme of the program is "**How to start SSI units (general concept about government formalities, rules and regulation, location and different aspects of industrial venture**". In his speech he delivered a wonderful experience of his journey, and elaborated his views and experiences with the students. . The entire session is taken by MR.G.S.Bist Asst Professor MRCE.

6-Technical and commercial aspects of SSI units (general concept only): A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad,on 8th January 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, Smarter App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?” . which has clear the students how the idea is need to be nurtured and converted to the product. The entire session is taken by MR.G.S.Bist Asst Professor MRCE.

7- Communication skill for the better results in business, Sharing successful story by entrepreneur: Technical and commercial aspects of SSI units (general concept only): A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad,on 8th January 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, SmartBro App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?” . which has clear the students how the idea is need to be nurtured and converted to the product. The entire session is taken by MR.V. Phani Asst Professor MRCE.

8- Scheme of assistance and support available from government agencies, banks, financial institution SFCs etc: A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad,on 8th January 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, Smarter App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?”. This has clear the students how the idea is need to be nurtured and converted to the product. The entire session is taken by MR. Bhujang Rao Asst Professor MRCE.

9- Creativity and business- the man behind the venture-the behavioral scientific approach:

A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad,on 8th January 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, Smarter App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?” . This has clear the students how the idea is need to be nurtured and converted to the product. The entire session is taken by MR. A. V. Sridhar Asst Professor MRCE.

10- Financial aspect of SSI unit including salient features of a project report: A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad,on 8th January 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, Smarter App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?” . This has clear the students how the idea is need to be nurtured and converted to the product. . The entire session is taken by MR. A. V. Sridhar Asst Professor MRCE.

11- Factory visit: Factory visit was just real practice about things happens in factory. A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad,on 8th January 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, Smarter App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?” . This has clear the students how the idea is need to be nurtured and converted to the product.

12- Feedback and discussion on the camp and factory visit: Factory visit was just real practice about things happens in factory. A seminar was organized by the Enterprise Development Cell (EDC) in Malla Reddy College of Engineering, Hyderabad,on 8th January 2019. This program has given the opportunity to students to discuss the innovative ideas with the immense personality Mr. Sagar Bedmutha. In speech of Keynotes speaker, Mr. Sagar Bedmutha, Founder & CEO, SmartBro App shared his views about entrepreneurship. He have given Seminar on “I have an Idea What Next?” . which has clear the students how the idea is need to be nurtured and converted to the product.

Strategic plan

Response:

The strategic plan is made by the institution to fulfill requirements of industry and society by providing quality education with well- established infrastructure which leads students' progression towards technical and social excellence.

Following are the perspective plan of the college

1. Enhancing the Quality of Teaching – learning Process
2. Promotion of research among staff and students
3. Community engagement activities
4. Quality Assurance Measures
5. Improving Entrepreneurship Development and Industry – Institute – Interaction
6. Internationalization

1. Enhancing the quality of teaching – learning process

- Up-gradation of skills of staff through FDP, web learning through NPTEL, IIT Bombay, etc.,
- Developing highly effective teaching-learning practices for students through like FDP, guest lectures, workshops, and technical fest.
- Creating infrastructure to use modern teaching aid.
- Improving the student evaluation process by following the Bloom's Taxonomy so that active learning is encouraged and comprehension of the subject is given adequate importance and not just memory testing
- The college has the strategy of including inputs from expert of various industries and academic institutions to improve the teaching–learning process.

2 Promotion of Research among staff and students

- Encouraging faculty members to undertake research work and research publication in journals and conference.
- Encouraging & motivating students to attend conference, workshop and publish their research/review papers.

Principal
Malla Reddy College of Engineering

- Encouraging our faculties to file patent.
- Encouraging our faculties to publish books
- To increase the developmental research activities, outstanding researchers are encouraged and rewarded.

3 Community engagement

- Mobilizing the students to help the community to donate the blood by conducting Blood camps and on emergency, Health camps, etc.
- Student volunteers are engaged with community by tree plantations, School cleaning through the services by NSS

4 Quality Assurance Measures

- Accreditation of all UG courses
- Participating in NIRF
- Quality improvement through Internal Quality Assurance Cell (IQAC)

5 Improving Entrepreneurship Development and Industry – Institute – Interaction

- Organizing entrepreneurship awareness programs for students
- Providing guidance to the students to undertake internship and industrial visit in related industries
- Signing MOU with organization/corporate/industry to exchange the knowledge and expertise in related program of engineering
- Leveraging the membership of industrial bodies like FMAE to get a significant exposure to industry developments

6 Internationalization

- The college has been conducting international conferences and visits by foreign Professors and delegates to equip our students to get international exposure.
- Students and faculty are encouraged to participate in international conferences and publish their papers in international journals.
- All UG Programmes have got NBA Accreditation.

- The institute has also got ISO 9001:2015 certification.

Women Empowerment Cell (WEC) has been constituted to empower and safeguard the rights of female members; faculty staff and students of College. The WEC works to promote gender sensitivity in the college and conduct diverse programs to educate, sensitize both male and female members and produce a harmonious atmosphere on the campus.

DIRECTOR OF EVALUATION

Letter No. EB/ 334/2019/dated : 27-08-2019

To
The Principals
All the JNTUH affiliated and Constituent Colleges

Dear Sir/Madam

Sub: Conducting of University Exams Question paper in Blooms Taxonomy-Req.-Reg.
Ref : Letter No.EB/312/2019/dated : 03-01-2019.

With reference cited above the University Examination Branch has adopted Blooms Taxonomy in B.Tech IInd year –IInd semester in selected branches to bring changes in the examination question paper to test the understanding and creative skills of the students in the academic year 2018-19. Now Blooms Taxonomy based question papers are proposed to extend for all the students of B.Tech/B.Pharm I-I, II-I, III-I, IV-I odd semester regular exams.

The motive of these changes is to bring a change in mindset for students, who are anticipating stereotyped questions especially relying on question banks rather than the text books. The subject teachers may be instructed to conduct the mid examinations by adapting Blooms Taxonomy. If the mid and quiz examinations are conducted at college-level to the students using this method, it will be of great help to the students so that they will be ready to face the University examination in the new method using Blooms Taxonomy.

We solicit your cooperation towards achieving the goals regarding the improvement of quality of assessment.

Thanking you

Yours Sincerely,

Sd/-

MID-II EXAMINATION

BRANCH&YEAR: CSE-II-II SEM **MARKS: 20M**
SECTION: All **Date & Session: 22.11.2019AN**
SUBJECT: Computer Organization **DURATION: 90min**

PART-A

Answer the following questions.

Q.No	Question	Bloom's Level
	PART – A (5*2=10 Marks)	
1.	Draw the block diagram of the digital computer and explain.	**L1 / L2**
2.	Explain each of the basic computer registers and memory	**L2**
3.	Show the register organization of the 8086.	**L1 / L2**
4.	Briefly explain how the instructions AAA, AAS and DAA work in 8086. Give an example for each.	**L2**
5.	List the advantages of assembly language programming over machine language**.**	**L1 / L2**
	PART – B (2*5=10 Marks)	
1	Draw the block diagram of the control unit of a basic computer. With the help of this diagram show the time relationship of the control signals assuming that SC is cleared to 0 at time T_3 if control signal C_7 is active. C_7T_3: SC←0 C_7 is activated with the positive clock transition associated with T_1	**L3 / L4**
2	With a neat diagram explain the 8086 architecture. Determine the physical address given that the segment address is 1005H and the offset is 5555H.	**L5`**
3	The contents of different registers are given below. Determine effective addresses for direct, register indirect, register relative, based indexed and relative based indexed addressing modes. Offset (displacement) = 5000H [AX]-1000H, [BX]-2000H, [SI]-3000H, [DI]-4000H, [BP]-5000H, [SP]-6000H, [CS]-0000H, [DS]-1000H, [SS]-2000H, [IP]-7000H.	**L5**
4	Develop the flowchart and an assembly language program to add the contents of the memory location 2000H:0500H to contents of 3000H:0600H and store the result in 5000H:7000H.	**L3 / L4**

MID-II EXAMINATION

BRANCH&YEAR: MECH-II-II SEM **MARKS: 20M**
SECTION: All **Date & Session: 21.112.19 FN**
SUBJECT: THERMODYANAMICS **DURATION: 90min**

PART-A

Answer the following questions.

Q.No	Question	Bloom's Level
	PART – A (5*2=10 Marks)	
1.	Define intensive and extensive property.	**L1**
2.	Explain the concept of thermodynamic equilibrium?	**L2**
3.	Define Heat engine and Heat pump.	**L1**
4.	Explain the limitations of First law of thermodynamics.	**L2**
5.	Explain the similarities between work and heat.	**L2**
	PART – B (2*5=10 Marks)	
1	A fluid undergoes a reversible adiabatic compression from 4 bar, $0.3m^3$ to $0.08m^3$ according to the law, $pv^{1.25}$ = constant. Determine: (i) change in enthalpy; (ii) change in internal energy; (iii) change in entropy; (iv) heat transfer; (v) work transfer.	**L5**
2	Steam at a pressure of 5 bar passes in to a tank containing water where it gets condensed. The mass and temperature in the tank before the admission of steam are 50kg and 20^0C respectively. Examine the dryness fraction of steam as it enters the tank if 3kg of steam gets condensed and resulting temperature of the mixture becomes 40^0 C. Take water equivalent of tank as 1.5kg.	**L4**
3	Determine the pressure exerted by CO_2 in a container of $1.5m^3$ capacity when it contains 5kg at 27^0C. (a) Using ideal gas equation (b) Using Vander Wall's equation.	**L5**
4	Prove that the molar analysis is identical with volumetric analysis, and both are equal to the ratio of the partial pressure to the total pressure.	**L3**

4th International Conference on Trends in Information, Management, Engineering and Science

(ICTIMES 2018)

Website: http://mrce.in/ictimes2018.html

Conference Dates:
December 28th& 29th 2018,

Organised by
Malla Reddy College of Engineering
Secunderabad-500100

About MRGI:

Malla Reddy group of Institutions is one of the biggest conglomerates of hi-tech professional educational institutions in the state of Telangana, established in 2001 sprawling over 200 acres of land. The group is dedicated to impart quality professional education like pharmacy, Engineering & Technology, MCA, MBA courses. Our sole objective is to turn out high caliber professionals from those students who join us

About MRCE:

Malla Reddy group of Engineering (Formerly CM Engineering College) has been established under the aegis of the Malla Reddy Group of Institutions in the year 2005, a majestic empire, founded by chairman Sri Ch.Malla Reddy Garu. He has been in the field of education for the last 23 years with the intention of spearheading quality education among children from the school level itself. Malla Reddy College of Engineering has been laid upon a very strong foundation and has ever since been excelling in every aspect. The bricks of this able institute are certainly the adept management, the experienced faculty, the selfless non-teaching staff and of course the students.

About ICTIMES:

In this emerging world, to confer benefits upon mankind, it is essential for all students, academic staff and researchers of all nations to keep themselves abreast with the latest innovations in technology and methods of all areas of Engineering, Management and Sciences. The International Conference on Trends in Information, Management, Engineering and Sciences (ICTIMES) is being organized by Malla Reddy College of Engineering, to provide an opportunity for students, academic staff and researchers to present their research work and also a platform for exchanging knowledge in the fields of Engineering, Management and Sciences.

Department of ECE- (ICLTEC- 2018)

Under the banner of ICTIMES, the Department of Electronics and Communication Engineering at MRCE organizes the – International Conference on Latest Trends in Electronics and Communication (ICLTEC-2018) to provide a scholarly platform to ignite the spirit of Research and bring out the latent potential in teaching fraternity and student community. ICLTEC accommodates major areas like, signal processing, Embedded systems, Network Security, Green Technology, Digital signal processing, Communication systems.

Department of CSE- (ICETCS - 2018)

Under the banner of ICTIMES, the Department of Computer Science and Engineering at MRCE organizes the – International Conference on Emerging Technologies in Computer Science (ICETCS-2018)to provide a scholarly platform toignite the spirit of Research and bring out the latent potential in teaching fraternity and student community. ICETCSaccommodates major areas like, Big Data, Data mining, Information Retrival, Neural Networks, Data Security, etc.

Department of Mechanical - (ICFTME - 2018)

Under the banner of ICTIMES, the Department of Mechanical Engineering at MRCE organizes the - International Conference on Future Technologies in Mechanical Engineering (ICFTME-2018) to provide a scholarly platform to ignite the spirit of Research and bring out the latent potential in teaching fraternity and student community. ICFTMEaccommodates major areas like, Applied Mechanics, Tribology, Advanced Manufacturing Process, Fluid Dynamics etc.

Department of Humanities & Sciences - (ICASHM - 2018)

Under the banner of ICTIMES, the Department of Humanities Sciences and Management at MRCE organizes the – International Conference on Advances in Humanities Sciences and Management (ICAHSM-2018) to provide a scholarly platform to ignite the spirit of Research and bring out the latent potential in teaching fraternity and student community.ICAHSM accommodates major areas like, English Language, Literature, Phonetics, Mathematics, Physics, Chemistry andManagement Sciences

Dignitories

Chief Patron:

Sri. Ch. Malla Reddy
Founder Chairman, MRGI
MLA (MedchalConsituency)

(57) Abstract :
The invention provides multi-modal biometric recognition-based distributed internet-of-things lock equipment, comprising a distributed door lock terminal, a mobile terminal and a control feedback terminal, wherein the door lock terminal comprises a first microcontroller, a first wireless communication unit, a power supply management unit for monitoring the electric quantity of a battery, a lock body and a human body detection unit; the mobile terminal comprises a second microcontroller, a biological information recognition unit for storing and recognizing biological information of a user, and a second wireless communication unit; the control feedback terminal comprises a third microcontroller, a memory, a third wireless communication unit and a four wireless communication unit; the memory is used for storing a physical address of the mobile terminal permitted to execute an unlocking operation; the third wireless communication unit can communicate with the first wireless communication unit; the fourth wireless communication unit can communicate with the second wireless communication unit.

(57) Abstract :
Nowadays, knowledge is the most powerful thing at all. But most of the peoples are not interested to put effects for gain knowledge. They like the knowledge want to come in finger-tips without taking effects. In this world, information gathering is very important for many researchers. So virtual try-on of glasses has certain advantages over physical try-on in some cases. The virtual try-on system encourages online shopping which enjoys greater popularity. In this world, knowledge is the most powerful thing at all. But most of the peoples are not interested to put effects for gain knowledge. They like the knowledge want to come in fingertips without taking effects. The inventor found exact solution for the above-mentioned problems in the form of computerized spectacles. This spectacle scans/tracks the wearing human eyeball, based on that eyeball vision, the spectacle will scan the object which we can see. While wearing this gadget can know the details like the structure and function of the viewed product. This information would be received by a person who wears those spectacles through Bluetooth earphone/smartphone devices. And also that details may be received by another person or mailbox.

(57) Abstract :
The Horizontal Axis Wind Turbine (HAWT) is more commonly used than the Vertical Axis Wind Turbine (VAWT). Normally HAWT is more efficient compared to the VAWT. Because its swept area is larger than VAWT. Most of the HAWT are not efficient when they are installed closed to the ground where there is low wind velocity also the tall tower and long blades are very expensive and difficult to transport and install. Another disadvantage of HAWT is that it is difficult to perform repairing operation because the gear box, generator and the rotor are all placed at the top of the tower. To overcome these difficulties a new HAWT is designed to utilize the low altitude wind velocity in an effective manner. This HAWT is so designed as to enhance a maximum surface area. The wind mill has telescopic blades guided by cam arrangement where the wind energy has positive effect and the minimum surface area where the effect is negative. This enhance the torque availability as the negative torque is minimized. This will be an effective wind mill for green house annliratinn

(57) Abstract :
Disclosed are a system and an intelligent display board for wirelessly receiving data from computing devices over a network, and further displaying the received data. The system comprises a central unit and intelligent display board. The central unit processes the data received from the computing devices. The intelligent display board comprises an electronic enclosure, controller unit, display unit, wiping chamber unit, airbag unit, and holes. The controller unit receives the processed data and stores instructions pertaining to the protection of the electronic enclosure. The display unit displays data received from the controller unit. The wiping chamber unit accelerates wiper blades back and forth across an outer surface of the display unit to remove the dirt. The airbag unit activates on receiving a command from the controller unit to protect the electronic enclosure. The holes provide a means to support the electronic enclosure against the frame.

(57) Abstract :
A seismic isolator device for seismic protection of the civil structure; said system comprising an upper plate, a lower plate, a slope surface, and a rolling roller. The said device is installed between base mass and foundation of structure by providing rolling rollers with concave friction distribution.When an earthquake occurs (and exceeds a certain intensity), the device may release the fixed force and the rollers can roll freely along concave surface to filter out the ground acceleration; resulting in the isolation of the structure. The device having low value of rolling friction coefficient, which allows a very low earthquake force to be transmitted to the foundation of structure and reduces the transmission of horizontal acceleration into the civil structure. Also, the device having re-centering capability, which allows the civil structure to center itself and accommodate substantially larger displacements compared to a traditional sliding seismic isolator bearing.

(57) Abstract :
A detective node is a wireless sensor nodeDPIIT which is composed of high processing unit, efficient communication system and effective sensing and location finding system. It uses ERR Enhanced reliable routing process to route a packet to the end user. Enhanced Reliable Routing process is a routing technique with low time delay, packet delay and low energy consumption with efficient packet routing. It quickly compares the videos and images taken by it and displays the information about the comparison in image or video. An efficient technique of this node is, it will find the depth of the water togging and purity of water. This detective node is mainly used in disaster environment to predict the path to reach affected people. It can fly and capture the environment details where the human access restricted areas too.

Subject: - Engagement of Margadarshak and connecting to Mentee Institute.

Sir,

It is a matter of pleasure to share with you that you have been nominated as Margadarshak under the AICTE's scheme **"MARGADARSHAK".** The objective of the scheme is to help Mentee institute for improving their teaching learning processes which may ultimately lead to accreditation of the institute by NBA.

The Terms of Reference of your nomination as Margadarshak are as follows:

- Margadarshaks will provide mentorship to mentee Institutes assigned by AICTE, so as to improve the required quality parameters of these institutes and enable them to get NBA accreditation.
- **Honorarium:** An honorarium for this work would be paid at the rate of Rs. 5,000/- per day per visit, with a ceiling of Rs. 50,000/- per month.
- **Visit to mentee Institutions:** The minimum and maximum number of visits to each institute per month will be two and four respectively. Maximum total number of days of visits to all the assigned institutes by each Margdarshak per month shall not be more than ten.
  Margdarshaks are expected to devote atleast eight hours per day to mentoring work during each visit to an institution.
- **Travel arrangement:** The travel arrangements will be made by the concerned regional office of AICTE for travel by taxi. For long travel within the state, air travel may be allowed with permission.
- **Boarding and lodging** – Respective mentee institute will be requested to provide support for Margadarshak like arrangements for stay, food and local travel, if any.
- **Reporting;** The Margadarshaks must submit report of visit and activities undertaken towards accreditation of the institute to the mentee institute. Copy of the report and presentation on the outcomes of the visit with some photographs will be uploaded by institute and Margadarshaks through respective logins.

- **Tenure**: You are engaged initially for a period of six months w.e.f. the date of issue of this letter. Based on performance, the term will be extended for another six months each time upto total of two years. It is expected that the accreditation of 2/3rd eligible programmes in the institutions are completed by end of the term.
- **Orientation:** The Margadarshaks selected would be provided orientation by AICTE so as to make you aware of your responsibilities and the modalities to achieve the end goal of accreditation. A separate communication in this regard will be sent to you once the date is finalized.

Pairing with mentee institutes: You have been paired with the following mentee institutes for the purpose of mentoring

S.No.	Name of the institute	Address	HOD/Contact person's name and mobile
1	Princeton college of pharmacy	KORREMUL, CHOWDARIGUDA VILLAGE GHATKESAR MANDAL RANGA REDDY DISTRICT-501301, TELANGANA	SAINENI PRABHAKAR RAO satyanarayana_kokkula@yahoo.com 9000611217
2	TMSS COLLEGE OF MANAGEMENT	SURVEY NO:21, RCI MAIN RAOD, MALLAPUR, R.R.DIST. HYDERABAD	PRAMOD SINGH tmsscollege@gmail.com 9441027343

You may plan visits with immediate effect as per mutual convenience with Head of the Institute and the mentee institutions within a week of receipt of this letter. In respect of the Margadarshak who are not yet superannuated, heads of their institutes are requested to allow them to plan aforesaid visits without disturbing the academics of the institution.

AICTE believes that the mentor-mentee mapping will build a strong linkage so that the outcome of the mentoring results in accreditation of the mentee institute.

(Prof. Dileep N. Malkhede)
Adviser, RIFD

NSS SPECIAL CAMP

Report on NSS Special Camp conduncted in **Thimmaipalli** (v**), Keesara** (M) and **Medchal** (D) by NSS Cell of **Malla Reddy College of Engineering** from **11-03-2019 to 16-03-2019**.

Day 1:

On 11th March 2019, we began our camp with great enthusiasm and high spirit from our college at 9:40am and reached by 10:40am. The camp included Sarpanch Garu, Mr. Pentayya, ; VRO, Mr. Sanjeev Reddy, ; Upa-Sarpanch, Mrs. Bhagyamma, ; Pachayat Secretary, Mrs. Pramila Devi, Head Master of Govt. School Mr. Upendra; Our NSS Coordinators, Mr.Dr. R.Purshotham Naik Sir and Miss Priyanka Ma'am, Principal of Malla Reddy College of Engineering, Mr.Dr.P. John Paul. The camp began with Jyothi Prajvalam by all the dignities and Devotional Song followed by NSS song.

Later, Motivational Speech was given by Principal John Paul. We brought the awareness about the "SWACH BAHART","KISAN BIMA YOJANA" and "CROP LOANS". Among the people of Thimmaipalli. We ignited the young minds and gave them importance of the education and keeping our society clean and hygiene.

We had our lunch at 2:00pm and we continued our camp by 2:45pm. We communicated with Sarpanch and the list of problems in village. We divided our works in three teams. Later Sarpanch gave us accommodation in nearby Govt. School.

Day 2:

On 12th March 2019, all our volunteers began the camp with great merriment. We had NSS Parade at 7:00am and had a healthy Breakfast with a glass of milk and began our work by 8:00am.By the listed information teams were distributed. By taking the slogan of “SWACHH BHARAT” we began our work. We cleaned the village surroundings which includes School, Roads. Specially, we focused on removing the plastic and shockingly we collected three bags of plastic just in few feet of areas. Along with cleaning surroundings, we gave awareness to the people on disposing of plastic and not to throw the wastage outside and to maintain the dry and wet dustbins separately. We had our lunch at 12:45pm.

After taking rest for a while, we started cleaning the School premises. Explained them about the “SWACHH BHARAT” and “HARITHAHARAM”. We removed the dry leaves and plastics around the School. We spent the time with children and people over there. The children showed their talent by their creativity.

We ended our day and listed out the remaining works for next day. After refreshing we had a cup of tea at 5:20pm. We bought the vegetables from the local market and as the appreciation for our work they gave us vegetable free of cost. We began to prepare our dinner by 6:45pm. We had fun during that time. We played games, sang songs. In mean time our dinner was prepared and we had our dinner joyfully and made a fire camp. We cleared the stuffs we used and cleaned the dishes. We slept at 11:00pm.

Day 3:

On 13th March 2019, all our volunteers began the camp with great merriment. We had NSS Parade at 7:00am and had a healthy Breakfast with a energy drink and began our work by 8:00am. We had the task of cleaning of drainage around the village and bathrooms of School. We picked those areas where drainage and sanitation are poor, water runs over the ground during rain storms. We took those equipments which involved in cleaning the drainages.

The streets are usually narrow and dirty with the open drainage system which gives out the foul smell and spread dangerous diseases. Firstly, we cleaned those areas where the drainage is jammed and flowing on streets. We intimated people about the dangers which caused by jamming the drainage and also gave the information which makes the pipelines jammed by saying the slogan "DON'T THROW PLASTIC".

Later, we had our lunch at 2:30pm.Before having lunch we sterilized our hands. We took rest for a mean while. At the end of the day, we cleaned the bathrooms of School and we provided the working-maids all cleaning equipments. Our aim over cleaning drainage task was very successful. We ended our day by 5:30pm. We had our snacks by 6:30pm and began our preparation for dinner by 7:30pm and had at 9:00pm.

Day 4:

On 14th march 2019, all team members woke up at 6.45am with the gladsomeness. We had the breakfast with a glass of orange juice and began to plant the trees where the task of the day is "HARITHAHARAM", Where our focus on better and healthy future by planting plants. As per the estimation, we bought different types of plants and seeds. The plantation of plants began by hands of Sarpanch. Later, we divided the teams according to the areas for plantation of plants.

While planting the plants we took a slogan “DON’T LET OUR FUTURE DRY UP”. Villagers too involved in plantation of plants. We had our lunch at 2:00pm. We had a cultural program in which our members showed their talents. The villagers enjoyed a lot with us. We commenced the program by 6:00pm. We had our break.

After having a cup of coffee and biscuit, we bought the vegetables from the local market. We made a fire camp and enjoyed a lot. Then we had our delightful dinner at 9:00pm and we had a discussion on upcoming task.

Day 5:

On 15th march 2019, all team members woke up at 6.45am with the gladsomeness. We did exercise to energize ourselves and then we had our breakfast with a glass of milk. As per the schedule we had the task of collection of data and as well as few members of our volunteers to see the surroundings were clean or not?

Survey began. Our volunteers went to each and every home in village to conduct the survey. We listed their names, Aadhar card number and Bio-data by informing them about all the employment plans provided by the Telangana government based on scheme “DEEN DAYAL UPADHYAYA GRAMEEN KOUSHALYA YOJANA” to avoid the unemployment.

Our volunteers explained them that even 10th passed are capable for this employment chance. We had our lunch at 2:00pm. After having our lunch we began to verify the unemployment list and listed out all the educated and uneducated people in the village. We were happy that villagers showed there interest in this scheme. We ended our task without any troubles. As we enjoyed the camp fire every day after completing our task. We had our dinner at 9:00pm.

Day 6:

On 16th march 2019, all team members woke up at 6.45am with the gladsomeness. We did exercise to energize ourselves and then we had our breakfast with a glass of milk. We arranged the event as the end of our camp. We invited Sarpanch Garu, Mr. Pentayya, ; VRO, Mr. Sanjeev Reddy, ; Upa-Sarpanch, Mrs. Bhagyamma, ; Pachayat Secretary, Mrs. Pramila Devi, Head Master of Govt. School Mr. Upendra; Our NSS Coordinators, Mr. R.Purshotham Naik Sir and Miss Priyanka Ma'am.

Our program was conducted in Govt. School. Program started with a delightful song. We requested all the dignitaries to their respected seats. We honored them huge respect and shields. Later, we everyone gave their speech on our NSS camp. We distributed snacks among the children. Then we got certificates along with shields for our work.

The lunch was provided by the Sarpanch. We enjoyed the food a lot. After having the lunch we had delicious Grapes from the farm of Sarpanch. Later we cleaned all the mess and gave a good-bye to the villagers.

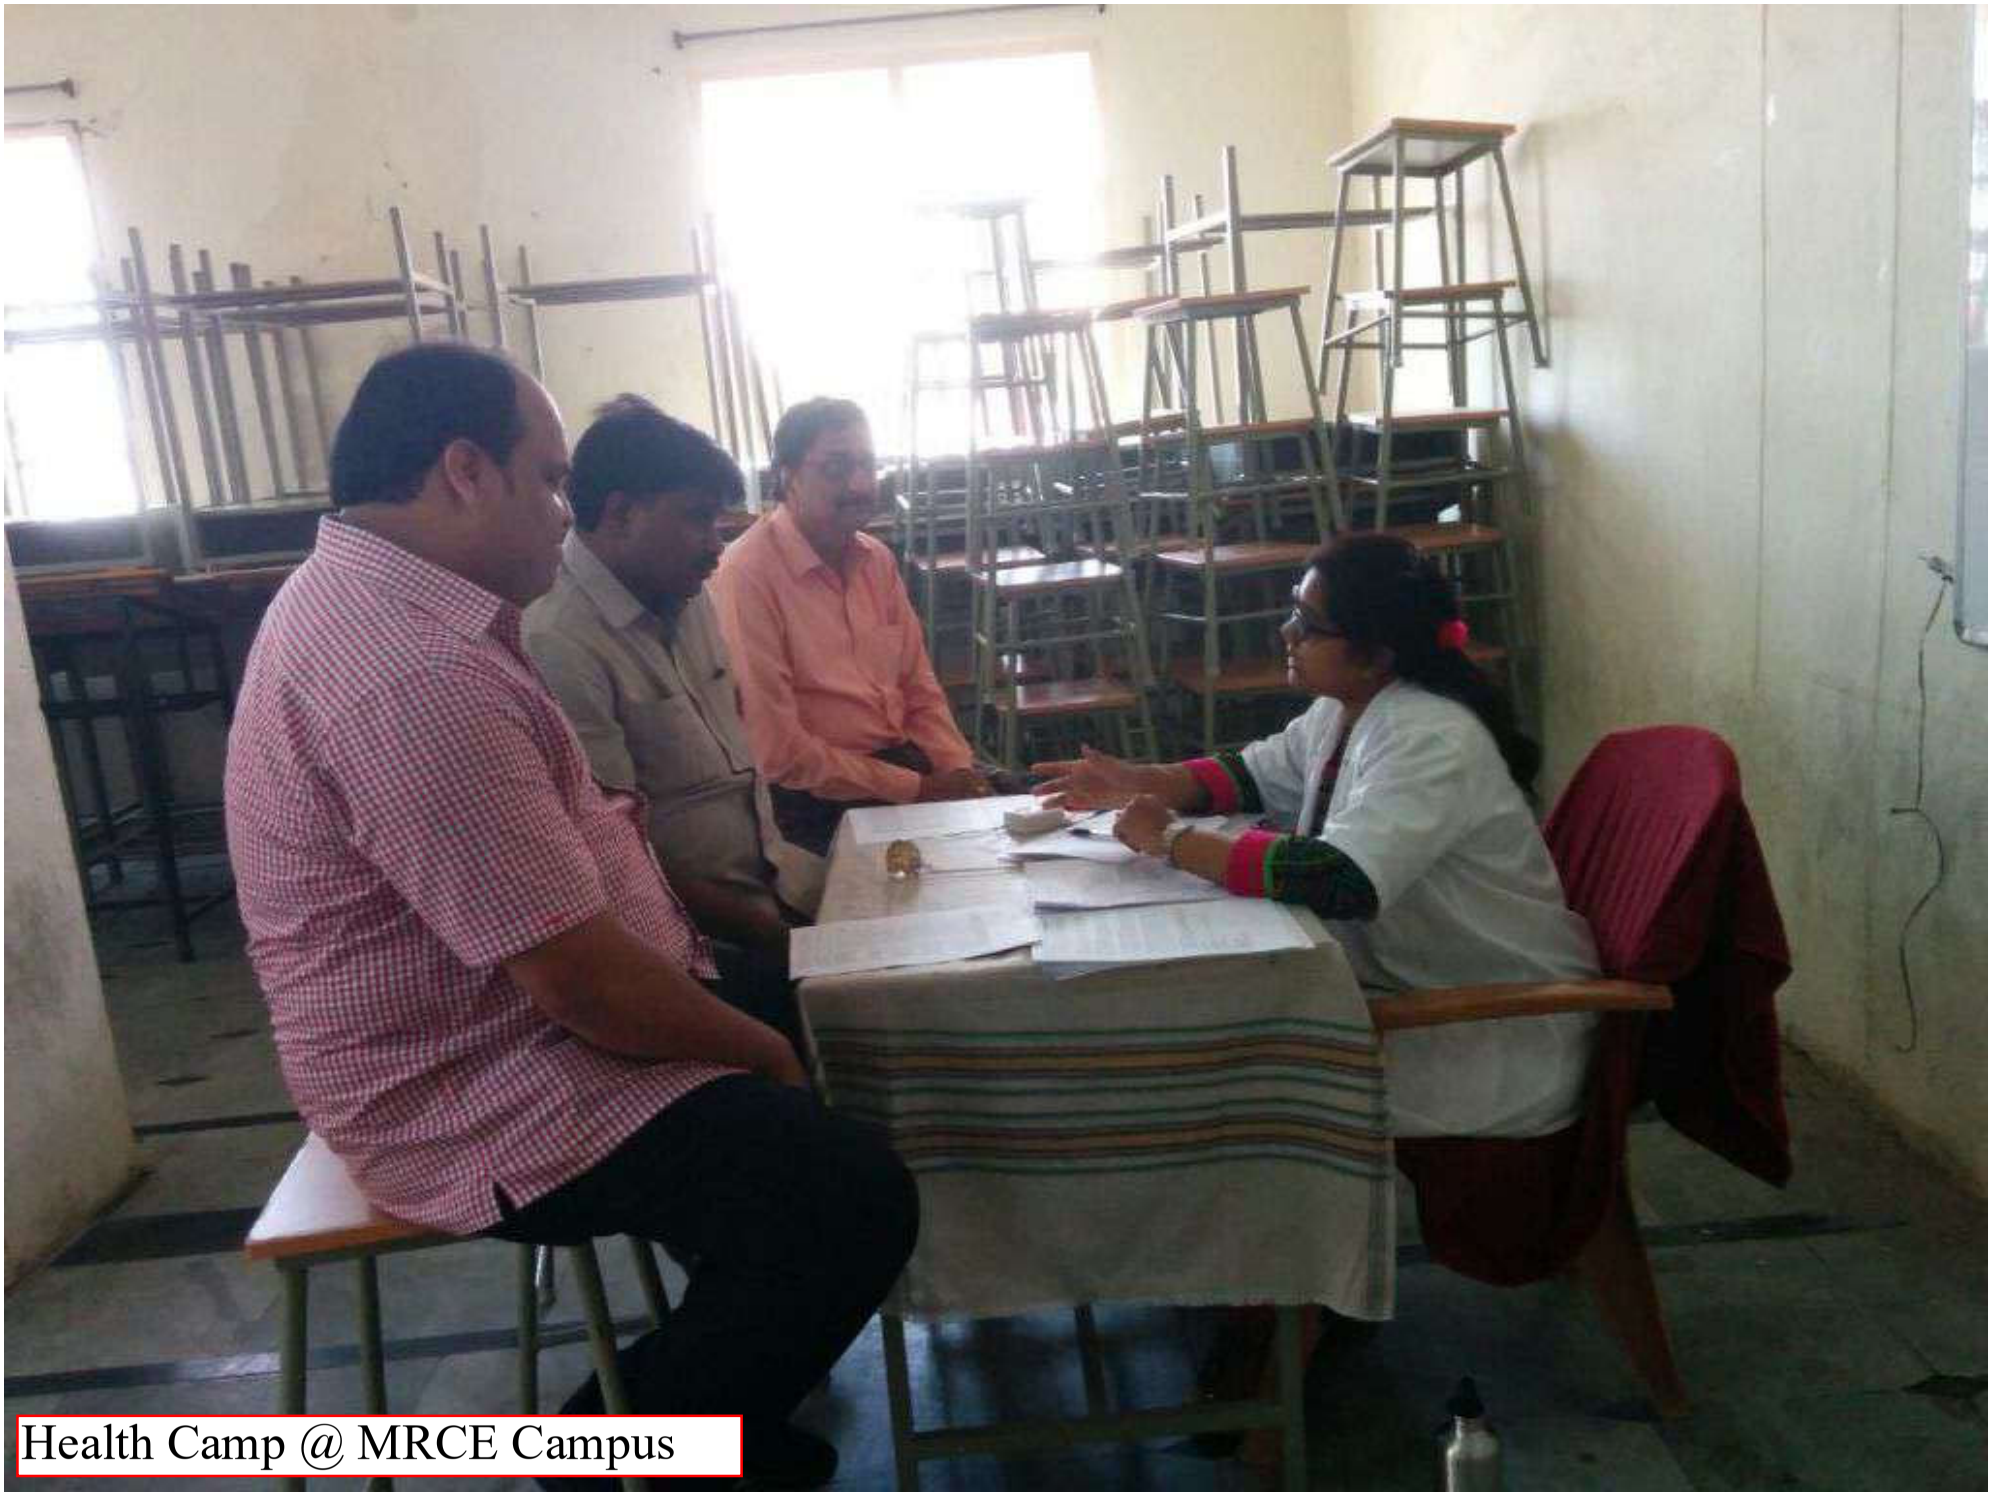

We returned back to our college by 4:30pm. That's how our special camp on "SWACHH BHARAT "ended.

DEPARMENT OF MECHANICAL

TELANGANA KU HARITHA HARAM

DAY - WISE REPORT

PROGRAM: AUGUST - 30th to SEPTEMBER - 5th.

DAY-1 : (Aug-30)

Members participated in this NSS camp are

* M. KIRANMAYEE [CSE]
* Ashok Reddy [Mech]
* Surya Reddy [Mech]
* Gayatri THOTA [ECE]
* Priyanka Mam. [Program Officier]

The very first day we all gathered at JNTUH and boarded the buses that are provided by K.G. Reddy college and JBIT college. and then reached to k.G. Reddy college. There we registered our names and the college provided T-shirts and daily report book to note all the activities done. Followed by we completed our lunch and moved to BAAKARAM village's ZPHS school and had an inagural session. After this we went back to K.G. Reddy college and and gathered in the seminar hall and there all kinds of instructions were said.

Day-3 session schedule was to Hoist the flag by TUNGABHADRA Team and followed by we got the awareness about BIO-DIVERSITY and the same meditation class was taken and cultural were followed.

DAY-4: (Sep-2)

All the volunteers were asked to make clay ganesha. The clay was provided by the Sarpanch of BAKARAM Village. There was a TV9 coverage. All together we all made 150 ganesha's. This is just to provoke all the people who all are there at the surroundings and also to the state. UMA-Shanker SIR, Priyanka Mam and few volunteers made 5-feet ganesha and was worshiped on GANESH CHATURTHI. We succesfully completed the DAY-1 pooja. All the prasadam's were made by UMA SHANKER SIR and PRIYANKA MAM.

Day-7:

The last and final day we had validatory function. K.V. Ramanachari Sir was invited as the chief Guest and sir shared his valuble experience and praised all the team members and program officers for conducting such a great program. Many main members were gathered to attend the program. Followed by award sessions and then the final day also went well. All the students were dispered and reache home safely.

REPORT

2ND ASIA'S LARGEST YOUTH MEET ON SAFE WATER FOR FUTURE

Report on 2nd ASIA'S LARGEST YOUTH MEET on safe water for future organized by NSS unit CMR INSTITUTE OF TECHNOLOGY in association with lee SHREYUS FOUNDATION **on 19th &20th march, 2019 at CMR auditorium**.

The programs have started by inviting the guests, principal sir **Dr.SATYANARAYANA, The director sir Dr.M.JANGA REDDY, the NSS coordinator DR.G.NARSIMHA**, the state NSS officer **PROF.P.VISHNU DEV** from CMRIT College.

The aim of festival was to motivate young talents to showcase their talent and improve their overall character development. To give the importance about safe water.

The youth meeting has done for the 2days in CMR college. So many culture programs have conducted and many students have participated in each every program. Culture events like dances singing etc have conducted. Each guest have spoken about safe water and given very use full speeches on water safety and given importance on saving water for the future cause. The speeches are very inspiring to each and every student 10 members have attended the program from MRCE college and participated very interestingly and got more knowledge about everything .the students have got the certificates of participating in the program.

The 2 days program was successfully completed, we have gained so much to learn about safe water and program was so inspiring to everyone.

REPORT - TELANGANA UNIVERSITY NSS YOUTH FESTIVAL

Report on Telangana university NSS youth festival organized by **JNTUH UNIVERSITY** on 7th and 8th MARCH **2019.**

The aim of festival was to motivate young talents to showcase their talent and improve their overall character development.

Two students from **Mallareddy College of engineering** (MRCE)- **ASHOK REDDY** (As coordinator) from mechanical department & **SHRUTI RAMESH** (for solo singing competition) from mechanical department. In an overall of 12 universities participated in the festival. As many competitions were held on the day and so many students have participated very actively in each and every program.

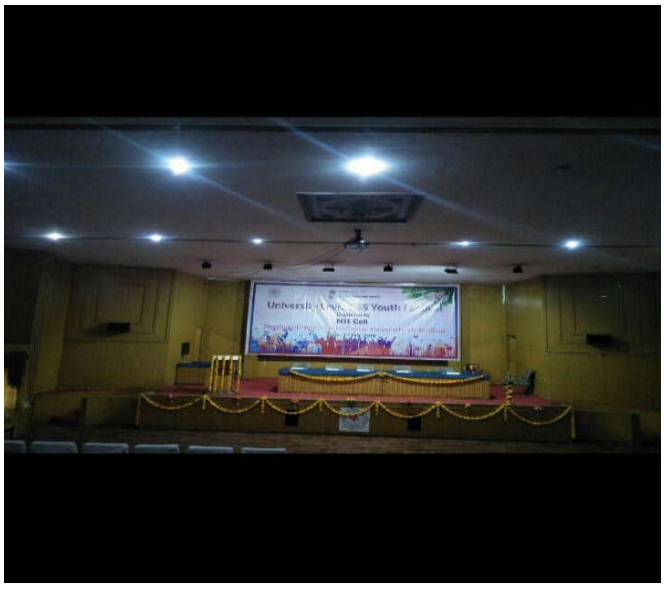

Our student **Ashok Reddy** got 1st prize for best **organizing coordinator**.

While **Shruti Ramesh** backed 2nd position in **singing competition**.

They have been felicitated by the vice chancellor JNTUH prof**. A VENUGOPAL REDDY** and also Honorable Minister **CH MALLAREDDY** garu.

At last the festival has ended up nicely with lot of memories.

JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY

Report on UNIVERSITY LEVEL YOUTH FEST

We, The NSS STUDENTSwere able to get yet another platform to prove ourselves and young and dynamic students of MRCE. This time we attended the “University Level Youth Fest" heldon 2nd February 2019 at JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY, HYDERABAD (JNTUH) . The event was made around the theme of “Swatchtha" which involved various theme based cultural events testing our skills in dance- folk and classical, any musical instrument, painting, singing, poetry and rangoli. The other events include, Elocution, Essay writing, Quiz and Debate competitions. 20 members attended the youth fest, that consists of 19 participants and 1 out contingent leader along with 2 photographer and 4NSS volunteers. Our NSS program officersR.P. Naik Sir and Priyanka ma'am guided us throughout the event. The event started with the inauguration, and all the students were asked to move to our respective event venues and the events started by 10 30 am. The auditorium was filled with participants from the singing, musical instruments playing and dance domains. All the colleges of Telangana and few universities associated with JNTUH had come with active participation of the students. They started with the musical instruments first, followed by singing and folk dance competition. We participated in all the events. As the programme commenced, we were confident about all our performances. We are very happy to announce that we got 1st Prize in folk song and light music. It was a great experience for all of us and the first prize was the icing on the cake. We would like to thank our Principal, Dr. John Paul sir, Vice Principal, T.V. Reddy sir, Programme Officers- R.P. Naik sir and Priyanka ma'am and all the students and faculty that made our event successful.

NATIONAL BOARD of ACCREDITATION

File No. 11-240-2016-NBA **Date: 14-07-2017**

To

The Principal
Malla Reddy College of Engineering,
Maisammaguda, Dhulapally Post ,Via Hakimpet,
Rangareddy Dist, Secunderabad,
Telangana-500100

Subject: Decision on appeal against non-accreditation of UG Computer Science and Engineering and Mechanical Engineering programs of Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100.

Sir,

This has reference to Appeal dated 21-06-2017 filed by you against the decision of NBA for not granting accreditation to the following UG Engineering programs of your Institute, communicated vide NBA's letter of even number dated 09-06-2017:

- Computer Science and Engineering
- Mechanical Engineering

2. The Appeal was considered by the Appellate Committee of NBA in its meeting held on 07-07-2017. The recommendation of the Appellate Committee was considered by the Competent Authority in NBA. Based on the decision taken, accreditation status of the programs is given in the table below:

S.No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science and Engineering	Tier II June, 2015 Document	Provisionally Accredited	Academic Years 2017-2018 to 2019-2020 i.e., upto 30-06-2020	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Mechanical Engineering		Provisionally Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted provisional accreditation. **Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd.../-

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100 as a whole. **As such the Institution should nowhere along with its name including on its letter head etc., write that it is accredited by NBA because it is program accreditation and not Institution accreditation**. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name and level of the programs accredited and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of your Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

PROGRAMME SCHEDULE

DAY AND DATE	SESSION	TOPIC	FACULTY
DAY 1 7/01/2019	I 10.00am -11.15am	Inauguration-camp objective. Why entrepreneurship important ?	Dr.N.Muthukumar
	II 11.30am-12.45am	Historical background: Indian values vis-sa-vis entrepreneurship and present scenario	Mrs.Prasheela
	III 1.30pm-2.45pm	Identification of business opportunities and mechanism of product selection	Mr.Koteshwar rao
	IV 3.00pm-4.15pm	Technology assistance from R&D Labs and other institutions on choice of technology etc	Mr.Koteshwar rao
DAY 2 08/01/2019	I 10.00am -11.15am	How to start a SSI units(general concept about government formalities, rules and regulation, location and different aspects of industrial venture	MR.G.S.Bist
	II 11.30am-12.45am	Technical and commercial aspects of SSI units (general concept only)	Mr.G.S.Bist
	III 1.30pm-2.45pm	Communication skill for the better results in business. Sharing successful story by entrepreneur	MR. Phani varanasi
	IV 3.00pm-4.15pm	Scheme of assistance and support available from government agencies, banks, financial institution SFCs ect…,	Mr. Bhujang Rao
DAY 3 09/01/2019	I 10.00am -11.15am	Creativity and business- the man behind the venture-the behavioral scientific approach	Mr.A.V.Sridhar
	II 11.30am-12.45am	Financial aspect of SSI unit including salient features of a project report.	Mr.A.V.Sridhar
	III	Factory visit	
	IV	Feed back and discussion on the camp and factory visit

Feedback Analysis of Participants

1. From where you got the information about this programme

S.l.no	Source of information	No of participants	Percentage
1	Pamphlets / Broacher	69	97.2
2	Posters/ Hand Bills	0	0
3	News paper Advertisement	0	0
4	Other (social media)	2	2.8

2. What is your opinion about the duration of Programme

Sl.No	Duration of program	No of participants	Percentage
1	Short	0	0
2	Adequate	70	98.6
3	Long	1	1.4

3. Did you find the Programme useful

Sl.No	Program effectiveness	No of participants	Percentage
1	Very much	67	94.7
2	To some extent	4	5.3
3	Not useful	0	0

4. Did it fulfill your expectations?

Sl.No	Satisfaction	No of participants	Percentage
1	Yes	68	95.8
2	To some extent	3	4.2
3	No	0	0

5. Planning of the Programme

Sl.no	Planning of the Programme	No of participants	Percentage
1	Excellent	66	92.9
2	Very good	2	2.9
3	Good	2	2.9
4	Satisfactory	1	1.3
5	Poor	0	0

PROFORMA FOR POST PROGRAMME REPORT (PPR) OF EAC

1. Name & Address of Programme Implementing Agency (with Tel/ Fax /E-mail) :

Malla reddy college of engineering
Maisamaguda, Dhulapally
post via Kompally
Secunderabad-500100,
Mobile : 9348161222.9823083933
Mail: cmecprincipal@gmail.com.

2. Programme Location : Malla reddy college of engineering

3. Programme Date : From 29.01.2019 to 31.01.2019

4. Name of the Coordinator : Dr.N.Muthukumar

5. No. of candidate attended the programme : 80 (Male: 58 , Female: 22)

6. List of participants : ANNEXURE – I Enclosed

7. Program schedule : ANNEXURE – I I Enclosed

8. List of resource persons: ANNEXURE – III Enclosed

9. List of industries visited: ANNEXURE – IV Enclosed

10. Participant's feedback: ANNEXURE – V Enclosed

11. Photographs of Programme : Attach one group photo, one classroom photo and one industry/institute visit photo

MRCE EAC - 2019

Target Participants

The Proposed Three days Camp is intended for the students of Science and Technology UG/PG (All Disciplines).

REGISTRATION FORM

1. Name:
2. Department:
3. Date of Birth:
4. Address for Correspondence:

.....

.....

.....

5. Phone (Mobile):
6. E-Mail:

Signature of the Participant

Date:

Place:

Chief Patron:
Sri Ch. Malla Reddy
Founder Chairman, MRGI
Member of Legeslative Assembly (MLA)
Medchal Constituency

Patrons:
Mr. Ch. Mahender Reddy, Secretary - MRGI
Dr. Ch. Bhadra Reddy, Treasurer - MRGI

Co- Patrons:
Col. G. Ram Reddy, Director - MRGI
Mr. N. Sudhir Reddy, Director - MRCE

Advisory Committee:
Dr. P. John Paul, Principal - MRCE
Dr. T. V. Reddy, Vice Principal - MRCE

Chief Program Co-ordinator:
Dr. N. Muthhu Kumar, Dean, EDC

Program Co-ordinators:
Mr. Chandan Kumar Roy, ECE Dept.
Mr. Veerander, CSE Dept.
Mr. J.Chandra Shekar, MECH Dept.
Mr. M. Rama Krishna, H & S Dept.

Resource Persons:
Mr. Phani Varanasi, Managing Director, Handbit Automation Technologies Pvt. Ltd.
Mr. Bhujang Rao, Lead Distrcit Manager
Mr. G.S. Bist, Asst. Director (Ele) MSME
Mr. Vivek Kumar, Associate Faculty Member, SED, NIMSME
Mrs.Sandhya Sripada, Entrepreneurial Motivation Trainer, HR Professional & MSME Mentor.

Three Day Entrepreneurship Awareness Camp (EAC)

January 29th, 30th & 31st - 2019

MALLA REDDY COLLEGE OF ENGINEERING

Approved by AICTE, Permanently Affiliated to JNTUH, Accredited by NBA & NAAC, Recognised under under section 2 (f)& 12(B) of the UGC Act 1956.

Entrepreneurship Development Cell

Sponsored By :

Entrepreneurship Development Institute of India

(DST-NIMAT Project 2018-19)

Feedback Analysis of Participants

1. From where you got the information about this programme

S.l.no	Source of information	No of participants	Percentage
1	Pamphlets / Broacher	81	95.3
2	Posters/ Hand Bills	0	0
3	News paper Advertisement	0	0
4	Other (social media)	4	4.7

2. What is your opinion about the duration of Programme

Sl.No	Duration of program	No of participants	Percentage
1	Short	0	0
2	Adequate	82	96.5
3	Long	3	3.5

3. Did you find the Programme Useful?

Sl.No	Program effectiveness	No of participants	
1	Very much	81	95.3
2	To some extent	4	4.7
3	Not useful	0	0

4. Did it fulfill your expectations?

Sl.No	Satisfaction	No of participants	Percentage
1	Yes	82	96.5
2	To some extent	3	3.5
3	No	0	0

5. Planning of the Programme

Sl.no	Planning of the Programme	No of participants	Percentage
1	Excellent	80	94.11
2	Very good	2	2.35
3	Good	2	2.35
4	Satisfactory	1	1.17
5	Poor	0	0

PROGRAMME SCHEDULE

DAY AND DATE	SESSION	TOPIC	FACULTY
DAY 1 15/04/2019	I 10.00am -11.15am	Inauguration-camp objective. Why entrepreneurship important?	Dr.N.Muthukumar
	II 11.30am-12.45am	Historical background: Indian values vis-sa-vis entrepreneurship and present scenario	Mrs.Prasheela
	III 1.30pm-2.45pm	Identification of business opportunities and mechanism of product selection	Mr. Vivek Kumar
	IV 3.00pm-4.15pm	Technology assistance from R&D Labs and other institutions on choice of technology etc	Mr. Vivek Kumar
DAY 2 16/04/2019	I 10.00am -11.15am	How to start a SSI units(general concept about government formalities, rules and regulation, location and different aspects of industrial venture	MR.G.S.Bist
	II 11.30am-12.45am	Technical and commercial aspects of SSI units (general concept only)	MR.G.S.Bist
	III 1.30pm-2.45pm	Communication skill for the better results in business. Sharing successful story by entrepreneur	MR. Phani varanasi
	IV 3.00pm-4.15pm	Scheme of assistance and support available from government agencies, banks, financial institution SFCs ect…,	Mr.S.V. Saravanan
DAY 3 17/04/2019	I 10.00am -11.15am	Creativity and business- the man behind the venture-the behavioral scientific approach	Mr.A.V.Sridhar
	II 11.30am-12.45am	Financial aspect of SSI unit including salient features of a project report.	Mr.A.V.Sridhar
	III	Factory visit	
	IV	Feed back and discussion on the camp and factory visit

INDUSTRIAL VISIT REPORT

Department of MECHANICAL Engineering

A Industrial visit to HINDUSTAN COCA COLA BEVERAGES PVT. LTD., AMEENPUR UNIT, on

18th March, 2019.

MALLA REDDY COLLEGE OF ENGINEERING

SUBJECT : *HINDUSTAN COCA COLA BEVERAGES PVT. LTD.*

Location : AMEENPUR UNIT, HYDERABAD

Department : Mechanical Engineering

Class : B.Tech, III year

Date of Industrial visit : 18 March 2019

No. of Students Attended : 67 Students

Faculty Coordinators : Dr. VELMURGAN, Professor

Mr. KALERU SAI KIRAN, Assistant Professor

Ms. J. SUDHA PALLAVI, Assistant Professor

Mr. RAGHAVAN, Assistant Professor

AIM of Industrial Visit:

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this process is to help students to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Our Main aim for the industrial visit is to provide an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices. Through industrial visit students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an industrial visit.

START of Industrial Visit:

We started planning to go for an industrial visit as soon as we heard from our staff advisor that we were allowed to go for an Industrial Visit. We surfed the net about many companies and finalized to visit HINDUSTAN COCA COLA BEVERAGES PVT. LTD., AMEENPUR UNIT and then our staff advisor met authorized persons directly, explained about our visit to their officials and got their permission. After getting their permission, they asked the confirmation from the principal. We requested our principal to give permission for our industrial visit. He accepted our request and we got the permission letter from our Principal. So we attached the principal's letter to company's mail

Malla Reddy College of Engineering

Principal
Malla Reddy College of Engineering

and sent it as a mail to the company and confirmed our visit. Then we finished our side of work like arranging vehicle for travel and other preliminary works.

A batch of III year B.Tech Mechanical Engineering students (67) and three staff coordinators visited the HINDUSTAN COCA COLA BEVERAGES PVT. LTD. at AMEENPUR UNIT on 18.03.2019. This unit is mainly focusing on the preparation of Different types of beverages in different volumes in four production lines.

PHOTO DURING INDUSTRIAL VISIT OF STUDENTS WITH FACULTY MEBMERS

Ms. Vijaya Lakshmi, Quality Control Officer, addressed the students and introduced about the hindustan coca cola beverages pvt. ltd. She explained about the functioning of that Unit. Later she also explained the different steps employed in the production lines of the unit. Most of the beverage essences used in the preparation of beverages are imported from pune. She also warned the students how to reach a safe assembly point if any accident happens in the unit during visit.

Principal
Malla Reddy College of Engineering

Later Ms. Vijaya Lakshmi, Quality Control officer explained the steps included in each production line.

1. Essence Analysis
2. Purification of water
3. Blow moulding of preform into bottles
4. Process involved in Proper mixing of essence with purified water
5. Filling of Beverages in bottles
6. Cap sealing of beverage bottles
7. Inspection of filled bottles
8. Packing and Wraping of bottles in required numbers
9. Storing mechanism by fork lifting machines and
10. Plant tour

During this session, students interacted with the Assistant Manager very effectively. Particularly about the machinery used in blow moulding of tubes, Machinery used for filling and sealing of bottles and water purification plant. Then Assistant Manager, explained the working methods of each unit from start to end. He mainly focused on the Automatic filling machines and automatic wraping machines. He also explained how local municipal water is purified and turned in most purified mineral water in their purification plant.

This session was concluded with a small break for 10 minutes.

After this session students were taken to industrial trip in two batches. Both the batches were taken to Quality control unit and production unit. During the trip students gained practical knowledge about the handling of the raw materials having different characteristics and properties. Many of the points explained theoretically in the first session were explained again practically. In Quality control unit, students were exposed to Automatic machines . They were explained how time plays a vital role in deciding the production rate.

BEVERAGE PRODUCED IN PRODUCTION LINE

Principal
Malla Reddy College of Engineering

After this session all the students were offered a Mango Beverage. All the students expressed their thanks to the officials for the opportunity given.

This trip was highly useful for the students in terms of practical knowledge about the production lines. This trip will also be helpful for them to find placement opportunities in such industries.

INDUSTRIAL VISIT REPORT

Department of MECHANICAL Engineering

A Industrial visit to RAILWAY DIESEL LOCO SHED, MOULA ALI on 19th March, 2019.

MALLA REDDY COLLEGE OF ENGINEERING

SUBJECT : INDUSTRIAL VISIT TO RAILWAY LOCO SHED

Location : LALAPET, MOULA ALI, HYDERABAD

Department : Mechanical Engineering

Class : B.Tech, II year

Date of Industrial visit : 19 March 2019

No. of Students Attended : 56 Students

Faculty Coordinators : Dr. VELMURGAN, Professor

Mr. KALERU SAI KIRAN, Assistant Professor

Ms. G. SOUJANYA, Assistant Professor

Ms. L. PRIYANKA, Assistant Professor

AIM of Industrial Visit:

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this process is to help students to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Our Main aim for the industrial visit is to provide an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices. Through industrial visit students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an industrial visit.

START of Industrial Visit:

We started planning to go for an industrial visit as soon as we heard from our staff advisor that we were allowed to go for an Industrial Visit. We surfed the net about many companies and finalized to visit RAILWAY LOCO DIESEL SHED MOULA ALI and then our staff advisor met authorized persons directly, explained about our visit to their officials and got their permission. After getting their permission, they asked the confirmation from the principal. We requested our principal to give permission for our industrial visit. He accepted our request and we got the permission letter from our Principal. So we attached the principal's letter to company's mail and sent it as a mail to the

Principal
Malla Reddy College of Engineering

company and confirmed our visit. Then we finished our side of work like arranging vehicle for travel and other preliminary works.

On 19.03.2019, The trip started from Malla Reddy college of Engineering Campus, Dhulapally at around 10:00 hrs on 19.03.2019 in one single bus along with Three faculty Coordinators. The bus reached RAILWAY DIESEL LOCO SHED, MOULA ALI, in 1 Hr time. The bus was parked at the Parking area. Faculty Coordinators finished all the Entry and Security formalities and listed out all the required instructions to Students. Then Senior Section Engineer welcomed us with their warm smile and they asked us to get separated into twenty per team. Each team was led by the respective Faculty Coordinator. Senior Section Engineer, junior section Engineer met the team members before proceeding inside shop floor.

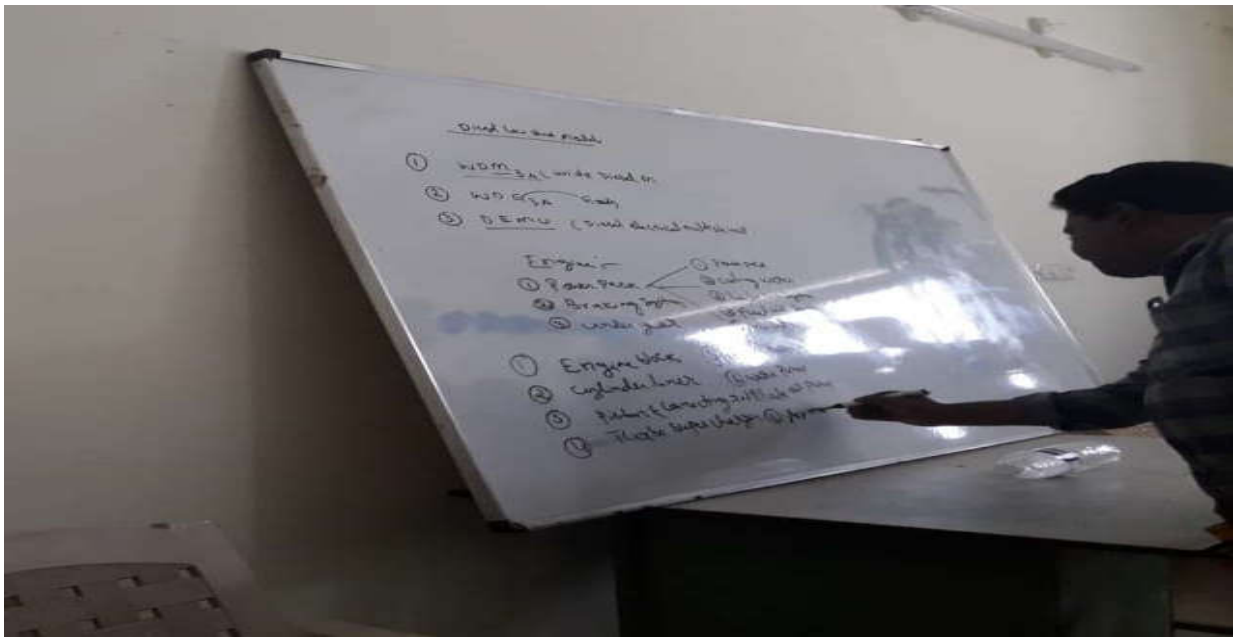

GROUP PHOTO DURING INDUSTRIAL VIST OF STUDENTS WITH FACULTY MEBMERS

This unit is mainly focusing on the Maintenance of Different Diesel Engines used in Railways.

Mr.PRASAD, senior section Engineer, addressed the students and introduced about the Diesel loco Shed. He explained about the functioning of that Unit. Later he also explained about the different types of Engines and the safety of the unit. He explained us about the Maintenance

Principal
Malla Reddy College of Engineering

work that is done for Different Diesel goods Engines, Different Diesel passengers Engines and their working principles. He took us to Different parts of diesel engines and explained their functionality.

SENIOR SECTION ENGINEER EXPLANATION ABOUT DIFFERENT TYPES OF DIESEL ENGINES

He enlightened us with controls of Diesel Passenger Engines and their Switching methods. He also explained about the working principle of engines directly on the maintenance floor. students how to reach a safe assembly point if any accident happens in the unit during visit.

During this session, students interacted with the Senior section Engineer very effectively. Particularly about the working principles of engines, identification of parts and process of Material selection. This session was concluded with a break time of 15 minutes.

FACULTY COORDINATOR INTER-RELATING THEORETICAL TO PRACTICAL KNOWLEDGE

Principal
Malla Reddy College of Engineering

After this session students were taken to industrial trip in three batches. All the batches were taken to Quality control unit and Maintenance unit. During the trip students gained practical knowledge about the working of railway diesel engines and the different characteristics and properties of parts used. Many of the points explained theoretically in the first session were explained again practically.

UNDERSTANDING WORKING PRINCIPAL's OF DIESEL ENGINES AND THEIR CONTROL MECHANISM

In Maintenance unit, students were exposed to DISASSEMBLED 16 CYLINDER RAILWAY DIESEL ENGINE. They were explained how to Chemical Energy of fuel is converted into Power Stroke in Diesel engine and the reutilization of EXHAUST GASES in Turbo Super Charger.

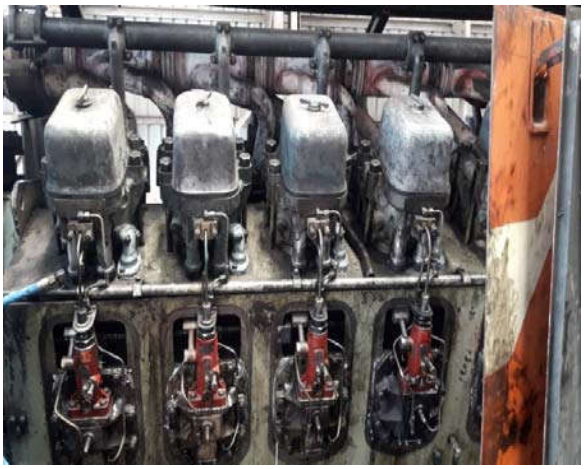

VISUAL IDENTIFICATION OF RAIL DIESEL ENGINE PARTS

Malla Reddy College of Engineering

Principal
Malla Reddy College of Engineering

VISUAL IDENTIFICATION OF RAIL DIESEL ENGINE PARTS

After this session all the students had their snacks. Faculty Coordinators initiated Relieving procedure with the help of Railway Administration Department and got relieving letter. All the students expressed their thanks to the officials for the opportunity given.

This trip was highly useful for the students in terms of practical knowledge about the understanding and working of the Engines. This trip will also be helpful for them to find placement opportunities in such industries.

CERTIFICATE OF INTERNSHIP

This is to certify that

SANDEEP UDUGULA, Reg no:- 16Q91A03F7,

A student of **MALLAREDDY COLLEGE OF ENGINEERING,**

MAISAMMMAGUDA,MEDCHAL Mandal, MALKAJGIRI Dist. Studying

In the course of B-Tech (Mechanical) has successfully completed

Internship program from 27/06/19 TO 26/07/19.

During his internship, he was exposed

"HYDRAULIC BENDING AND STEEL COLD ROLLING MACHINE"

As A part of our research unit.

We found him extremely inquisitive and hardworking.

His association with us was very truthful and we wish all the

Best in his future endeavors.

MEMORANDUM OF UNDERSTANDING

BETWEEN

ARMTRONICS

AND

MALLA REDDY COLLEGE OF ENGINEERING

This Memorandum of Understanding (MOU) made on 6th March, 2019, by 1. ARMTRONICS, a company registered under the companies Act 1956 and having its registered office at 2nd floor, Eurekha Court, Near Image Hospital, Ameerpet, Hyderabad, Telangana-500073, and represented by Mr.Arjun Modi, in the capacity of Senior Technical Associate.

and

2.MALLA REDDY COLLEGE OF ENGINEERING is a registered and affliated institution, having its registered office at MRCE Campus,Dhulapally,Secundarabad-500100 here referred to as MRCE, and represented by Dr.John Paul, Principal (Head of the institution), each a "party" and collectively the parties

1. **SCOPE AND TERMS OF INTERACTIONS**

   a. Both Parties can jointly promote and support in planning and executing programs promoting excellence in respective areas of research and education
   b. Both parties agreed to Encourage the regular / visiting faculty members and resource person to transform the knowledge to MRCE students
   c. ARMTRONICS shall assist in training facilities, so that the students learn skills beyond their regular curriculum. With this extra input, they will be able to finish up their final project works with ease.
   d. ARMTRONICS would allow the industrial visits to MRCE students for half/full day to provide them with an exposure to various equipment, instrument, etc.
   e. ARMTRONICS will not provide any financial assistance to the students.
   f. Student is responsible for his/her own personal transportation and living arrangements. ARMTRONICS will not provide any quarters/rooms/hostels facilities.
   g. Student agrees to follow the administrative policies of the Internship Organization, including confidentiality policies, personnel practices, and business protocols.

2. **PERMANENT EMPLOYMENT**

Neither the employer nor the student is bound by this agreement to offer or accept permanent employment, although this is often the outcome of an Internship Education relationship. Internship Education placements are not intended to displace current full-time permanent employees of the employer.

3. **TERM AND TERMINATION**

This agreement will be effective for a period of two years from 06-03-2019 to 07-03-2021. The agreement can be renewed by mutual consent of the parties to the agreement. Either party to this agreement can terminate it by giving six months notice.

4. LIABILITY

However, any damage to equipment or facilities of one party brought about by negligence or intentional misuse by the personnel of the other party will be chargeable at actual; required for repairing/replacing the equipment/facility. The decision of heads of the respective institutions shall be final and binding on this matter and any related disputes thereof.

5. GENERAL TERMS:-

1. Neither parties will make any presentations pertaining to the other or its business or affairs, without the express written consent and approval of other.

2. It is understood that during the course of this MoU it may be necessary for either party to disclose confidential/proprietary information to the other. The disclosure of any such information or data between the parties shall be made pursuant to an executed Confidentiality Agreement.

3. All costs incurred by a party pursuant to this MoU shall be borne by the party who incurred the costs.

4. There shall be no liability on the part of any party to the other arising from the termination of this MoU.

5. This MoU is not binding on either of the parties hereto, except as specifically set out hereto. This MoU is intended to express the broad understanding of the parties and as a broad framework for working together on a specific opportunity as detailed herein.

6. The terms of the applicable software license agreements and terms relating to confidentiality under this MoU shall survive the term of the MoU.

7. Neither party may use the other's corporate name or any trade mark or name or any

other items or assets protected by intellectual property rights, including but not restricted to, use in any promotional material, press releases, advertisements, communications, stationery, web sites, or the like.

8. Neither party will disclose the existence, or the terms and conditions, of this MoU or any information connected with it or any information received from the other or otherwise during the implementation of this MoU or its subsequent amendments, if any, except as may be required by law or on a strictly "need-to-know" basis for the purpose of implementing this MoU, or its subsequent amendments, if any, unless express prior written consent of the other party shall have been obtained in advance.

9. Save for their respective rights and obligations relating to Intellectual Property Rights (including the ownership of the Intellectual Property) as mentioned above, neither party is liable to the other for any damages or claims.

10. Unless previously consented to by both parties, there shall be no assignment of any interest under this MoU by any party hereto.

11. This MoU supersedes all proposals or other prior representations or communications, either oral or written.

12. All communication between the parties shall be in writing and in English Language.

6. COORDINATION AND FOLLOW-UP

Any additions, changes or deletions must be approved by the authorities of both the organizations who are signatories to this agreement or their respective successors. All notices shall be in writing and shall be directed to these authorities as follows by the signatories of this MOU.

7. ARBITRATION

In case of any dispute arising out of this MoU, the heads of the institutions shall endeavor to resolve such controversy or dispute by mutual discussions and in good faith.

IN WITNESS WHEREOF, the parties have executed this Project by their duly authorized representatives on the date first set forth above.

Neither party may use the other's corporate name or any trade mark or name or any other items or assets protected by intellectual property rights, including but not restricted to, use in any promotional material, press releases, advertisements, communications, stationery, web sites, or the like.

8. Neither party will disclose the existence, or the terms and conditions, of this MoU or any information connected with it or any information received from the other or otherwise during the implementation of this MoU or its subsequent amendments, if any, except as may be required by law or on a strictly "need-to-know" basis for the purpose of implementing this MoU, or its subsequent amendments, if any, unless express prior written consent of the other party shall have been obtained in advance.

9. Save for their respective rights and obligations relating to Intellectual Property Rights (including the ownership of the Intellectual Property) as mentioned above, neither party is liable to the other for any damages or claims.

10. Unless previously consented to by both parties, there shall be no assignment of any interest under this MoU by any party hereto.

11. This MoU supersedes all proposals or other prior representations or communications, either oral or written.

12. All communication between the parties shall be in writing and in English Language.

6. **COORDINATION AND FOLLOW-UP**

Any additions, changes or deletions must be approved by the authorities of both the organizations who are signatories to this agreement or their respective successors. All notices shall be in writing and shall be directed to these authorities as follows by the signatories of this MOU.

7. **ARBITRATION**

In case of any dispute arising out of this MoU, the heads of the institutions shall endeavor to resolve such controversy or dispute by mutual discussions and in good faith.

IN WITNESS WHEREOF, the parties have executed this Project by their duly authorized representatives on the date first set forth above.

MEMORANDUM OF UNDERSTANDING

BETWEEN

BANSAL ENGINEERING CORPORATION

AND

MALLA REDDY COLLEGE OF ENGINEERING

This Memorandum of Understanding (MOU) made on 13th July, 2017, by BANSAL ENGINEERING CORPORATION, a company registered under the companies Act 1956 and having its registered office at R.P. Road, Rani gunj,Secunderabad, Telangana- 500003, here referred to as BEC Pvt.Ltd, and represented by Mr.K.Yadagiri, Managing Director.

And

2.MALLA REDDY COLLEGE OF ENGINEERING is a registered and affliated institution, having its registered office at MRCE Campus,Dhulapally,Secundarabad-500100 here referred to as MRCE, and represented by Dr.John Paul, Principal (Head of the institution), each a "party" and collectively the parties.

1. SCOPE AND TERMS OF INTERACTIONS

a. Shall assist in training facilities, so that the students learn skills beyond their regular curriculum. With this extra input, they will be able to finish up their final project works with ease.

b. **BANSAL ENGINEERING CORPORATION** would accommodate B. Tech, M. Tech, students as a part of industrial training.

c. Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.

d. Shall assist

i. Mini Projects
ii. Major Projects
iii. Internships
iv. Industrial Visits
v. Guest lecturers in mutually agreed topics related to the industry.

e. BANSAL ENGINEERING CORPORATION will not provide any financial support to the students.

f. Student is responsible for his/her own personal transportation and living arrangements. **BANSAL ENGINEERING CORPORATION** will not provide any quarters/rooms/hostels facilities.

g. Student agrees to follow the administrative policies of the Internship Organization, including confidentiality policies, personnel practices, and business protocols.

2. PERMANENT EMPLOYMENT

Neither the employer nor the student is bound by this agreement to offer or accept permanent employment, although this is often the outcome of an Internship Education relationship. Internship Education placements are not intended to displace current full-time permanent employees of the employer.

3. TERM AND TERMINATION

This agreement will be effective for a period of two years from 13-07-2017 to 13-07-2019. The agreement can be renewed for additional years by mutual consent of the parties to the agreement. Either party to this agreement can terminate it by giving six months notice.

4. LIABILITY

However, any damage to equipment or facilities of one party brought about by negligence or intentional misuse by the personnel of the other party will be chargeable at actual; required for repairing/replacing the equipment/facility. The decision of heads of the respective institutions shall be final and binding on this matter and any related disputes thereof.

5. COORDINATION AND FOLLOW-UP

Any additions, changes or deletions must be approved by the authorities of both the organizations who are signatories to this agreement or their respective successors. All notices shall be in writing and shall be directed to these authorities as follows by the signatories of this MOU.

6. GENERAL TERMS:-

1. Neither parties will make any presentations pertaining to the other or its business or affairs, without the express written consent and approval of other.

2. It is understood that during the course of this MoU it may be necessary for either party to disclose confidential/proprietary information to the other. The disclosure of any such information or data between the parties shall be made pursuant to an executed Confidentiality Agreement.

3. All costs incurred by a party pursuant to this MoU shall be borne by the party who incurred the costs.

4. There shall be no liability on the part of any party to the other arising from the

termination of this MoU.

5. This MoU is not binding on either of the parties hereto, except as specifically set out hereto. This MoU is intended to express the broad understanding of the parties and as a broad framework for working together on a specific opportunity as detailed herein.

6. The terms of the applicable software license agreements and terms relating to confidentiality under this MoU shall survive the term of the MoU.

7. Neither party may use the other's corporate name or any trade mark or name or any other items or assets protected by intellectual property rights, including but not restricted to, use in any promotional material, press releases, advertisements, communications, stationery, web sites, or the like.

8. Neither party will disclose the existence, or the terms and conditions, of this MoU or any information connected with it or any information received from the other or otherwise during the implementation of this MoU or its subsequent amendments, if any, except as may be required by law or on a strictly "need-to-know" basis for the purpose of implementing this MoU, or its subsequent amendments, if any, unless express prior written consent of the other party shall have been obtained in advance.

9. Save for their respective rights and obligations relating to Intellectual Property Rights (including the ownership of the Intellectual Property) as mentioned above, neither party is liable to the other for any damages or claims.

10. Unless previously consented to by both parties, there shall be no assignment of any interest under this MoU by any party hereto.

11. This MoU supersedes all proposals or other prior representations or communications, either oral or written.

12. All communication between the parties shall be in writing and in English Language.

7. ARBITRATION

In case of any dispute arising out of this MoU, the heads of the institutions shall endeavor to resolve such controversy or dispute by mutual discussions and in good faith.

IN WITNESS WHEREOF, the parties have executed this Project by their duly authorized representatives on the date first set forth above.

4. **LIABILITY**

However, any damage to equipment or facilities of one party brought about by negligence or intentional misuse by the personnel of the other party will be chargeable at actual; required for repairing/replacing the equipment/facility. The decision of heads of the respective institutions shall be final and binding on this matter and any related disputes thereof.

5. **GENERAL TERMS:-**

1. Neither parties will make any presentations pertaining to the other or its business or affairs, without the express written consent and approval of other.

2. It is understood that during the course of this MoU it may be necessary for either party to disclose confidential/proprietary information to the other. The disclosure of any such information or data between the parties shall be made pursuant to an executed Confidentiality Agreement.

3. All costs incurred by a party pursuant to this MoU shall be borne by the party who incurred the costs.

4. There shall be no liability on the part of any party to the other arising from the termination of this MoU.

5. This MoU is not binding on either of the parties hereto, except as specifically set out hereto. This MoU is intended to express the broad understanding of the parties and as a broad framework for working together on a specific opportunity as detailed herein.

6. The terms of the applicable software license agreements and terms relating to confidentiality under this MoU shall survive the term of the MoU.

7. Neither party may use the other's corporate name or any trade mark or name or any other items or assets protected by intellectual property rights, including but not restricted to, use in any promotional material, press releases, advertisements, communications, stationery, web sites, or the like.

8. Neither party will disclose the existence, or the terms and conditions, of this MoU or any information connected with it or any information received from the other or otherwise during the implementation of this MoU or its subsequent amendments, if any, except as may be required by law or on a strictly "need-to-know" basis for the purpose of implementing this MoU, or its subsequent amendments, if any, unless express prior written consent of the other party shall have been obtained in advance.

9. Save for their respective rights and obligations relating to Intellectual Property Rights (including the ownership of the Intellectual Property) as mentioned above, neither party is liable to the other for any damages or claims.

10. Unless previously consented to by both parties, there shall be no assignment of any interest under this MoU by any party hereto.

11. This MoU supersedes all proposals or other prior representations or communications, either oral or written.

12. All communication between the parties shall be in writing and in English Language.

6. COORDINATION AND FOLLOW-UP

Any additions, changes or deletions must be approved by the authorities of both the organizations who are signatories to this agreement or their respective successors. All notices shall be in writing and shall be directed to these authorities as follows by the signatories of this MOU.

7. ARBITRATION

In case of any dispute arising out of this MoU, the heads of the institutions shall endeavor to resolve such controversy or dispute by mutual discussions and in good faith.

IN WITNESS WHEREOF, the parties have executed this Project by their duly authorized representatives on the date first set forth above.

MEMORANDUM OF UNDERSTANDING

BETWEEN

ELECTROPRO

AND

MALLA REDDY COLLEGE OF ENGINEERING

This Memorandum of Understanding (MOU) made on 20th February, 2019, by 1. ELECTROPRO, a company registered under the companies Act 1956 and having its registered office at F.No: 301VKS Royal Space, Srinivas Nagar Colony, Above Punjab National Bank, Kompally, Hyderabad,Telangana 500014, and represented by Mr Aniruth ,in the capacity of Managing Director.

and

2.MALLA REDDY COLLEGE OF ENGINEERING is a registered and affiliated institution, having its registered office at MRCE Campus,Dhulapally,Secunderabad- 500100 here referred to as MRCE, and represented by Dr.John Paul, Principal (Head of the institution), each a "party" and collectively the parties.

1. **SCOPE AND TERMS OF INTERACTIONS**

a. ELECTROPRO shall assist in training facilities, so that the students learn skills beyond their regular curriculum. With this extra input, they will be able to finish up their final project works with ease.

b. Both parties agreed to encourage students and research personnel to attend lectures, seminars, workshops and conferences in the respective areas of interest.

c. Both parties agreed to Encourage joint research activities and projects by the faculty members / scientific personnel

d. ELECTROPRO would accommodate B. Tech, M. Tech, students as a part of industrial training.

e. ELECTROPRO Shall assist

   i. Mini Projects
   ii. Major Projects
   iii. Internships
   iv. Industrial Visits
   v. Guest lecturers in mutually agreed topics related to the industry.

f. ELECTROPRO will not provide any financial support to the students.

g. Student is responsible for his/her own personal transportation and living arrangements. ELECTROPRO will not provide any quarters/rooms/hostels facilities.

h. Student agrees to follow the administrative policies of the Internship Organization, including confidentiality policies, personnel practices, and business protocols.

2. **PERMANENT EMPLOYMENT**

Neither the employer nor the student is bound by this agreement to offer or accept permanent employment, although this is often the outcome of an Internship Education relationship. Internship Education placements are not intended to displace current full-time permanent employees of the employer.

3. **TERM AND TERMINATION**

This agreement will be effective for a period of one year from 20-02-2019 to 20-02-2020. The agreement can be renewed by mutual consent of the parties to the agreement. Either party to this agreement can terminate it by giving six months notice.

4. **LIABILITY**

M. Aniseth

However, any damage to equipment or facilities of one party brought about by negligence or intentional misuse by the personnel of the other party will be chargeable at actual; required for repairing/replacing the equipment/facility. NATIONAL BOARD of ACCREDITATION

File No. 11-240-2016-NBA **Date: 14-07-2017**

To

The Principal
Malla Reddy College of Engineering,
Maisammaguda, Dhulapally Post ,Via Hakimpet,
Rangareddy Dist, Secunderabad,
Telangana-500100

Subject: Decision on appeal against non-accreditation of UG Computer Science and Engineering and Mechanical Engineering programs of Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100.

Sir,

This has reference to Appeal dated 21-06-2017 filed by you against the decision of NBA for not granting accreditation to the following UG Engineering programs of your Institute, communicated vide NBA's letter of even number dated 09-06-2017:

- Computer Science and Engineering
- Mechanical Engineering

2. The Appeal was considered by the Appellate Committee of NBA in its meeting held on 07-07-2017. The recommendation of the Appellate Committee was considered by the Competent Authority in NBA. Based on the decision taken, accreditation status of the programs is given in the table below:

S.No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science and Engineering	Tier II June, 2015 Document	Provisionally Accredited	Academic Years 2017-2018 to 2019-2020 i.e., upto 30-06-2020	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Mechanical Engineering		Provisionally Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted provisional accreditation. **Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd.../-

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100 as a whole. **As such the Institution should nowhere along with its name including on its letter head etc., write that it is accredited by NBA because it is program accreditation and not Institution accreditation**. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name and level of the programs accredited and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of your Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

File No. 11-240-2016-NBA **Date: 09-06-2017**

To

The Principal
Malla Reddy College of Engineering,
Maisammaguda, Dhulapally Post ,Via Hakimpet,
Rangareddy Dist, Secunderabad,
Telangana-500100

Subject: Accreditation status of programme applied by Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100.

Sir,

This has reference to your Application ID No. 1926 dated 05/06/2016 in Tier-II format seeking accreditation by National Board of Accreditation to UG Engineering programmes offered by **Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100.**

2. An Expert Team conducted on-site evaluation of the programme during 14th April to 16th April, 2017. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programme as given in the table below:

S.No	Name of the Programme (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics & Communication Engineering	Tier-II June 2015 Document	Provisionally Accredited	Academic Years 2017-2018 to 2019-2020 i.e., up to 30-06-2020	Accreditation status granted is valid for the period indicated in col.5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programme has been granted provisional accreditation. **Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd../-

5. The accreditation status awarded to the programme as indicated in the above table does not imply that the accreditation has been granted to **Malla Reddy College of Engineering, Maisammaguda, Dhulapally Post ,Via Hakimpet, Rangareddy Dist, Secunderabad, Telangana-500100** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programme accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the programme(s) accredited level of programme and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programme is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programme as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programme as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and a copy each of the Evaluators' report in respect of the above programme are enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
