(TRAINING AND PLACEMENT OFFICER)

Memorandum of Understanding between
Malla Reddy College of Engineering (MRCE)
And
FACE

The Memorandum of Understanding (MOU) is entered into on 26th July 2018 between Malla Reddy College of Engineering, Dhulapally, Secunderabad - 50014 and **Focus Academy for Career Enhancement (FACE)**, No.12, Lakshmi Nagar, Thottipalayam Pirivu, Avinashi Road, Coimbatore - 641014.

Malla Reddy college of Engineering is represented by Principal, Dr.P.John Paul and FACE is represented by Manager – Business Development, B V Praneeth N Reddy.

Malla Reddy college of Engineering and FACE decided to lay down the terms and conditions of the MOU with the following clauses. The terms and conditions are not limited to the following but new terms shall only be added with mutual consent of both the parties.

Disputes if any are subject to jurisdiction of Coimbatore courts only.

For Malla Reddy College of Engineering

Principal

For FACE

Manager – Business Development

Whereas:

FACE & MRCE have entered into discussions for a collaboration to facilitate Comprehensive Training for the students and do the Skill Development along with the assessments.

As part of this MOU, both the parties hereto agree to the following respectively:

1. Scope of MOU

- a) This MOU aims at benefiting all the stakeholders of the talent ecosystem for the career opportunities for the students.
- b) The stakeholders are students, Institution & companies

2. Benefits to stakeholders:

a) Benefits to the students:

- i. Profile themselves by self-assessing their professional skills and showcase them.
- ii. Understand their skill-gaps through assessments and improve their skills and reduce the skill gap.
- iii. Explore and attract career opportunities - internships, jobs as well as projects.

b) Benefits to Institution:

- i. Understand students' and institute's average skill matrix.
- ii. Make the skills among the students enhanced as to have better career opportunities.
- iii. Track and attract employment opportunities for students.

c) Benefits to Companies:

- i. Reach out to better candidates for required skills quickly & easily across geographies
- ii. Understand what additional skill training might be required for candidates

For Malla Reddy College of Engineering

Principal

For FACE

Manager - Business Development

3. Obligations on FACE:

- a) To provide Comprehensive Skill Development Training
- b) Training to be provided in skill areas of **Aptitude** (covering Quants, Logical Reasoning & Verbal Ability), **Soft Skills & Technical Skills**
- c) FACE to provide the Assessment Portal to all the registered students
- d) Material to be provided for the Aptitude Sessions
- e) Hand-on Session for the Technical Sessions
- f) Commercials, if any, to be discussed individually for the training.

4. Obligations in MRCE:

- a) To provide Infrastructure to conduct the sessions like: Classroom, Projector, Mic, Computer lab, etc as per the requirement of the session
- b) MRCE to provide transport facility (College Bus) for the trainers
- c) To communicate any training & development requirement with at least a minimum of 3 working days prior Intimation.

5. Miscellaneous:

- a) Both Parties will appoint a Point of Contact (POC) to handle communications and initiatives under this MOU.
- b) The current POC for each parties are:
 - **FACE** – Mr. B V Praneeth N Reddy (BDM)
 - **MRCE** – Mr. V Bhoopathy (TPO)
- c) Any changes in the terms & conditions can be altered at the agreement of the both the parties.

For Malla Reddy College of Engineering

Principal

For FACE

Manager - Business Development

6. Terms & Termination:

This understanding will be operational and valid for three years from the date of signing or until the date of earlier termination. Upon completion of three years, the MOU can be renewed with mutual consent of both the parties.

Either party may terminate this agreement by providing notice of at least thirty days in advance in writing to the other party at the official address for communication.

Subject: Organization of Financial Literacy and Investor Education Workshop in association with Mallareddy College of Engineering

Dear Sir/Ma'am,

Techfest is **IIT Bombay's** annual science and technology festival. Established in **1998**, Techfest was conceived as a platform for the fruitful between students, academia and industry and over the years it has grown to be **Asia's Largest festival** of its kind with a number of firsts to its credits.

This year Techfest aims to reach a milestone of spreading financial literacy among the 10,000+ youth of the country. This program gives students in every part of the country a chance to learn about the various aspects of finance in a short period of time. We are planning to conduct workshops on the same in prestigious colleges of India.

Therefore, we seek your assistance in organizing **Techfest Financial Literacy** and **Investor Education Workshop** at Mallareddy College of Engineering this year. As preliminary preparations, the **Techfest 2019-20** organizing team has already spoken to the students of your institute who have expressed a willingness to be a part of this endeavor.

The workshop will be locally handled by a team of coordinators, comprising of students who have had prior experience of organizing such events. I hope that our institutes will be able to co-operate and hold an event that will be beneficial to students of your college and region. Our students and their events too shall mutually benefit in the course of this association.

Memorandum Of Understanding
Between Techfest, IIT Bombay and Mallareddy College of Engineering

Associations policies

- Techfest is the annual science and technology festival of IIT Bombay, this year to be held from **3rd - 5th January 2020**. The formal terms of the deal are listed below:
- Use/mention of any logo, advertisement, website/link, and branding will be done as mutually decided by teams of both parties in writing on an operational basis.
- Any use, mention or placement of IIT Bombay Logo or IIT Bombay name (electronic or physical media) on any advertisement, event, notice, brochure, mailer or branding material will be done only after written approval from IIT Bombay authorities and as per IIT Bombay norms. This policy applies in perpetuity.
- The other terms of this MoU will be applicable till the culmination of Techfest 2019-20

or upon a request for withdrawal by either party, whichever happens, earlier, whereby any commitments till such date will be honored. Further, in addition to the terms of this MoU, Mallareddy College of Engineering will adhere to IIT Bombay's existing norms, to the extent applicable to it with regard to the event and its conduct at Techfest 2019-20

- Both parties will work together in good faith with the aim of making the event a grand success and each party agrees that, except in the eventuality of gross negligence or flouting of norms by Mallareddy College of Engineering or its representatives/staff, neither will be liable to the other for any kind of eventuality or losses that are caused due to associated with holding the event.
- Mallareddy College of Engineering will provide a venue to cater at least 100 students for the workshop conducted by trainers sent on behalf of Techfest, IIT Bombay.
- Mallareddy College of Engineering will allow the coordinator(s) to publicize the event in their college
- Coordinator(s) will be responsible for arranging the infrastructure requirements, coverage of the event (form of photographs and videos) and submission of the final report of the event to Techfest, IIT Bombay
- Dates of the workshop will be decided by mutual consent of both parties.
- Workshop to be conducted will be **free of cost** and no fee will be charged from students taking part in workshops.
- Certificates of Organization will be given to the students and faculty coordinators from the college.

Hydersbad,

Subject: Request for Field Trip

Sir,

We are writing you regarding the Field Trip program for our students with your prestigious organization. Knowledge and regular learning are important for the students to come upon in life and to shape their career. We learned that your company gives significant exposure to the practice aspects of learning stream. The course that our students completed will help them to develop suitable knowledge about the tools and the process involved in the operations of the your company, so we request you to consider this Field training program request for our students .

Thank you very much and we are look forward to hearing from you soon...

INDUSTRIAL VISIT REPORT

Department of
MECHANICAL
Engineering

*A Industrial visit to HINDUSTAN COCA COLA BEVERAGES PVT. LTD.,
AMEENPUR UNIT, on
18th March, 2019.*

MALLA REDDY COLLEGE OF ENGINEERING

SUBJECT : *HINDUSTAN COCA COLA BEVERAGES PVT. LTD.*

Location : AMEENPUR UNIT, HYDERABAD

Department : Mechanical Engineering

Class : B.Tech, III year

Date of Industrial visit : 18 March 2019

No. of Students Attended : 67 Students

Faculty Coordinators : Dr. VELMURGAN, Professor

Mr. KALERU SAI KIRAN, Assistant Professor

Ms. J. SUDHA PALLAVI, Assistant Professor

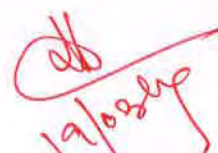

Mr. RAGHAVAN, Assistant Professor

AIM of Industrial Visit:

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this process is to help students to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Our Main aim for the industrial visit is to provide an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices. Through industrial visit students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an industrial visit.

START of Industrial Visit:

We started planning to go for an industrial visit as soon as we heard from our staff advisor that we were allowed to go for an Industrial Visit. We surfed the net about many companies and finalized to visit HINDUSTAN COCA COLA BEVERAGES PVT. LTD., AMEENPUR UNIT and then our staff advisor met authorized persons directly, explained about our visit to their officials and got their permission. After getting their permission, they asked the confirmation from the principal. We requested our principal to give permission for our industrial visit. He accepted our request and we got

19/03/19

MALLA REDDY COLLEGE OF ENGINEERING

the permission letter from our Principal. So we attached the principal's letter to company's mail and sent it as a mail to the company and confirmed our visit. Then we finished our side of work like arranging vehicle for travel and other preliminary works.

A batch of III year B.Tech Mechanical Engineering students (67) and three staff coordinators visited the HINDUSTAN COCA COLA BEVERAGES PVT. LTD. at AMEENPUR UNIT on 18.03.2019. This unit is mainly focusing on the preparation of Different types of beverages in different volumes in four production lines.

PHOTO DURING INDUSTRIAL VISIT OF STUDENTS WITH FACULTY MEMBERS

Ms. Vijaya Lakshmi, Quality Control Officer, addressed the students and introduced about the hindustan coca cola beverages pvt. ltd. She explained about the functioning of that Unit. Later she also explained the different steps employed in the production lines of the unit. Most of the beverage essences used in the preparation of beverages are imported from pune. She also warned the students how to reach a safe assembly point if any accident happens in the unit during visit.

[Handwritten signature]
19/03/19

MALLA REDDY COLLEGE OF ENGINEERING

Later Ms. Vijaya Lakshmi, Quality Control officer explained the steps included in each production line.

1. Essence Analysis
2. Purification of water
3. Blow moulding of preform into bottles
4. Process involved in Proper mixing of essence with purified water
5. Filling of Beverages in bottles
6. Cap sealing of beverage bottles
7. Inspection of filled bottles
8. Packing and Wrapping of bottles in required numbers
9. Storing mechanism by fork lifting machines and
10. Plant tour

During this session, students interacted with the Assistant Manager very effectively. Particularly about the machinery used in blow moulding of tubes, Machinery used for filling and sealing of bottles and water purification plant. Then Assistant Manager, explained the working methods of each unit from start to end. He mainly focused on the Automatic filling machines and automatic wrapping machines. He also explained how local municipal water is purified and turned in most purified mineral water in their purification plant.

This session was concluded with a small break for 10 minutes.

After this session students were taken to industrial trip in two batches. Both the batches were taken to Quality control unit and production unit. During the trip students gained practical knowledge about the handling of the raw materials having different characteristics and properties. Many of the points explained theoretically in the first session were explained again practically. In Quality control unit, students were exposed to Automatic machines . They were explained how time plays a vital role in deciding the production rate.

BEVERAGE PRODUCED IN PRODUCTION LINE

Handwritten signature and date:
19/08/16

MALLA REDDY COLLEGE OF ENGINEERING

After this session all the students were offered a Mango Beverage. All the students expressed their thanks to the officials for the opportunity given.

This trip was highly useful for the students in terms of practical knowledge about the production lines. This trip will also be helpful for them to find placement opportunities in such industries.

After getting their permission, they asked the confirmation from the principal. We requested our principal to give permission for our industrial visit. He accepted our request and we got the permission letter from our Principal. So we attached the principal's letter to company's mail and sent it as a mail to the

21/03/19

MALLA REDDY COLLEGE OF ENGINEERING

company and confirmed our visit. Then we finished our side of work like arranging vehicle for travel and other preliminary works.

On 19.03.2019, The trip started from Malla Reddy college of Engineering Campus, Dhulapally at around 10:00 hrs on 19.03.2019 in one single bus along with Three faculty Coordinators. The bus reached RAILWAY DIESEL LOCO SHED, MOULA ALI, in 1 Hr time. The bus was parked at the Parking area. Faculty Coordinators finished all the Entry and Security formalities and listed out all the required instructions to Students. Then Senior Section Engineer welcomed us with their warm smile and they asked us to get separated into twenty per team. Each team was led by the respective Faculty Coordinator. Senior Section Engineer, junior section Engineer met the team members before proceeding inside shop floor.

**GROUP PHOTO DURING INDUSTRIAL VIST OF STUDENTS WITH FACULTY
MEBMERS**

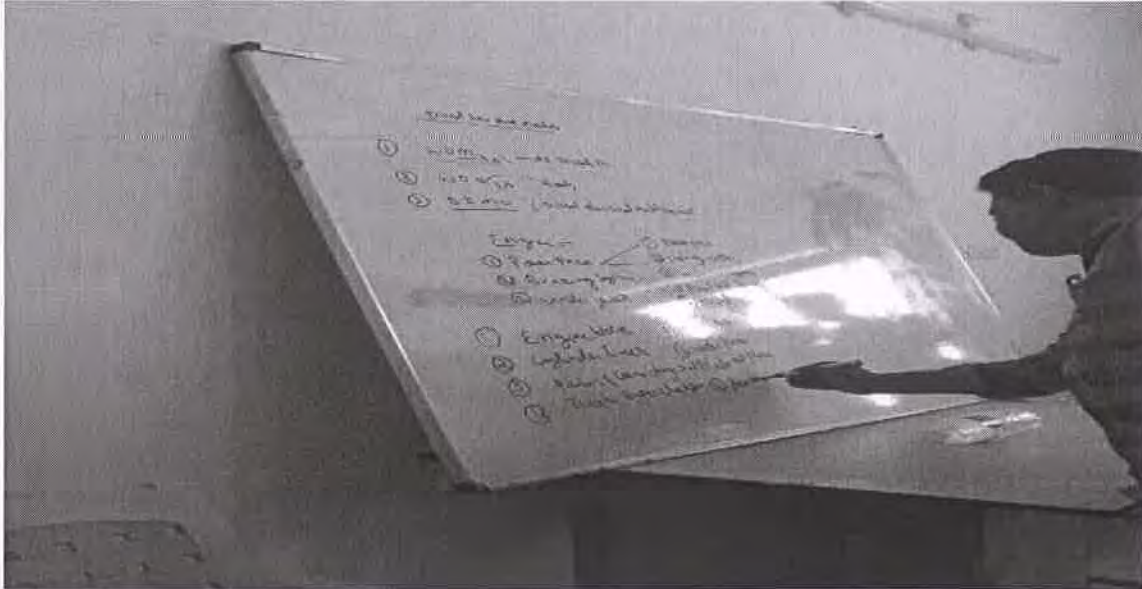

This unit is mainly focusing on the Maintenance of Different Diesel Engines used in Railways.

Mr.PRASAD, senior section Engineer, addressed the students and introduced about the Diesel loco Shed. He explained about the functioning of that Unit. Later he also explained about the different types of Engines and the safety of the unit. He explained us about the Maintenance

Handwritten signature in red ink

Sub:- Invitation for attending the Board of Studies meeting on 30-4-2018-Reg.

Dear sir,

We would like to invite you to participate in the Board of Studies Meeting of Electronics and Communication Engineering [ECE] in our College to be held on 30-04-2018[Monday]. The meeting will gather all stakeholders and serve as a platform to discuss and create different strategies of curriculum for Under Graduate students.

We are looking forward to more fruitful meeting and a great association with you in the days ahead.

Schedule:

Date: 30-04-2018

Time: 2:00 PM - 3:00 PM Deliberation on Academic Regulations for UG Courses

3:00 PM - 4:00 PM Deliberation on Course Structure and Syllabus

Therefore request you to kindly make it convenient to attend the meeting.

Thanking you
