IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website http://www.iaeng.org/membership.html

Dear ALLAPARTHI SRAVAN,

Welcome to IEEE. Attached is your 2019 membership card. We hope that your IEEE experience will be rewarding for years to come.

You are also now a member of the IEEE Student Branch at your institution, if one has been established. There, you can form productive relationships, compete in exciting challenges, and develop important leadership skills.

At your local IEEE Section, you can connect with industry professionals who can provide valuable insights into the current job environment. Find your local Section contacts in myIEEE at www.ieee.org/myIEEE.

In addition, be sure to join the IEEE Membership Forum community in IEEE Collabratec™ - an integrated online community where technology professionals can network, collaborate, and create – all in one central hub. Visit ieee-collabratec.ieee.org.

Last, create your Technical Interest Profile at www.ieee.org/profile. Here you can also update your professional and education information, as well as manage communication preferences.

Enclosed are recommendations on how to get the most from your membership. Thank you for choosing IEEE as your technical professional organization –and for making an investment in your future.

Sincerely,

Cecelia Jankowski
Managing Director - IEEE Member and Geographic Activities

Share Your IEEE Membership Experience and Get Rewarded!

The IEEE Member-Get-A-Member (MGM) program offers you rewards of up to US$90 in individual earnings for successfully recruiting new IEEE members.

Your rewards can be applied toward IEEE dues, IEEE Society fees, or the purchase of IEEE products and services.

Program rules:

1. Only open to current IEEE members (IEEE Society affiliates are not eligible).
2. Completed applications (either print or online), with full dues payment, must be submitted with the recruiter's name and membership number in the proper recruiter box that is provided on the application.
3. Applications received without recruiter's membership number will be disqualified—there will be no retroactive qualifying of recruiters.
4. Applications must be received at IEEE before 15 August
5. Maximum individual earnings: US$90 annually

   Full rules are available online at **www.ieee.org/mgm**

THE MGM PROGRAM OFFERS THE FOLLOWING INCENTIVES:

Professional Members
* Receive US$15 for each Professional member recruited
Note: e-members recruited earn US$5 (where available)

Student and Graduate Student Members
* Receive US$15 for each Professional member recruited
* Receive US$2 for each Student or Graduate Student member recruited

Dear KYASARAM SANGHAVI,

Welcome to IEEE. Attached is your 2019 membership card. We hope that your IEEE experience will be rewarding for years to come.

You are also now a member of the IEEE Student Branch at your institution, if one has been established. There, you can form productive relationships, compete in exciting challenges, and develop important leadership skills.

At your local IEEE Section, you can connect with industry professionals who can provide valuable insights into the current job environment. Find your local Section contacts in myIEEE at www.ieee.org/myIEEE.

In addition, be sure to join the IEEE Membership Forum community in IEEE Collabratec™ - an integrated online community where technology professionals can network, collaborate, and create — all in one central hub. Visit ieee-collabratec.ieee.org.

Last, create your Technical Interest Profile at www.ieee.org/profile. Here you can also update your professional and education information, as well as manage communication preferences.

Enclosed are recommendations on how to get the most from your membership. Thank you for choosing IEEE as your technical professional organization —and for making an investment in your future.

Sincerely,

The IEEE Member-Get-A-Member (MGM) program offers you rewards of up to US$90 in individual earnings for successfully recruiting new IEEE members.

Your rewards can be applied toward IEEE dues, IEEE Society fees, or the purchase of IEEE products and services.

Program rules:

1. Only open to current IEEE members (IEEE Society affiliates are not eligible).
2. Completed applications (either print or online), with full dues payment, must be submitted with the recruiter's name and membership number in the proper recruiter box that is provided on the application.
3. Applications received without recruiter's membership number will be disqualified—there will be no retroactive qualifying of recruiters.
4. Applications must be received at IEEE before 15 August
5. Maximum individual earnings: US$90 annually

Full rules are available online at **www.ieee.org/mgm**

THE MGM PROGRAM OFFERS THE FOLLOWING INCENTIVES:

Professional Members
* Receive US$15 for each Professional member recruited
  Note: e-members recruited earn US$5 (where available)

Student and Graduate Student Members
* Receive US$15 for each Professional member recruited
* Receive US$2 for each Student or Graduate Student member recruited

Dear RAMARTHI VARUN,

Welcome to IEEE. Attached is your 2019 membership card. We hope that your IEEE experience will be rewarding for years to come.

You are also now a member of the IEEE Student Branch at your institution, if one has been established. There, you can form productive relationships, compete in exciting challenges, and develop important leadership skills.

At your local IEEE Section, you can connect with industry professionals who can provide valuable insights into the current job environment. Find your local Section contacts in myIEEE at www.ieee.org/myIEEE.

In addition, be sure to join the IEEE Membership Forum community in IEEE Collabratec™ - an integrated online community where technology professionals can network, collaborate, and create — all in one central hub. Visit ieee-collabratec.ieee.org.

Last, create your Technical Interest Profile at www.ieee.org/profile. Here you can also update your professional and education information, as well as manage communication preferences.

Enclosed are recommendations on how to get the most from your membership. Thank you for choosing IEEE as your technical professional organization —and for making an investment in your future.

Sincerely,

C. Jankowski

Dear GADIPELLI GOUTHAMI,

Welcome to IEEE. Attached is your 2019 membership card. We hope that your IEEE experience will be rewarding for years to come.

You are also now a member of the IEEE Student Branch at your institution, if one has been established. There, you can form productive relationships, compete in exciting challenges, and develop important leadership skills.

At your local IEEE Section, you can connect with industry professionals who can provide valuable insights into the current job environment. Find your local Section contacts in myIEEE at www.ieee.org/myIEEE.

In addition, be sure to join the IEEE Membership Forum community in IEEE Collabratec™ - an integrated online community where technology professionals can network, collaborate, and create — all in one central hub. Visit ieee-collabratec.ieee.org.

Last, create your Technical Interest Profile at www.ieee.org/profile. Here you can also update your professional and education information, as well as manage communication preferences.

Enclosed are recommendations on how to get the most from your membership. Thank you for choosing IEEE as your technical professional organization —and for making an investment in your future.

Sincerely,

Share Your IEEE Membership Experience and Get Rewarded!

The IEEE Member-Get-A-Member (MGM) program offers you rewards of up to US$90 in individual earnings for successfully recruiting new IEEE members.

Your rewards can be applied toward IEEE dues, IEEE Society fees, or the purchase of IEEE products and services.

Program rules:

1. Only open to current IEEE members (IEEE Society affiliates are not eligible).

2. Completed applications (either print or online), with full dues payment, must be submitted with the recruiter's name and membership number in the proper recruiter box that is provided on the application.

3. Applications received without recruiter's membership number will be disqualified—there will be no retroactive qualifying of recruiters.

4. Applications must be received at IEEE before 15 August

5. Maximum individual earnings: US$90 annually

   Full rules are available online at **www.ieee.org/mgm**

THE MGM PROGRAM OFFERS THE FOLLOWING INCENTIVES:

Professional Members
* Receive US$15 for each Professional member recruited
Note: e-members recruited earn US$5 (where available)

Student and Graduate Student Members
* Receive US$15 for each Professional member recruited
* Receive US$2 for each Student or Graduate Student member recruited
