COLLEGE OF ENGINEERING

October 15, 2018

To Whom it May Concern,

Today we had the pleasure of hosting Dr. John Paul from the Malla Reddy College of Engineering from Hyderabad, India.

Dr. Paul met with our engineering department chairs and toured our engineering laboratories. We are excited to include him and his institution in future academic/research collaborations and hope to gain students into our graduate engineering programs.

I have attached an agenda from his visit. Please let us know if you have any questions.

Sincerely,

Dr. Mohammad S. Alam, Dean
