MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as MoU) signed on the 31st December 2025 at Hyderabad

**BY
&
BETWEEN**

REGIONAL TELECOM TRAINING CENTRE, HYDERABAD (hence forth referred to as RTTC) **a pioneering training centre of BHARAT SANCHAR NIGAM LIMITED** (henceforth referred to as BSNL), represented by PRINCIPAL RTTC, Hyderabad which expressions shall unless repugnant to the context of meaning thereof include their successors and permitted assignees of the **FIRST PART.**

AND

Malla Reddy College of Engineering, (hence forth referred as **MRCE**), represented through its Principal which expression shall unless repugnant to the context or meaning thereof include its successors and permitted assignees of the **SECOND PART.**

The parties are collectively referred to as parties.

1. Description of both Institutions:

Regional Telecom Training Centre, Hyderabad, TS of BSNL (hereinafter referred to as RTTC) is a fully standards-compliant Training Center, established in 1973 at Hyderabad by Department of Telecommunications to impart training in Latest Telecom Technologies and Information Technology to its employees all over India. **RTTC, Hyderabad** is one of the APEX training centers of BSNL offering trainings in different telecom technologies right from PSTN to 5G and emerging technologies to corporate companies, internships, FDPs and the international bodies like APT. RTTC is located at Erragadda, Hyderabad.

Malla Reddy College of Engineering (hereinafter referred to as **MRCE**) has been established under the aegis of the Malla Reddy Group of institutions in the year 2005, a majestic empire, founded by chairman Sri. Ch. Malla Reddy. He has been in the field of education for the last 22 years with the intention of spearheading quality education among children from the school level itself. Since the beginning Mr. Malla Reddy has endeavoured to ensure quality education and carved a niche for himself by managing this group of institutions. Malla Reddy College of Engineering has been laid upon a very strong foundation and has ever since been excelling in every aspect. The bricks of this able institute are certainly the adept management, the experienced faculty, the selfless non-teaching staff and of course the students.

2. Definition of Operative Expressions:

The MRCE and RTTC agree this MOU:

To develop managerial and industrial skills in graduates /post graduates to bridge the gap between the industry and academia, with the application of appropriate technologies and instructional strategies in the telecom / IT industry;

- 2.1 RTTC agrees to provide industrial visits to MRCE students on mutually agreed dates and times.
- 2.2 RTTC will offer industrial training programs to MRCE students, with the curriculum and duration to be determined jointly by both parties.
- 2.3 RTTC and MRCE will collaborate on organizing faculty development programs, including identifying topics, scheduling, and resource allocation.
- 2.4 RTTC will conduct certification programs for MRCE students, with the details of the programs to be agreed upon by both parties.
- 2.5 RTTC will offer projects, both mini and major, that provide practical experience to MRCE students. In this regard both parties also may work together to explore and implement telecom and information technology Projects to be agreed upon by both parties.
- 2.6 Both parties will work together to explore and implement other collaborative initiatives in the field of telecommunications and information technologies.
- 2.7 To offer need-based short term courses to improve the employability skills of trained teachers.
- 2.8 RTTC BSNL Hyd may facilitate skill development for students of the institution, for which the institution shall depute the students to NSQF-compliant training programs conducted by RTTC, BSNL Hyderabad and shall facilitate in meeting out the requirement of the scheme. These programs may align with various Government of India skill development bodies and schemes—including MSDE, NSDC, DGT, NCVET, MoLE, MSME, MoRD, MoHUA, MoE, MoSJ&E, MoTA, MoMA, MoYAS, MeitY, DoT/BSNL, Sector Skill Councils—or any other Government of India initiative supporting national skill development and students will be screened/shortlisted based on the eligibility criteria specified by the guidelines of the concerned scheme/ministry/deptt/organization.
- 2.9 Industry and institution interaction will be provide an insight into the latest research & development / requirements of the industries. RTTC & MRCE can work for the following domain or any other on the basis of mutual consent.
- 2.10 BSNL intends to establish a laboratory with equipment at the MRCE campus, MRCE agrees to provide the necessary infrastructure support for the equipment, including space and facilities, without charging any rental fees. MRCE also agrees to bear the electricity charges required for the operation of the equipment.
- 2.11 Hands on practical along with related courses done at RTTC can be valued

as credit points for the students in the UG/PG/ DIPLOMA program. MRCE would introduce suitable modifications to incorporate this credit base training from BSNL. This state of the art training from BSNL will be given preference in this credit based training program.

3. Areas of Collaboration:

RTTC and MRCE agrees for the collaboration of the Operative Expressions said in the above and any other customized courses with mutual consent by expert faculty based on above operative expressions.

4. Administration:

- 4.1. The Authorized Signatories of both RTTC and MRCE shall manage this Memorandum of Understanding (hereinafter referred to as **MoU**) and all endeavors that derive from it. They (or their designated representatives) will be responsible for developing and carrying out a joint plan and regular reports on the implementation of this MoU. Any activity proposed that does not fit into the general terms of this MoU, provided, the addendum is agreed to and signed by both the parties.
- 4.2. For the purpose of facilitating the implementation plan of this MoU, both the parties agree to have regular communication and correspondence.
- 4.3. The RTTC and MRCE agree that wherever possible, virtual classroom may be facilitated and the soft copies of materials may be shared with the students.

5. Coordinators:

The RTTC and MRCE shall appoint the Coordinators in their respective offices who shall be responsible for coordinating all communication and directing the implementation of the MoU.

6. Duration:

This MoU is for a period of **FIVE** years. It can be extended further by mutual consultation and agreement.

8.4 **Student Participation Requirement:** As per this MOU, MRCE agrees to send a minimum of 100 participants to RTTC Hyderabad for undergoing Industrial training programs such as Internship, In-plant, Main projects, Mini Projects, Certificate Program in latest technologies, FDP, etc. apart from Industrial Visits.

8.5 **Validity of Discounts:** The discounts specified in this Memorandum of Understanding (MoU) shall remain valid until the expiration or termination of this agreement. In the case of AICTE-recognized institutions, all discounts and related terms shall be governed in accordance with the AICTE-BSNL MoU.

8.6 **Tailored Courses:** RTTC may develop customized courses based on

the specific requirements of MRCE. The tariff for such courses shall be determined by RTTC, BSNL's competent authority at the time of course creation.

9. Termination of Amendment:

Either party may terminate this MoU by written notification signed by the authorized official of that party initiating the notice. However, the other party must receive such notification at least 30 days in advance, but only after the completion of the course for that year and before the commencement of the next course. Any clause of this MoU may be deleted or revised after mutual consultation and agreement. In the event of any dispute or difference of any kind whatsoever as may arise between the parties in connection with or arising out of this MoU or out of breach, termination or invalidity of the agreement thereof, the parties will resolve by issuing a notice and making attempt to resolve it within a period of 30 days and after the notice by mutual discussion.

10. Confidentiality:

10.1. The parties agree to keep in the strictest confidence and not disclose to any third party or use for any purpose (other than in connection with this MoU) any Information relating to the other's business which is marked "confidential" or is clearly by its nature confidential without the disclosing party's written consent. Each of the parties may disclose the other's confidential information to their employees, agents, contractors and professional advisors on a need to know basis and to others having a legal right or duty to know that information.

10.2. The obligations under this Clause, shall not apply to information which is in or comes into the public domain disclosure or required to be disclosed:

- (i) By official authority in accordance with the applicable laws.
- (ii) Has been disclosed pursuant to the requirements of law or court order without restrictions or other protection against public disclosure, provided however that the other party shall have been given a reasonable opportunity to resist disclosure and /or to obtain a suitable protective order.

11. Dispute Resolution & Jurisdiction:

Any disputes shall be resolved amicably through mutual consultation. If unresolved, they will be referred to a joint committee nominated by the heads of both parties.

No party shall be entitled to go to the 'court of law'. Except otherwise it is advised by the arbitration committee.

12. Undertaking by RTTC and MRCE:

- 13.1 The parties hereto undertake to work closely and cooperate in the implementation of this MoU and to endeavor to resolve disputes arising between them in relation to this MoU by amicable means. In the event that the parties are unable to resolve any dispute by amicable means, then this memorandum of Understanding may be terminated by mutual consent of the two parties.
- 13.2 The parties to this MoU by the below or their authorized representatives acknowledge having read and understood the MoU and agree to be bound by its terms and conditions.

13. Intellectual Property Rights:

The course material will be developed by RTTC. The dissemination of the soft copies of the course material will be done by RTTC. The copyright on the course material will vest with RTTC.
