ENGINEERING

Introduction

The esteemed program "Kartavya Bodh Divas" was successfully conducted at Malla Reddy College of Engineering on the 18th of January 2025. The event was organized to inspire and guide the faculty members towards realizing their responsibilities as educators and creating a transformative impact on students and society.

Objective

The theme of the program, "Realization of Responsibilities for Teachers," aimed to enhance awareness, accountability, and a sense of purpose among educators by emphasizing their critical role in shaping future generations.

The session explored various aspects of teaching responsibilities, including classroom management, student support, professional growth, and fostering an inclusive learning environment.

Dignitaries and Attendees

The program was graced by the presence of Dr. M. Ashok, Principal of Malla Reddy College of Engineering, along with various Deans and Heads of Departments, including CSE, CSE

(AI & ML), CSE (DS), and ECE. Faculty members from all departments actively participated in the event.

Resource Person

The session was conducted by the renowned Mr. V. Venkata Ramana, Director of HIMS Training & Solutions Pvt. Ltd. Hyderabad. Mr. Venkata Ramana is a distinguished trainer with extensive expertise in communication skills, soft skills, and professional development.

His rich profile includes training professionals from diverse sectors, serving as a core faculty member at the Vivekananda Institute of Human Excellence, and conducting workshops for various prestigious organizations.

Address by Principal Dr. M. Ashok

Resource person Mr. V. Venkata Ramana

Key Highlights of the session

1. Meaning of Realization and Responsibilities

- Awareness: Recognizing the role, duties, and influence of a teacher.
- Acknowledgment: Understanding and accepting the importance of one's responsibilities.
- Insight: Gaining a deeper understanding of the challenges and rewards of the teaching profession.

2. Understanding Responsibilities:

- Duties: Meeting expectations associated with specific teaching tasks.
- Accountability: Being answerable for actions, decisions, and student outcomes.
- Obligations: Commitment towards students, colleagues, parents, and the institution.

3. Achieving Excellence as Educators:

- Emphasis on reliability, transparency, and effective communication.
- Importance of producing tangible results and creating a supportive learning environment.

4. Key Responsibilities of Teachers:

- Lesson planning and delivery.
- Providing constructive feedback and assessment.
- Managing classrooms and guiding students.
- Professional development and maintaining confidentiality.

5. Inspirational Insights:

- Swami Vivekananda's philosophy on real education and self-awareness.
- Mahatma Gandhi's emphasis on holistic development (Head, Heart, and Hands).

Outcome

The program inspired participants to reflect on their teaching practices and embrace their roles with renewed dedication. The session highlighted the transformative potential of teachers in shaping the lives of their students and emphasized the importance of continuous learning and self-improvement.

Felicitation of resource person by Principal Dr. M. Ashok

Conclusion

"Kartavya Bodh Divas" served as a platform to empower educators with the insights and tools needed to fulfill their responsibilities effectively. The event left a profound impact on all attendees, reinforcing their commitment to fostering academic excellence and holistic development in their students. The management extended heartfelt gratitude to Mr. V. Venkata Ramana for his invaluable contribution and to all participants for their enthusiastic engagement.
