MALLA REDDY COLLEGE OF ENGINEERING

A REPORT ON GURU VANDANAM PROGRAM

DATE: 24/07/2024 VENUE: SEMINAR HALL, MRCE

Page **1** of **10**

The Guru Vandanam program held on 24th July 2024 in the MRCE Seminar Hall. With enthusiastic participation from all faculties and students, the event exemplified reverence and gratitude towards teachers who play a pivotal role in shaping the academic and personal growth of students. **Dr. P. Bhaskara Yogi Garu** was invited as the chief guest for this occasion. The program featured touching speeches highlighting the profound impact of the mentors. It was a poignant reminder of the strong bond between educators and learners, fostering a spirit of respect and admiration within the MRCE community. More than two hundred faculty members and students participated in the program.

POSTER FOR THE EVENT

The Guru Vandanam program at MRCE Seminar Hall commenced with a ceremonial lighting of the lamp by esteemed dignitaries: Principal Dr. M. Ashok Garu, Vice Principal Dr. T V Reddy Garu, and Chief Guest Dr. P Bhaskara Yogi Garu. This traditional ritual symbolized the illumination of knowledge and wisdom, marking the auspicious beginning of the event.

Lighting the Lamp Ceremony by the Dignitaries

Following the lighting ceremony, Principal **Dr. M. Ashok Garu** delivered a warm and gracious welcome note, extending heartfelt greetings to all present and setting the tone for an evening dedicated to honoring the invaluable contributions of our esteemed faculty members.

DR. M. ASHOK- Principal, MRCE while delivering the welcome note

The Principal Dr. M. Ashok Garu in his welcome note introduced a visionary initiative titled **"One Teacher One Plant."** This innovative idea aims to instill a sense of environmental stewardship among faculty members by encouraging each teacher to nurture and care for a plant within the campus premises and outside also. Beyond its ecological significance, the initiative symbolizes the nurturing role of educators in shaping not only minds but also fostering a sustainable future. By linking the growth of plants with the growth of knowledge and character, the program underscores the interconnectedness between education and environmental responsibility, inspiring a community-wide commitment to both academic excellence and environmental sustainability at MRCE.

The Vice Principal Dr. T V Reddy Garu shared his insightful thoughts on the importance of mentorship and the profound impact of teachers on the lives of students. Following his address, Dr. Reddy Garu graciously introduced the esteemed Chief Guest, Dr. P Bhaskara Yogi Garu, by presenting a detailed profile highlighting his significant contributions and achievements in academia and beyond. This introduction not only honored the Chief Guest but also set the stage for an enriching discourse on education and leadership during the event.

Dr. T V Reddy Garu is introducing the Chief Guest

During the Guru Vandanam program at MRCE Seminar Hall, the **Chief Guest, Dr. P Bhaskara Yogi** Garu, captivated the audience with his engaging speech that seamlessly blended humor with profound insights. Speaking for nearly an hour, Dr. Yogi Garu charmed the audience with his comic tone while delivering serious reflections on the significance of the Guru Vandanam program.

He eloquently shared personal anecdotes and experiences, illustrating the transformative role of teachers in shaping individuals and societies. His address resonated deeply with attendees, highlighting the importance of honoring and appreciating educators for their invaluable contributions to education and personal growth. His speech not only entertained but also inspired a renewed appreciation for the teaching profession among all present.

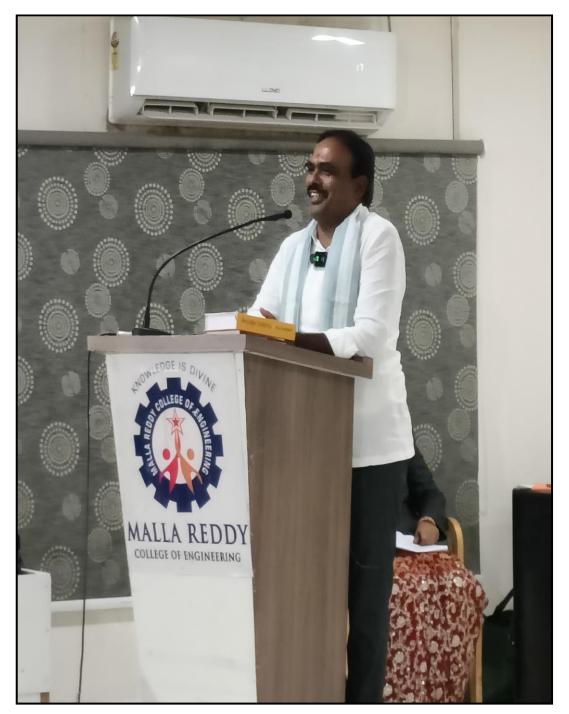

Honoring the Chief Guest by Dr. M Ashok Garu

Dr. P Bhaskara Yogi Garu delivered a profound and enlightening address on the essence of a guru or teacher, their defining characteristics, and their pivotal role in shaping students' personalities and contributing to nation-building.

He began by exploring the timeless concept of a guru, highlighting that beyond being mere instructors, gurus are mentors who guide, inspire, and nurture their students. He emphasized that a true guru embodies qualities such as profound knowledge in their field, empathy towards their students' struggles, patience in teaching, and a commitment to moral and ethical values. These characteristics, he argued, form the bedrock of effective education and character development.

In his speech, Dr. Yogi Garu articulated how teachers play a crucial role not only in imparting academic knowledge but also in cultivating critical thinking, creativity, and leadership qualities among students. He emphasized that gurus have the power to shape the future generation by instilling in them a sense of responsibility towards society, respect for diversity, and a commitment to contribute positively to the nation's progress.

Chief Guest Dr. P Bhaskara Yogi Garu

Furthermore, Dr. Yogi Garu underscored the significant role of teachers in nation-building. He elaborated on how educators contribute to the socio-economic development of a country by nurturing skilled professionals, ethical leaders, and responsible citizens. Through their dedication and guidance, teachers mold individuals who are not only academically proficient but also socially conscious and morally upright, thus laying a strong foundation for a prosperous and harmonious society.

Felicitation to the Chief Guest by Principal and Vice Principal Sir

The Guru Vandanam program at MRCE Seminar Hall was expertly guided by **Ms. Khaleda Begum**, Assistant Professor of Chemistry, who served as the event's compere. With her eloquence and poise, Ms. Begum skillfully navigated the proceedings, ensuring a smooth flow of events and engaging the audience throughout the program.

Following the enriching sessions and speeches, **Mr. M Sreekanth**, Assistant Professor of Physics from the Department of Humanities and Sciences, delivered a heartfelt vote of thanks. Mr. Sreekanth expressed sincere gratitude to all participants, including the faculty, students, and honored guests, for their contributions to the success of the event.

Ms. Khaleda Begum while Anchoring Mr. M Sreekanth presenting Vote of thanks

The success of the Guru Vandanam program at MRCE Seminar Hall owes much to the diligent efforts of an esteemed organizing committee comprised of highly regarded faculty members. Led by dedicated individuals known for their expertise and commitment to academic excellence, the committee worked tirelessly to meticulously plan and execute every aspect of the event. Their collective efforts ensured seamless coordination of activities, from inviting distinguished guests to decorating the stage and managing logistics. Through their unwavering dedication and teamwork, the organizing committee upheld the spirit of honoring teachers and fostering a sense of unity within the MRCE community.
