ABOUT MRCE:

Malla Reddy College of Engineering has been established under the aegis of the Malla Reddy Group of institutions in the year 2005, a majestic empire, founded by chairman Sri. Ch. Malla Reddy. He has been in the field of education for the last 22 years with the intention of spearheading quality education among children from the school level itself. Since the beginning Mr. Malla Reddy has endeavoured to ensure quality education and carved a niche for himself by managing this group of institutions. Malla Reddy College of Engineering has been laid upon a very strong foundation and has ever since been excelling in every aspect. The bricks of this able institute are certainly the adept management, the experienced faculty.

The Department of Mechanical Engineering has 11 teaching and 5 supporting staff, well experienced both in academic & industry. Fully equipped Laboratories as per the Curriculum.

ABOUT THE PROGRAM

Join our 5 Days Faculty Development Program on "Integrating Fusion 360 into Technical Drawing" for an immersive learning experience that promises to revolutionize your teaching. In this program, you'll acquire the skills and knowledge needed to harness the full potential of Fusion 360, Autodesk's state-of-the-art design software, for precision Engineering drawing. This program not only enhances your proficiency but also provides opportunities to network with a vibrant community of educators. Upon completion, you'll receive a certification, validating your expertise in Fusion 360 integration, equip yourself to inspire the engineers and designers of tomorrow by enrolling in this transformative program that empowers you to shape the future of technical drawing education.
