The event was graced by two distinguished guests—Smt. CH Shalini Reddy, Managing Director of MRGI, and Sri. Ch. Malla Reddy, Founder Chairman of MRGI and Hon'ble Member of Legislative Assembly (Medchal). The dignitaries were

warmly welcomed by Dr. M Ashok, Principal of MRCE, who extended heartfelt greetings on behalf of the entire college community.

As part of the ceremonial welcome, **Smt. CH Shalini Reddy** was adorned with a tilak and offered flowers as a mark of respect and reverence. Following this, she performed a deeply symbolic act by placing flowers at the feet of Hindu deities placed near the entrance. This gesture connected the spirit of Republic Day with India's rich cultural heritage, emphasizing the harmony between modern constitutional values and age-old traditions.

Next, **Sri. Ch. Malla Reddy** was welcomed with equal enthusiasm. He was also presented with flowers and honored through a traditional tilak ceremony. As a revered leader and visionary founder of MRGI, his presence added immense significance to the occasion. Both dignitaries expressed their gratitude for the warm reception and shared their excitement about participating in the day's events.

The formal proceedings of the Republic Day celebrations commenced with the flag hoisting ceremony. Smt. CH Shalini Reddy took center stage as she unfurled the national flag amidst a sea of students, faculty members, and staff gathered in front of the main block. As the flag soared high, the audience stood in solemn silence, reflecting on the sacrifices made by countless freedom fighters and leaders who laid the foundation of modern India. The ceremony concluded with the singing of the National Anthem, which echoed melodiously across the campus. Everyone joined in unison, their voices filled with pride and patriotism, creating an atmosphere of collective reverence for the nation.

NSS Parade by NSS Students

Adding vibrancy and energy to the outdoor segment of the program was the parade conducted by second-year students of the National Service Scheme (NSS).
