MALLA REDDY COLLEGE OF ENGINEERING

Department of Humanities and Sciences, Malla Reddy College of Engineering hoisted Rangoli, Mehendi, and Painting Making Programme

On 28th September 2024, the Department of Humanities and Sciences (H&S) at Malla Reddy College of Engineering organized a vibrant Rangoli and Mehendi Making Program at the premises of the H&S Block. The event aimed at developing creativity and teamwork among students, with participation from both first-year and second-year B.Tech students.

The program saw enthusiastic participation, with a total of 35 Rangoli groups and 12 Mehendi groups showcasing their talents. Furthermore, 60 students actively took part in the Painting competition, making the event an inclusive celebration of art and creativity. The event targeted the first-year and second-year B.Tech students, providing them with a platform to express their artistic skills and engage with peers in a positive and inspiring environment.

Best Rangolis

Some Mehendi Designs by Students

The event commenced at 1:30 pm with a welcome address by the Principal, Dr. Maram Ashok Garu, followed by remarks from the Vice Principal, professor Dr TV Reddy Garu, and professor Dr Sneha Joshi Garu, the Head of the Department of Humanities and Sciences. The welcome speeches highlighted the importance of creative expression alongside technical education, encouraging students to embrace such opportunities. The program was presided by Mrs. P. Anuradha, Assistant Professor of English from, from the H&S Department, who skilfully guided the audience through the event. Some of best paintings drawings and sketching are given bellow:

Beast painting and sketching

The smooth management of the program was accomplished by assistant professor, Mr. N. Arjun & Mrs. Nagamani from the Discipline Committee, ensuring that the participants could focus on their artistic endeavours without interruptions. The event ran successfully from 1:30 pm to 4:00 PM. The Rangoli, Mehendi, and Portrait Making Program was a remarkable success, providing students providing students have a meaningful experience that combines learning and creativity.

Prize Distribution

An exciting prize distribution program was also organized by the Department of Humanities & Sciences, Malla Reddy College of Engineering, on the auspicious day of Bathukamma, i.e. 4th October 2024. The successful students in various fields such as Rangoli making, Mehendi making, portrait making etc. had to be honoured at the function. Smt. Ch Shalini Reddy Garu, the executive director of Malla Reddy Group of Institutions (MRGI), Smt. Triveni Vangari Garu, Professor, University of Hyderabad, Professor Dr Maram Ashok Garu, Principal Malla Reddy College of Engineering, Professor Dr Sneha Joshi Garu, Head of the Department,

Humanities & Sciences, and faculty members were present in the ceremony to make it complete and successful.

Smt. Ch Shalini Reddy Garu delivered a lecture on the importance of Bathukamma festival highlighting Telangana's unique traditions and heritage, symbolizing the region's cultural identity. She also congratulated the students for their creative and artistic talents which they have shown in their paintings, Rangolis and Mehedis.

Professor Dr M. Ashok Garu also gave an inspiring speech on the history and cultural significance of Bathukamma and the importance of participating in cultural functions, and competitions organized by the institution, as these events play a crucial role in preserving and promoting cultural heritage.

Dr. M Ashok, Principal MRCE, is addressing the gathering
