Report on Teachers Day Celebrations

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

In 1962, when Dr. Sarvapalli Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as **Teachers' Day** in India.

Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the country. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

The Teacher's Day was organized with incredible gusto and zeal in the Seminar Hall of the Institute. The celebration took place at 2.30 PM. with inaugural dance by Virtuoso: Rashmitha.
