INFORMATION TECHNOLOGY**

# MALLA REDDY COLLEGE OF ENGINEERING

( Approved by AICTE( New Delhi) , Permanently Affiliated to JNTUH )

Recognised under Section 2(f) & 12(B) of the UGC Act 1956, An ISO 9001:2005 Certified Institution.

DEPARTMENT OF  
COMPUTER SCIENCE AND ENGINEERING & INFORMATION TECHNOLOGY  
ORGANIZES

## INNOVATE XPRESS

### Level 1:

- Warm-up round
- Focus on speed & logical thinking
- Solve using C, Python, Java

### Level 2:

- Advanced coding challenge
- Tests efficiency, optimization & depth of understanding
- Implemented in C, Python, Java

Date:  
12<sup>TH</sup> SEPT, 2025  
VENUE:  
MRCE

**REGISTRATION FEE**

**50/-**

#### PATRON

Dr. ASHOK MARAM  
Principal, MRCE

#### CONVENER

DR. MANJUNATH GADIPARTHI  
Head, Dept of CSE & IT

#### CO-CONVENER

Dr. G.SRAVANTHI  
Mrs. VAMSI PRIYA  
Mrs. PUSHPA JOSHI  
Ms. SUFIA ENAYAT

#### COORDINATOR

Dr. L. V. RAMESH  
Dr. KANDE ARCHANA  
Ms. SUFIA ENAYAT

#### MEMBERS

TECHIE HUB &  
INNOVATION  
CLUB TEAM

# MALLA REDDY COLLEGE OF ENGINEERING

Recognised under Section 2(f) & 12(B) of the UGC Act 1956, An ISO 9001:2015 Certified Institution  
Maisammaguda, Kompally, Dhulapally, Secunderabad – 500100

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING & INFORMATION TECHNOLOGY

**EVENT NAME**: INNOVATE XPRESS

**EVENT TYPE**: MINI-HACKATHON

**PROPOSED DATE & TIME**: 12TH SEPTEMBER, 10:00 AM

**DURATION**: 1 DAY

**VENUE**: 109 LAB, 1<sup>ST</sup> FLOOR, BLOCK-1

**EXPECTED AUDIENCE**: STUDENTS OF 1<sup>ST</sup>, 2<sup>ND</sup> & 4<sup>TH</sup> YEAR CSE&IT.

**JURY PANEL**: MR.DR.VIVEKANANDHAN, MRS.DR.KANDE.ARCHANA,  
MRS.DR.G.SRAVANTHI.

## EVENT OBJECTIVES

1. **Promote Logical & Analytical Thinking**:

- Encourage participants to solve problems using speed, accuracy, and logical reasoning.

2. **Enhance Coding Skills**:

- Provide a platform for students to practice and showcase programming abilities in C, Python, and Java.

3. **Test Problem-Solving Efficiency**:

- Challenge participants with real-time coding tasks that test optimization, efficiency, and in-depth understanding.

4. **Encourage Innovation & Creativity**:

- Motivate students to think outside the box while solving problems with unique approaches.

5. **Prepare for Competitive Programming**:

- Develop readiness for hackathons, coding contests, and technical interviews by simulating a competitive coding environment.

# EVENT DESCRIPTION

**Innovate Xpress is a flagship coding competition organized by the Department of Computer Science & Engineering and Information Technology, Malla Reddy College of Engineering. The event is designed to identify, nurture, and showcase programming talent among students, providing them with a platform to test and refine their coding abilities.**

It comprises two progressive levels:

- **Level 1 (Warm-up Round):**

Focuses on speed, accuracy, and logical reasoning where participants solve short problems using C, Python, or Java. This stage is intended to warm up participants and evaluate their problem-solving pace.

- **Level 2 (Advanced Coding Challenge):**

Aims at testing the depth of technical knowledge, efficiency, and optimization skills of participants. This round pushes students to develop well-structured, optimized, and scalable solutions.

- The competition emphasizes real-world coding practices, bridging the gap between academic knowledge and practical problem-solving.
- By simulating a competitive programming environment, the event prepares students for hackathons, coding competitions, and placement drives, where problem-solving speed and efficiency matter most.
- Innovate Xpress not only evaluates technical expertise but also promotes critical thinking, innovation, and resilience in tackling challenges.
- The event encourages a spirit of healthy competition and peer learning, helping students to collaborate, exchange ideas, and grow together as a community of problem solvers.

**Ultimately, Innovate Xpress serves as a launchpad for budding programmers, motivating them to aim higher, enhance their coding proficiency, and contribute to technological innovation.**

## TARGET AUDIENCE & PARTICIPATION

- STUDENTS FROM 1ST AND 2ND YEAR CSE AS WELL AS 4TH YEAR STUDENTS FROM ALL DEPARTMENTS ARE ELIGIBLE TO PARTICIPATE.
- EXPECTED NUMBER OF PARTICIPANTS = 100+

# INVITATION

We extended formal invitations to our esteemed Principal Sir, HOD Sir, and Head of ECE , Head of DS , seeking their valuable permission and support for the Innovate Xpress Mini Hackathon. Their approval and encouragement paved the way for a successful event, and we're grateful for their trust in our initiative.

# INAUGURATION

The Innovate Xpress Mini Hackathon was inaugurated in the presence of our esteemed Techie Hub officials, including President , Secretary , and Vice-President , along with our dedicated Faculty Coordinators and enthusiastic student Coordinators. The ceremony set the tone for an engaging and informative Mini Hackathon, highlighting the collaborative spirit of our tech community.

# COMPETITION

Participants collaborated in teams to ideate, design, and develop functional web applications, gaining valuable experience in coding, version control, teamwork, and project management. The competition not only encouraged creativity and innovation but also promoted the importance of contributing to open source communities. By the end of the Mini Hackathon, students showcased their applications, demonstrating both technical skills and problem-solving abilities. The best projects were recognized for their design, functionality, and effective use of open source resources. This initiative empowered students to take their first steps into the open source ecosystem, preparing them for future endeavors in software development and community collaboration.

# EVALUATION CRITERIA

## Round 1 – Warm-up (Speed & Logic):

- **Logical Accuracy (30 pts):** Correctness of outputs for given problems.
- **Speed & Efficiency (40 pts):** Time taken to solve problems and handle test cases.
- **Designing & Presentation(30 pts):** Clarity, creativity, and structured presentation of the solution.

## Round 2 – Advanced Coding Challenge:

- **Technical Implementation (50 pts):** Quality of code, functionality, and proper application of programming concepts.
- **Optimization & Efficiency (30 pts):** Handling of time/space complexity, edge cases, and scalable solutions.
- **Creativity & Problem-Solving Approach (20 pts):** Innovative ways of structuring the solution, not just brute force.

## Evaluation Process:

The evaluation of Innovate Xpress followed a two-stage process to ensure fairness, transparency, and credibility in the final results.

### • Round 1 – Faculty Evaluation:

Faculties reviewed all submissions, assessed them based on creativity, relevance, and adherence to the problem, and shared the compiled zip files with the organizing team.

### • Round 2 – AI Evaluation:

An AI system filtered the submissions, analyzed key parameters (accuracy, innovation, quality), and declared the winners through an unbiased automated process.

This dual-layered evaluation mechanism—combining human expertise with AI efficiency—helped ensure that the best-performing teams were recognized fairly.

## Evaluation Criteria:

Our project will be evaluated based on the following parameters:

1. Innovation & Creativity – 30%
2. Design & User Experience – 20%
3. Technical Implementation – 20%
4. Impact & Usefulness – 20%
5. Completeness – 10%

# PRIZE DISTRIBUTION

The prize distribution ceremony was one of the most anticipated moments of the Innovate Xpress Mini Hackathon. As part of the proceedings, the winners and runners-up were invited onto the dais to briefly present and explain their projects, giving the audience a glimpse into their innovative ideas and technical execution. Their presentations showcased creativity, problem-solving skills, and effective use of open source technologies, earning well-deserved appreciation from both the jury and the audience. Following the presentations, awards and certificates were presented to the winners and runners-up by the esteemed guests, marking a proud moment for the participants and a successful conclusion to the competition. This segment not only recognized excellence but also inspired other students to aim high and participate actively in future events.

## ACE PERFORMER

The winner **M. Mahesh Kumar Reddy** won Innovate Xpress for presenting an innovative and impactful idea that addressed a major academic challenge faced by students — the frequent loss of lab notes, screenshots, and experiment results before examinations. The proposed digital lab management platform offers a secure and organized solution for storing all lab-related materials in one place, ensuring easy access and preventing data loss.

## ELITE PERFORMER 1

The **Runner-Up 1 Mudavath Akshara** for presenting a solution addressing the challenge students face in choosing the right career path, such as AI, Web Development, Cybersecurity, or Data Science. The project proposed a personalized career guidance platform that provides tailored recommendations, resources, and mentorship to help students make informed decisions and confidently plan their future careers.

## ELITE PERFORMER 2

The **Runner-Up 2 Deeravath Jagadish Nayak** in InnovateXpress for presenting a solution to the challenge of managing attendance and marks, which are often maintained manually on paper or Excel. The project proposed a digital academic management system that allows teachers and class representatives to efficiently record, update, and search attendance and marks, improving accuracy, accessibility, and overall academic workflow.

## ORGANIZING TEAM

Captured after the successful completion of the Innovate Xpress, this group photo showcases the hard-working and dedicated organizing team who made the event a grand success. With bright smiles and a sense of accomplishment, the team members—comprising both male and female students—pose proudly together. Dressed in casual college attire, they stand united in front of a projector screen displaying the Mini Hackathon title. Their energy and teamwork are evident, highlighting the collective effort that went into making the Mini Hackathon engaging and impactful for all participants. This photo symbolizes their collaboration, determination, and the successful outcome of the event.

Harshini Bollineni	24Q3IA0503	CSE/E/2ND YEAR	harshinibollineni7@gmail.com	Project groups need a distraction-free communication tool because social media chat apps mix personal and academic conversations.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
SREEMANYI	24Q3IA0587	CSMB/1ST	sreemany124@gmail.com	Study groups get distracted on WhatsApp/Discord due to memes and unrelated notifications.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
K.MANISHA	24Q3IA0588	CSE/B/4th	k.mmanishanish07@gmail.com	Students interested in cybersecurity rarely find safe environments to practice ethical hacking, and practicing on real websites is illegal.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
Girishina Koushik	24Q3IA0580	Cse b 2nd year	24q3ia0580@mpce.in	Students spend hours formatting resumes instead of focusing on content.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
EERAVATHI JAGADISH NAYAN	24Q3IA0561	CSE/F/2025	deeravathijagadish31@gmail.com	Teachers and class representatives still maintain attendance and marks on paper or Excel, making it difficult to update or search.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
DADDALA SAMATHA	24Q3IA0586	CSE/B/4	daddalasamatha@gmail.com	Students often feel lost about which career path to choose (AI, Web Development, Cybersecurity, Data Science) and lack personalized guidance.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
MUZAMIL HUSSAIN	24Q3IA0508	CSE-E	24Q3IA0508@mpce.in	Students frequently miss assignment deadlines or lab submissions because they forget dates and lack proper reminders.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
Mudawath Alshara	24Q3IA0761	CSDE/1st year	980186318	Students often feel lost about which career path to choose (AI, Web Development, Cybersecurity, Data Science) and lack personalized guidance.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
Liber	24Q3IA0532	CSM 1ST YEAR	lakkshmi@gmail.com	Students often waste time reentering the same code (like sorting, searching, or DB connections) because they lose track of old snippets.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
m.mahesh kumar reddy	24Q3IA0537	csmb-1st year	mmaheshreddy955@gmail.com	Many students lose their lab notes, screenshots, and experiment results before exams, leading to stress and repetition of work.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
YANJAGAMULA KARTHIK	24Q3IA0522	CSE/E/2	yjanjagamula@gmail.com	Students often feel lost about which career path to choose (AI, Web Development, Cybersecurity, Data Science) and lack personalized guidance.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>
VASUJI A SHIVANI	24Q3IA0541	FCF/1st	vasujia0507@gmail.com	Students spend hours formatting resumes instead of focusing on content.	<a href="https://drive.google.com/opens?id=1M...">https://drive.google.com/opens?id=1M...</a>

# FEEDBACK FORM

Full Name	Roll Number	Department / Year	Did you attend today's event	How would you rate today's	What part of the event did you like	Any suggestions for improvement	Would you like to attend this event
Padma Sri Swasthik	25Q91A0531	CSE / 2ND YEAR	Yes	3	Level - 2	No	Yes
M.mahesh kumar reddy	25Q91A6697	CSM-B	Yes	4	Support from seniors	lacked explanation about topic	Yes
