(Approved by AICTE(NewDelhi),Affiliated to JNTUH & Accredited by NBA(CSE&ECE))

Recognised under Section 2(f) & 12(B) of the UGC Act 1956, An ISO 9001:2015 Certified Institution Maisamma Maguda, Kompally, Dhulapally, Secunderabad - 500100

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

**EVENT NAME** : DevOps MasterSprint 2.0

**EVENT TYPE** : WORKSHOP

**PROPOSED DATE & TIME** : 31<sup>st</sup> October 10:00 AM, 1<sup>st</sup> November

**DURATION** : 2 DAYS

**VENUE** : 109 LAB, 1<sup>st</sup> FLOOR, BLOCK-2

**EXPECTED AUDIENCE** : STUDENTS OF 3<sup>rd</sup> YEAR CSE

**JURY PANEL** : DEVOPS FACULTY

## EVENT OBJECTIVES:

- **Educate Students on Version Control Tools**: Introduce Git and GitHub, explaining their key features, workflows, and importance in software development.
- **Enhance Practical Git Skills**: Offer hands-on practice with repositories, commits, branches, merges, and collaboration on GitHub.
- **Encourage Collaboration & Teamwork** : Promote teamwork through shared repositories and real-world collaborative workflows.
- **Foster Innovation Through Projects**: Engage students in creative projects using Git and GitHub to apply version control skills.
- **Bridge the Gap Between Academia & Industry Practices**: Show how Git and GitHub integrate into academic, research, and professional development.
- **Prepare Students for Future Tech Careers**: Equip students with essential DevOps and teamwork skills to enhance career readiness.

# EVENT DESCRIPTION:

The workshop will be an interactive and hands-on session aimed at educating students on the effective use of Git and GitHub for version control and collaborative software development. The event will be structured into the following phases:

1. **Introduction to Git & Version Control:**

Participants will be introduced to the fundamentals of version control systems, the architecture of Git, and its importance in modern DevOps practices. The session will highlight how Git helps in managing code changes and enabling teamwork in real-world projects.

2. **Exploring Git Commands:**

Students will learn and practice essential Git commands such as init, clone, add, commit, branch, merge, pull, and push. The facilitators will demonstrate how these commands are used to track changes, manage repositories, and collaborate on GitHub.

3. **Hands-on Repository Practice:**

After understanding the basics, participants will work on guided exercises to create and manage repositories, resolve merge conflicts, and collaborate in teams. This phase emphasizes practical application of Git workflows in real-time scenarios.

4. **Team Challenge & Recognition:**

In the final phase, participants will take part in a short Git challenge where they will apply their knowledge to complete version control tasks collaboratively. Top-performing teams will be recognized for their effective use of Git and teamwork.

This workshop aims to enhance students' understanding of version control, improve their practical Git skills, and prepare them for collaborative development in both academic and professional environments.

# TARGET AUDIENCE & PARTICIPATION:

- THE STUDENTS OF 3RD YEAR CSE DEPARTMENT CAN PARTICIPATE
- EXPECTED NUMBER OF PARTICIPANTS - 60+

# PREPARATION:

As coordinators of the DevOps Club Workshop: Mastering Git & Version Control, we poured our hearts into every stage of planning to create an engaging, hands-on learning experience. From curating practical content to organizing interactive sessions, our goal was to help students gain real-world exposure to collaborative development and version control practices. Through teamwork and dedication, we successfully empowered participants to explore the power of Git and GitHub—making the workshop a truly rewarding and impactful experience!

# INVITATION

We extended formal invitations to our esteemed Principal Sir, Head of the Department, and Third-Year Faculty Coordinators, seeking their kind permission and support for organizing the DevOps Workshop. Their encouragement and approval played a significant role in the successful conduct of the event, and we sincerely express our gratitude for their continuous guidance and trust in the DevOps Club.

# COMPETITION

Participants worked collaboratively in teams to conceptualize, design, and implement DevOps-based projects, gaining hands-on experience in automation, version control, CI/CD pipelines, and collaborative project management. The competition fostered creativity, innovation, and practical understanding of DevOps principles, while emphasizing the importance of teamwork and industry-oriented skills.

By the conclusion of the workshop, students presented their projects, showcasing their technical expertise, problem-solving abilities, and integration of DevOps tools and practices. The best-performing teams were recognized for their project execution, innovation, and effective application of DevOps methodologies.

This initiative not only strengthened participants' technical foundations but also inspired them to pursue continuous learning and collaboration in the field of DevOps and software development

# EVALUATION

The projects developed during the DevOps Workshop were evaluated based on key criteria such as innovation, functionality, automation efficiency, teamwork, and the effective implementation of DevOps tools and practices. Each team presented their project to the jury, demonstrating their technical proficiency, creativity, and collaboration in applying DevOps concepts to real-world scenarios.

The evaluation was conducted by a distinguished panel comprising Mrs. Pushpa Joshi, Head of the Third Year, and Dr. Manjunath Gadiparti, Head of the Department. Their expertise, valuable insights, and constructive feedback ensured a fair and comprehensive assessment of all projects. Their encouragement and appreciation motivated the participants to further strengthen their understanding and application of DevOps methodologies in future projects.

# FELICITATION

The DevOps Workshop concluded successfully with an engaging felicitation ceremony that celebrated the dedication and enthusiasm of all participants. The event was graced by our Principal Sir and Head of the Department (HOD), who delivered inspiring speeches appreciating the students for their active involvement and encouraging them to further explore the evolving domain of DevOps and automation technologies.

The highlight of the ceremony was the prize distribution, recognizing the winners and runners-up of the DevOps project challenge for their innovative solutions, teamwork, and practical application of DevOps tools and methodologies. Certificates of participation were also presented to all attendees as a token of appreciation for their consistent effort and learning spirit throughout the workshop.

The felicitation ceremony not only marked the successful conclusion of the event but also served as a motivation for students to continue their journey of innovation, collaboration, and technical excellence.

## Address by Dr. G. Manjunath, Head of the Department – CSE

As part of the felicitation ceremony, Dr. G. Manjunath, Head of the Department – CSE, addressed the gathering with inspiring and encouraging words. He began by congratulating all the participants, winners, and runners-up of the DevOps Workshop for their enthusiasm, innovation, and active involvement throughout the event.

In his address, Dr. Manjunath highlighted the importance of such workshops in cultivating practical skills, teamwork, and problem-solving abilities among students. He emphasized the growing significance of DevOps practices in the current technological landscape and appreciated how student-led initiatives like this contribute to a culture of continuous learning and collaboration.

He further extended his full support and granted permission to organize similar technical workshops and events in the future, encouraging students to take initiative and lead meaningful learning experiences. Additionally, Dr. Manjunath Garu expressed his heartfelt appreciation to third-year student coordinators and the DevOps Club members for their outstanding effort, leadership, and coordination in ensuring the smooth and successful execution of the workshop.

His address served as a great source of motivation, reaffirming the department's commitment to supporting student-driven initiatives and fostering innovation through experiential learning.

## Address by Dr. Ashok Maram, Principal

During the felicitation ceremony of the DevOps Workshop, Dr. Ashok Maram, Principal of our institution, delivered an inspiring and impactful address. He began by congratulating the winners, runners-up, and all participants, appreciating their enthusiasm, dedication, and active participation throughout the workshop.

Dr. Ashok Maram emphasized the growing importance of DevOps technologies in the modern IT landscape and commended the initiative for providing students with hands-on exposure and real-world technical skills. He highlighted that such practical, student-led workshops play a vital role in bridging the gap between academic learning and industry requirements.

He proudly noted that only a few institutions organize events of this scale and impact, and praised the Department of Computer Science and Engineering for not only establishing student clubs but also effectively conducting value-driven technical events under them. This, he remarked, truly distinguishes the department and reflects its commitment to fostering innovation and holistic student development.

Dr. Maram also extended his heartfelt congratulations to Dr. G. Manjunath, Head of the Department – CSE, for his leadership, encouragement, and continued support of student initiatives. He further appreciated the third-year faculty coordinators and the DevOps Club organizing team for their professionalism and successful execution of the workshop.

In conclusion, Dr. Ashok Maram assured his full support and encouragement for organizing similar technical events and workshops in the future. His motivating words inspired students to keep innovating, learning, and leading in their respective domains.

# PRIZE DISTRIBUTION

The prize distribution ceremony was one of the most anticipated highlights of the DevOps Workshop. As part of the proceedings, the winners and runners-up were invited onto the dais to briefly present and explain their projects, offering the audience a glimpse into their innovative ideas, problem-solving approaches, and technical execution.

Their presentations demonstrated creativity, teamwork, and effective application of DevOps tools and practices, earning high praise from both the jury and the audience. Following the presentations, awards and certificates were presented to the winners and runners-up by the esteemed guests, marking a proud and memorable moment for all participants and signifying the successful conclusion of the workshop.

This segment not only celebrated excellence but also motivated other students to actively participate in future DevOps Club events, fostering a spirit of innovation, collaboration, and continuous learning within the department.

# CERTIFICATE FOR FACULTY COORDINATORS

In recognition of their invaluable support and contribution to the success of the DevOps Workshop, certificates of appreciation were presented to the faculty coordinators, jury members, and the co-convenor.

The faculty coordinators played a vital role in guiding the student organizers, overseeing various aspects of the event, and ensuring its smooth and efficient conduct. The jury members, with their expertise and insightful evaluation, provided valuable feedback that helped participants refine their projects and technical understanding. The co-convenor contributed significantly by managing logistics, coordination, and ensuring the seamless execution of the workshop schedule.

Their collective dedication, leadership, and support were instrumental in the success of the event. The presentation of certificates served as a sincere token of appreciation for their commitment, mentorship, and valuable contribution to the DevOps Workshop.

# ORGANIZING TEAM

Captured after the successful completion of the DevOps Workshop, this group photograph features the dedicated and enthusiastic organizing team whose collective effort made the event a resounding success. With bright smiles and a shared sense of achievement, the team members—comprising both male and female students—stand proudly together, reflecting the spirit of teamwork and collaboration that defined the workshop.

Dressed in smart casual college attire, the students pose in front of a projector screen displaying the DevOps Workshop title, symbolizing the culmination of their hard work and commitment. Their energy, coordination, and enthusiasm are clearly visible, highlighting the behind-the-scenes dedication that contributed to the smooth execution and engaging experience of the event.

This photograph stands as a tribute to the team's collaboration, leadership, and determination, celebrating the successful organization of yet another impactful initiative by the DevOps Club.
