4. Mr. PremKumar   -In charge TPO

No of students attended   : 21

BRIEF ABOUT THE EVENT:

The Alumni Association of Malla Reddy College of Engineering organized **"ALUMNI MEET 2024"**- a programme to facilitate, consolidate and coordinate Alumni Activities at Malla Reddy College of Engineering at Seminar Hall on 10th August 2024. The alumni meet is to reconnect with the Alumni and celebrate their success and various achievements. The Alumni started arriving in college by 10.00 a.m. and they were received by the registration team and they have been asked to fill the registration form & Feedback form. The Alumni Meet started with a welcome address by the student coordinator. The meeting was graced by the Principal Dr.M. Ashok sir

Alumni are the reflection of its past, a representation of its present, and a link to its future.

The alumni relationship has evolved significantly. Leveraging the alumni community can benefit both the institution and the alumni. Many are willing to give back to their alma mater as a sign of gratitude and affinity towards the institution.

The main objectives of the MRCE Alumni Association are:

1. Support system: This event has a powerful positive impact as it creates a network between the alumni and current academic students. This network serves as a support system where alumni can share their skills and experiences from academia and the job culture to support our students, institutions, and each other. Alumni are our most loyal supporters and our best ambassadors, offering invaluable marketing and promotion across their personal and professional networks. They also offer practical support to students in work placements and help them launch their careers. An engaged alumni network is beneficial because graduates who are involved are much more likely to want to "give back" to the institution.

2. Career Assistance in Employability: The alumni network provides real-life benefits for current students. Alumni also donate their valuable time to offer career support to current students, enhancing their experience and giving them a competitive edge in today's tough job market. A college's alumni network is one of the biggest sources of placement opportunities for students, as alumni can help students get placed at their respective organizations.

3. Mentoring the students: Alumni can actively participate in voluntary programs such as mentoring students in their areas of expertise. They can connect with students and share their knowledge and best practices in a specific field.

Alumni meet has started with the welcome dance by Lochani from 2nd year CSM and Rashmitha from 2nd year CSE

MRCE Alumni Association logo

Alumni Association Logo was launched by Principal Dr. M Ashok Sir

Vice Principal Dr. T.V. Reddy Sir has addressed the gathering

- Sir began the event with a warm welcome and expressed gratitude to the Alumni Gathering members.
- He encouraged alumni to visit the campus
- He talked about the beautification of the college campus, including new buildings, furniture, lift, ramps for accessibility, computer labs, workshops, biology and chemistry labs, canteen, library and digital library, parking, smart boards, medical center, IQAC cell, IIIC, EDC cell, placement cell, etc. There are many doctorates are available in the departments.
- He appreciated the principal's vision for taking the college to 1st place and closed with best wishes.

Dr. T V Reddy Sir- Vice Principal MRCE

Principal Dr. M Ashok Sir has addressed the gathering:

- Sir welcomed alumni with the bottom of his heart and said that according to the rules, an alumni association should be present in the institution.
- He shared the Vision and Mission of the college (MRCE).
- He discussed the concept of humanity and then requested support, suggestions, and experiences from the alumni for the benefit of the students, the college, and the society.
- Sir explained the alumni association's contribution to the poor and needy people and introduced the 3 students selected by the academic committee as beneficiaries.
- He introduced all the departments heads and the activities of R&D-Dr. Athirajan, CSE(HOD)-Dr.Manjunathan, Mech(HOD)-Dr. Vinoth kumar, H&S(HOD)- Dr. Sneha Joshi, Dean Student Affairs- Dr.Narsimha, Vice Principal- Dr. TV Reddy, Dean IQAC- Dr. Rajeshwaran, IT(HOD) - Mr. Lingappa, AI-ML(HOD)- Dr.Vignesh, CSD(HOD) - Dr.Gladson

Mario Britto, ECE(HOD)- Dr.Sampath, EDC & IIIC- Dr.Vivekanandan, Admin- Dr.Rajesh, TPO- Mr. Kumar, COE Mr.Ramakrishna, NSS Coordinator RatnaKumar.

- He talked about the courses offered for the development of student skills like the Cambridge course for communication skills in the 1st year, CRT classes from 2nd year.
- He recommended Alumni suggestions towards faculty, college, and students.
- He talked about the initiatives in college under the principal ex: Guruvandana programme, one faculty-one tree.
- He asked the alumni to provide genuine feedback. We value your input, suggestions, support, knowledge, and experience as they are crucial for the development of the college, faculty, students, and the community. Always share positive news and thoughts, and encourage your fellow students.
- Finally sir ended the speech with the slokhas proudly
  (लोकः समस्ताः सुखिनो भवन्तु - may everyone in the whole world be happy (global well-being)
  वसुधैव कुटुम्बकम् - All the people in the world are equal and one family.
- God Bless you!

Dr. M. Ashok Sir – Principal MRCE

Alumni's Speech

Mr. Elendra Chary, ECE Department, year – 2023

- He thanked the MRCE team for organizing the meet and he talked about the faculty who supported well in academics.
- His main suggestion is to provide the students with communication skills and equal opportunities to participate in organizing and coordinating the events
- He also suggested that the faculty should encourage the students to pursue employment, innovations, and gain ample knowledge through projects.
- He suggested finding the students' capabilities, providing them with more opportunities, and supporting their inventions.

Mr. Sudeep, ECE Department, year – 2012

- He was very surprised by the changes that happened at the college.
- He conveyed his appreciation for the initiatives carried out by MRCE.
- He wants to have a direct discussion with the students to guide them.

Mr. Jagadeesh, IT Department, year – 2023 batch working with Auto Industry.

- He suggested the importance of practical knowledge than theoretical
- He suggested that faculties should encourage students to pursue entrepreneurship.
- He wanted to contribute towards alumni association by interacting and guiding the students.
- In our college MRCE, the Alumni Association is doing a great thing by helping out financially disadvantaged people who don't have parents. It makes me really happy. Thanks for starting this initiative!

Ms. Deepthi, ECE Department, year – 2023

- She remembered her college days
- Her suggestion is to conduct more sports and NSS events
- Her main suggestion is that all faculties have to communicate in English with the students. So, those students will level up their English communication skill without fear.

- In the first year, she used to go to the library, but in the second, third, and fourth years, she did not go. She suggested that faculties should encourage students to go to the library regularly.
- She suggested doing more mock interviews and helping students secure internships, which would benefit the students.

Mr. Swamy, IT Department, year – 2023

- Mr. Swamy suggested that faculty should provide a detailed explanation of why students are studying a particular subject.
- Faculty should guide students to understand subjects, not just complete them.
- Students in the 1st year should receive step-by-step basic information, such as learning programs like C, C++, and Java. They should also learn where to implement this knowledge.

Suggestions & Feeback by Alumni

The program carried by Cake cutting by alumni for celebration of establishing the Alumni association

Under the **MRCE Alumni Association social responsibility** initiative the money contributed by Alumni was donated to students who are under privileged

Cheque of Rupees 10,000/- received by Ms. Khamiitkar Prachi -IT 2nd year

Cheque of Rs. 5,500/- received by Rangambai Mahender 2nd year CSE

Cheque of Rupees 10,000/- received by Ms. Gaddam Shanthi -ECE 2nd year

Mr. Kumar concluded the event by vote of thanks and assured the alumni that the Alumni talks will be arranged to guide the students and regular Alumni meets will be conducted.

The program was concluded with the group picture and plantation of the Alumni
