Interdepartmental games in an engineering college offer numerous benefits beyond just entertainment:

- ✓ Students learn to work as a team, share responsibilities, and solve problems together.
- ✓ Provides opportunities to take up leadership roles (e.g., team captain, event coordinator).
- ✓ Promotes fitness and a healthy lifestyle, which is crucial for students who often spend long hours studying or in labs.
- ✓ Acts as a stress reliever, improving mental health and academic performance.
- ✓ Encourages a sense of pride and belonging among students.
- ✓ Friendly competition motivates students and boosts morale.
- ✓ Provides a platform for students to showcase talents.
- ✓ Talented players may be selected for university or inter-collegiate events.

Technical Events by Department of CSE-DS

On the Occasion of PLAYGORITHM

The Department of Computer Science and Engineering (Data Science) is excited to announce a series of technical events as part of the PLAYGORITHM celebrations. These events aim to inspire innovation, critical thinking, and technical excellence among students.

🔊 Event Highlights:

Event 1: Debugging

Put your problem-solving skills to the test! Participants will be given buggy code snippets and must identify and fix the errors within a limited time. Accuracy, speed, and logic are key!

- ◆ Skill Focus: Logical thinking, programming knowledge, attention to detail
- ◆ Languages Covered: C, C++, Python

Event 2: Cross Puzzle

Challenge your tech vocabulary and problem-solving skills! Solve a crossword-style puzzle filled with clues related to computer science, data science, and programming concepts.

- ◆ Skill Focus: Technical knowledge, quick thinking, terminology recall
- ◆ Format: Individual or team-based

📍 Venue: MRCE

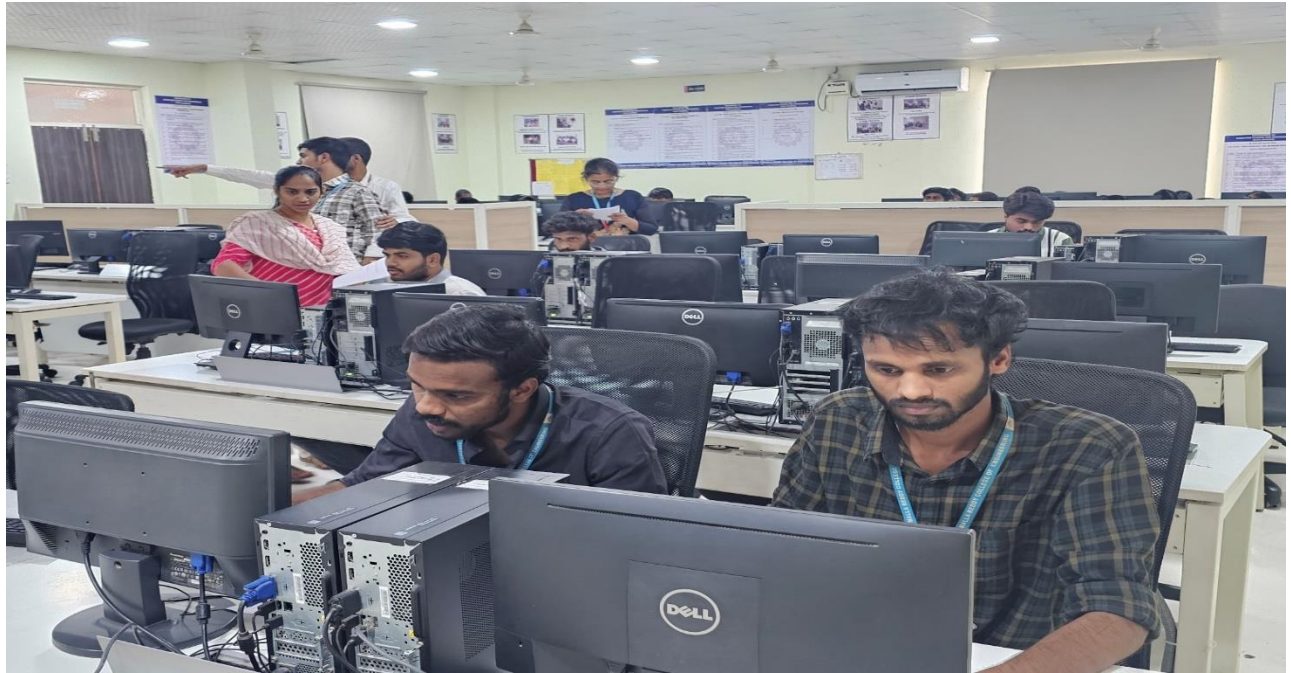

📅 Date: 26-04-2025

🕒 Time: 10:00AM-12:30PM

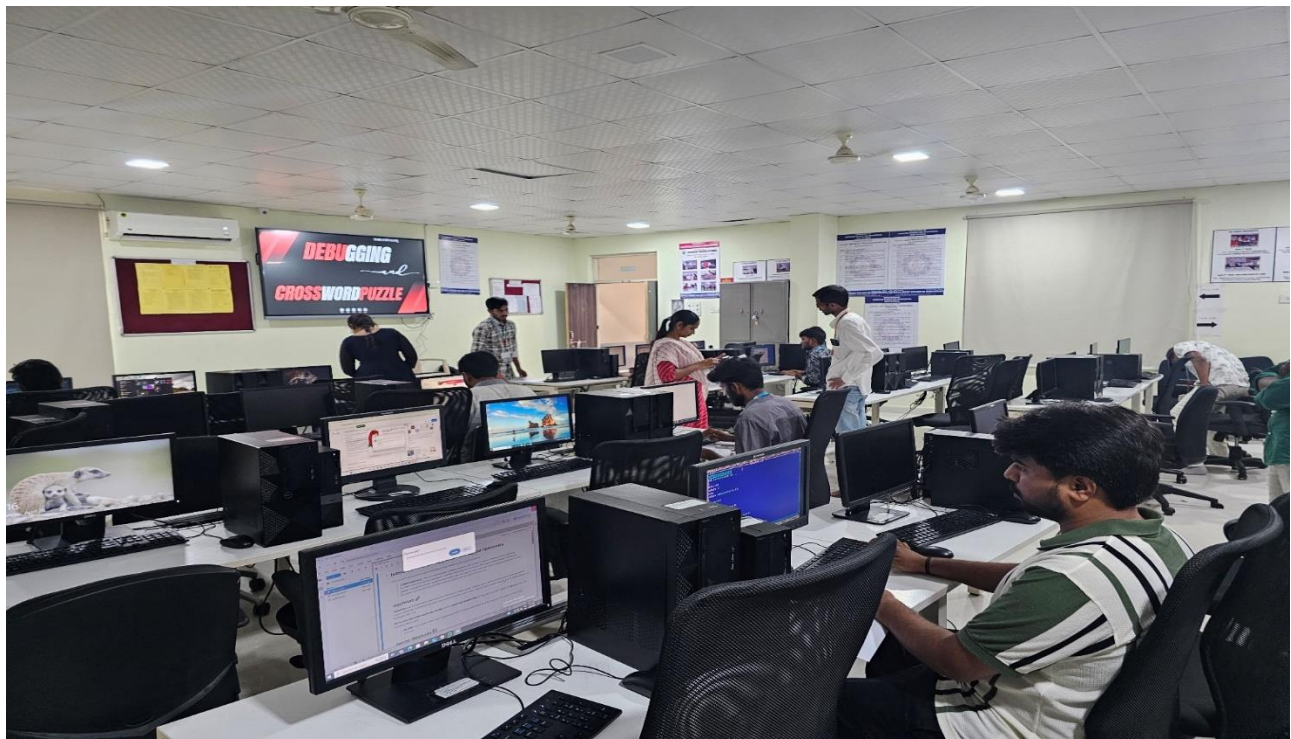

We invite all tech enthusiasts to participate, compete, and showcase their skills. Certificates and exciting prizes await the winners!

Let the games, laughter, and friendly competition begin

Snake and Ladder – With a Twist!

Get ready for a classic game with a fun twist! Roll the dice and race to the top, but beware – some ladders come with challenges, and snakes might quiz your wits!

- ◆ Game Style: Team or individual
- ◆ Special Feature: Task-based ladders and knowledge-based snake bites
- ◆ Focus: Fun, spontaneity, and general awareness

📷 Glimpses of Snake and Ladder – PLAYgorithm Edition

Laughter, strategy, and surprise filled the room as participants rolled the dice in our fun-filled *Snake and Ladder with a Twist!* From unexpected challenges to team spirit, every move was a moment worth capturing. 🎲🌟

🎯 Carroms – Aim. Strike. Win!

Show off your precision and strategy in this exciting indoor game of skill and focus! Whether you're a striker or a defender, every shot counts in the battle for the queen!

- ◆ **Format:** Singles / Doubles
- ◆ **Focus:** Accuracy, concentration, and competitive spirit
- ◆ **Vibe:** Relaxed yet thrilling!

📷 Glimpses of Carroms – Strikes, Smiles & Showdowns!

The carrom boards echoed with excitement as participants aimed, struck, and conquered! A perfect mix of focus, fun, and friendly competition lit up the PLAYgorithm arena. 🎯💥👍

♟ Chess – Battle of Minds

Enter the battlefield of strategy, logic, and calm precision. Outsmart your opponent and prove your mastery over the 64 squares in this ultimate test of intellect.

- ◆ Format: Knockout / Round-robin (based on participants)
- ◆ Focus: Strategic thinking, patience, decision-making

📷 Glimpses of Chess – Silent Moves, Loud Minds

Every move mattered as players sat locked in intense, quiet battles of wit. From bold openings to brilliant checkmates, the chessboards witnessed true brainpower in action. ♟️ ◻️ 🔥
