**HoD/CSE-DS**

A decorative border composed of small, repeating icons of a colorful, stylized object, possibly a fruit or a small house, surrounds the text.

A technical club is a group or organization formed within an academic institution or a community with the primary goal of fostering interest, knowledge, and skills in various technical fields. These clubs bring together individuals who share a common interest in technology, innovation, and problem-solving. The scope of activities and focus areas can vary widely depending on the club's objectives and the interests of its members. Here are some common features and activities associated with technical clubs:
