AI Hackday 2K25, an interdisciplinary hackathon, was organized by MRCE (IIIC) in collaboration with Swecha, IIITH and MRCE (Women Protection Cell, Wellness Club, and Cultural Club).

Event Proceedings:

- **Event Start (10:15 AM):** The event commenced with an enthusiastic gathering of participants, faculty, and invited guests.

A warm welcome speech was delivered, setting the tone for an engaging and insightful day.

Logo Launch & AV Presentation:

The official logo was unveiled for all three Cells, accompanied by an audio-visual presentation highlighting the vision and objectives of the event.

Welcoming the Dignitaries on the Stage:

The esteemed dignitaries were invited onto the stage, marking the formal commencement of the event.

Each of the resource persons was welcomed with a traditional pot—a symbol of prosperity and knowledge in Indian culture.

Lighting the Lamp with Prayer Song:

The traditional lamp-lighting ceremony took place, symbolizing the pursuit of knowledge and innovation, followed by a melodious prayer song.

The event commenced with the traditional lamp-lighting ceremony led by Dr. Maram Ashok, Principal of MRCE, along with the distinguished resource persons, Co-Conveners from MRCE Cells and Dean-IIIC & RnD. This symbolic gesture represents the dispelling of ignorance and the enlightenment brought about by education and innovation.

Speech by Principal Sir:

Dr. Maram Ashok, Principal of MRCE, delivered an inspiring address, emphasizing the importance of AI and interdisciplinary collaboration in technological advancements.

Felicitation by Principal Sir:

Notable contributors and key organizers of the event were felicitated for their efforts in making the hackathon a grand success.

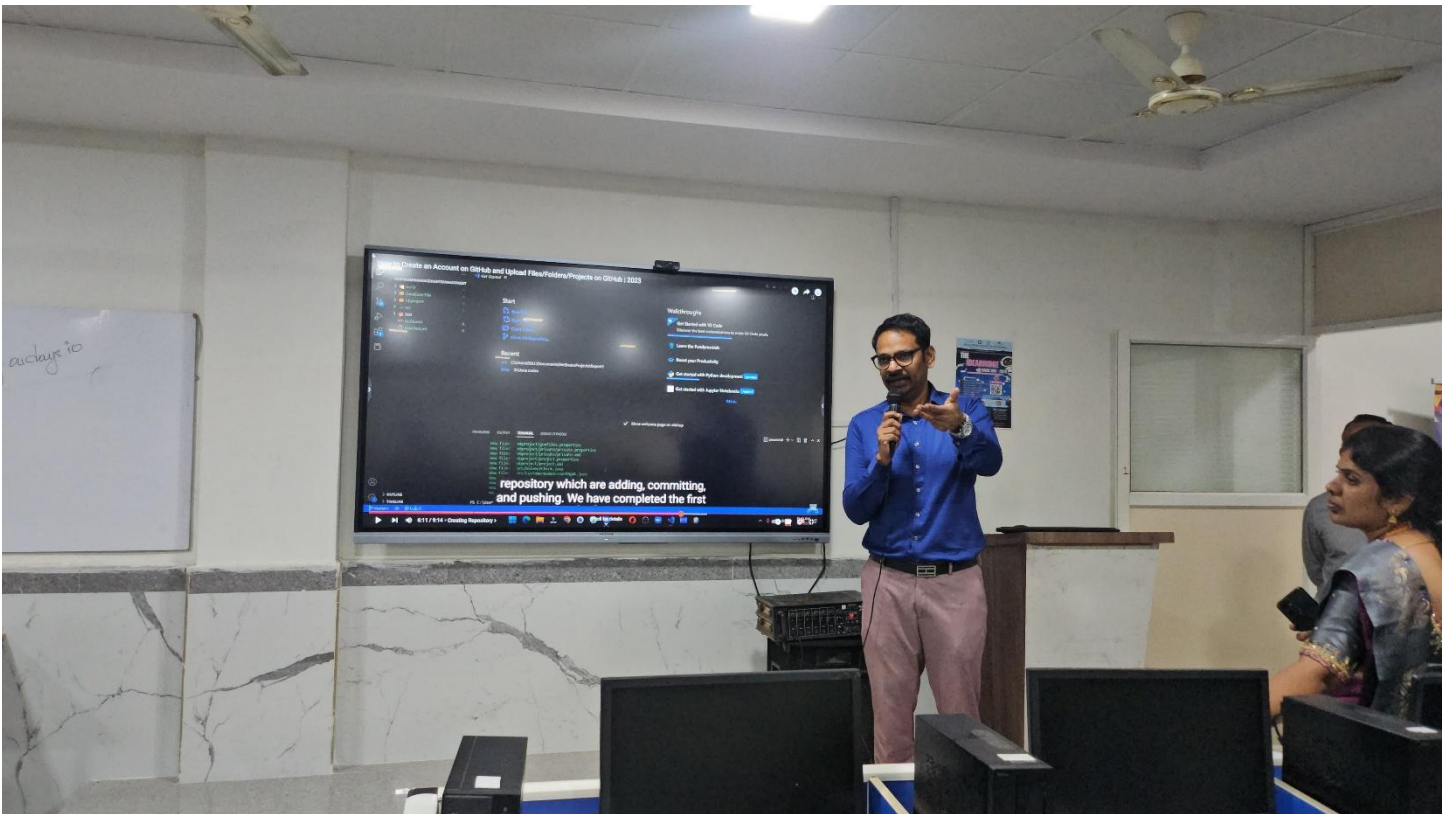

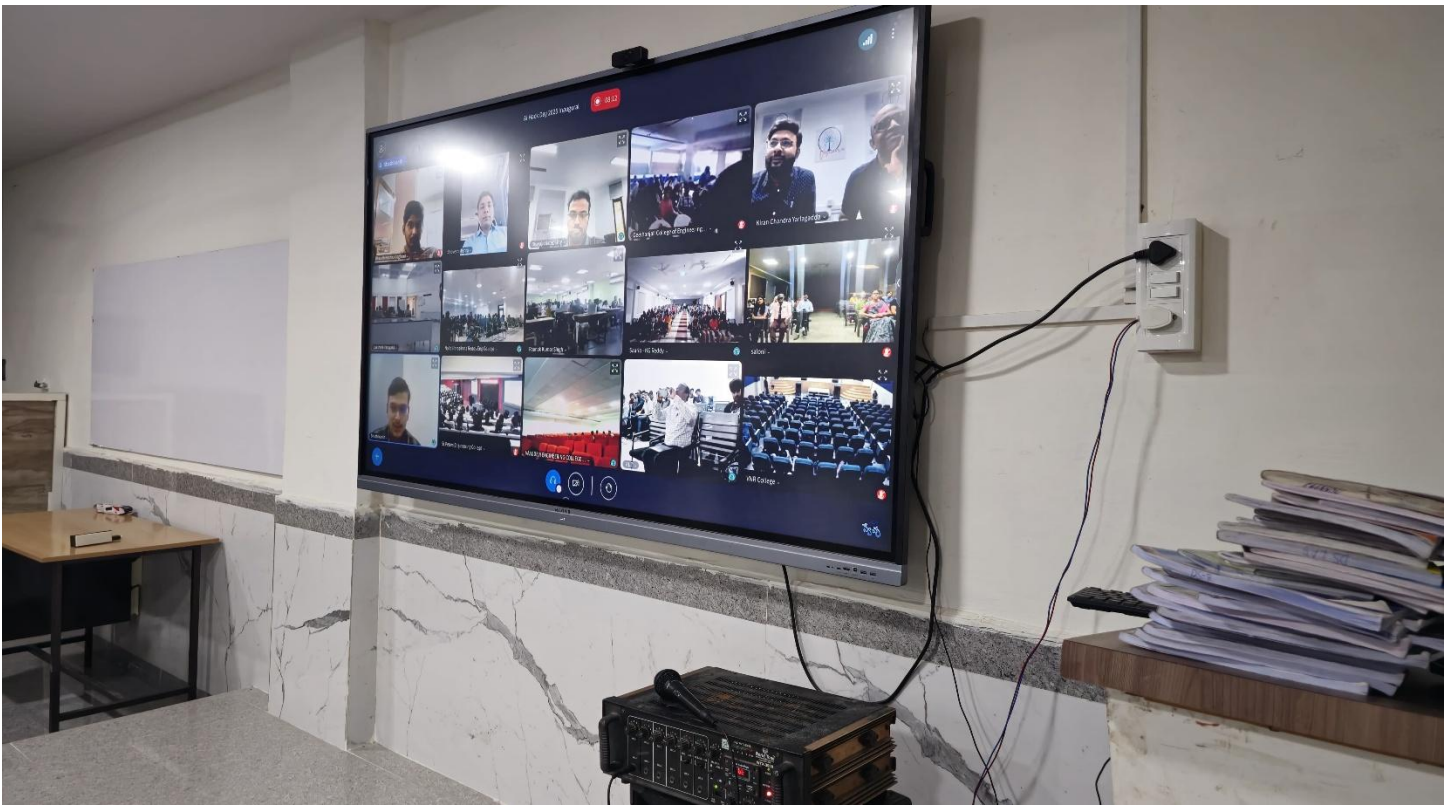

Hackathon Tracks:

Focus areas included **Agriculture, Education, Healthcare & Support Systems, and Creative Tech (Music, Video, Digital Art, Gaming, Story Creation).**

Prototype Requirement & Team Size: Participants were required to submit a working prototype with a **maximum team size of 3 members**.

Industry Experts: Sessions were conducted by **Mr. Anji Nagurnuri (Lead Analyst, CGI)** and **Mr. MNVVK Chaitanya (Consultant)**.

The event also featured industry experts such as Mr. Anji Nagurnuri (Lead Analyst at CGI) and Mr. MNVVK Chaitanya (Individual Consultant), who provided valuable insights into AI applications. The AI Hackday successfully brought together students and professionals from diverse fields, fostering innovation and collaboration in AI and related technologies. The event concluded on a high note, with participants looking forward to future initiatives in the domain.
