24 HOURS HACKATHON

21st & 22nd March – 2025

The "Hack-N-Win" 24-hour hackathon was organized to foster innovation and technical excellence among students. This event provided participants with an opportunity to develop and showcase their problem-solving and coding skills in a competitive environment. This hackathon was organized by Industry Institute Interaction Cell & Institution's Innovation Council – MRCE & MLSA x MRCE in association with Microsoft Azure Developers Community managed by Reskill. The community partner were Tronix Technologies and Student Nexus.

Objectives of the Event:

- Encourage students to solve real-world problems through coding and innovation.
- Provide hands-on experience with new technologies.
- Promote teamwork, collaboration, and creativity.
- Offer exposure to industry experts and networking opportunities.

Key Organizers & Coordinators:

- **Convener:** Dr. M. Ashok (Principal, MRCE)
- **Co-Convener:** Dr. V. Vivekanandhan (Dean R&D/IIIC, MRCE)
- **Faculty Coordinators:**
 - Mr. C. Dinesh
 - Mrs. Naru Dhuvya Jyothi
 - Mr. B. Srinivas
 - Mrs. P. Veena
 - Mrs. N. Praveena
 - Mrs. S. Kanakaprabha
 - Mr. R. Ravi
 - Mrs. K. Sunanda
 - Mr. Shaik Sohel Pasha
 - Mrs. Anju
 - Mr. B. Venkatesh
 - Mr. R. Harish Kumar
 - Mr. B. Rajesh.
- **Student Coordinators:**
 - Harish Reddy
 - Aishi Jain
 - Asish
 - Gowthami
 - Varshitha

Rewards & Incentives:

To motivate and recognize the efforts of participants, the following rewards were offered:

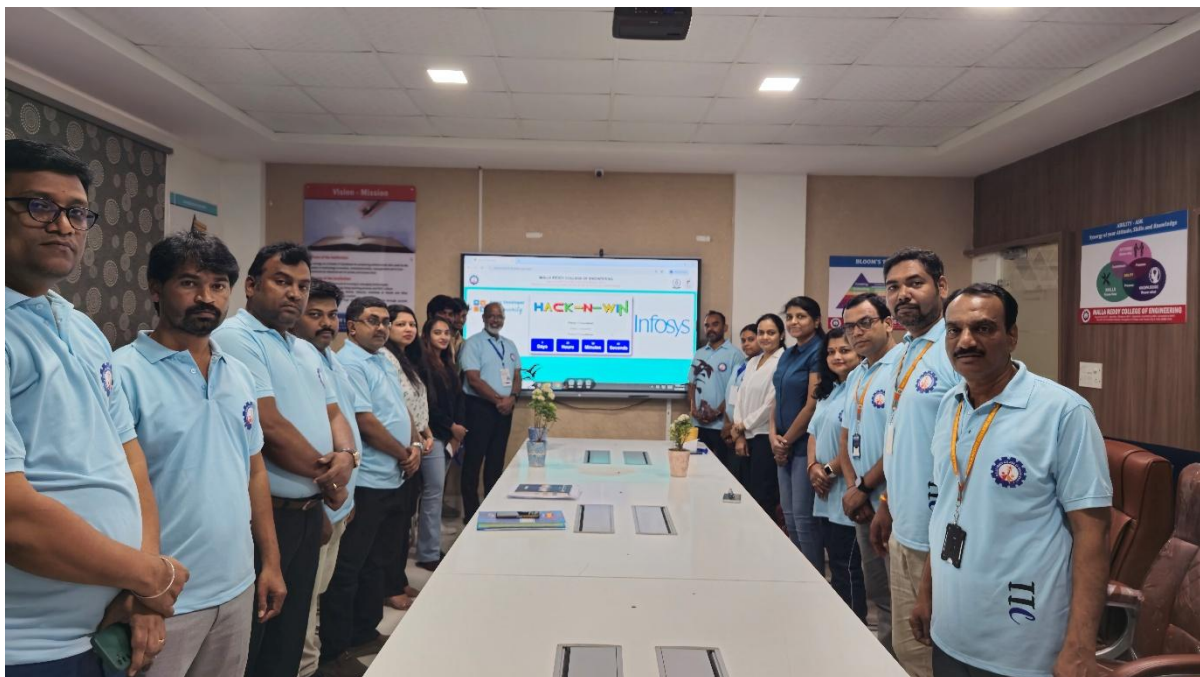

- Cash prize up to **₹10,000**.
- **.xyz domain** for all participants and **GitHub Student Developer Pack**.
- **Participation Certificate** for all attendees.
- **Microsoft Merchandise** and **Stickers** as souvenirs.

Event Proceedings:

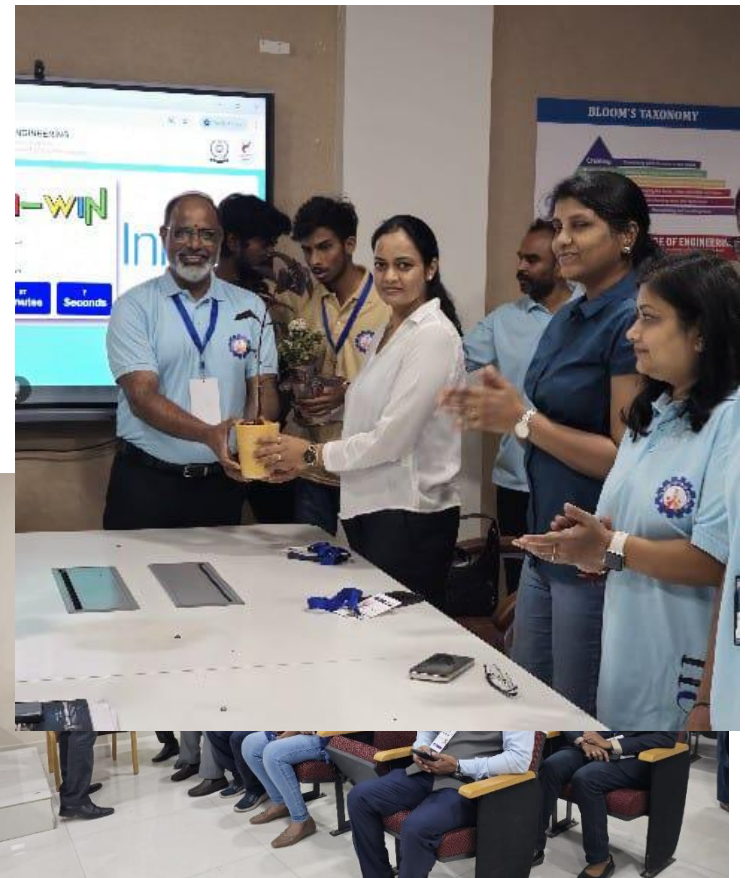

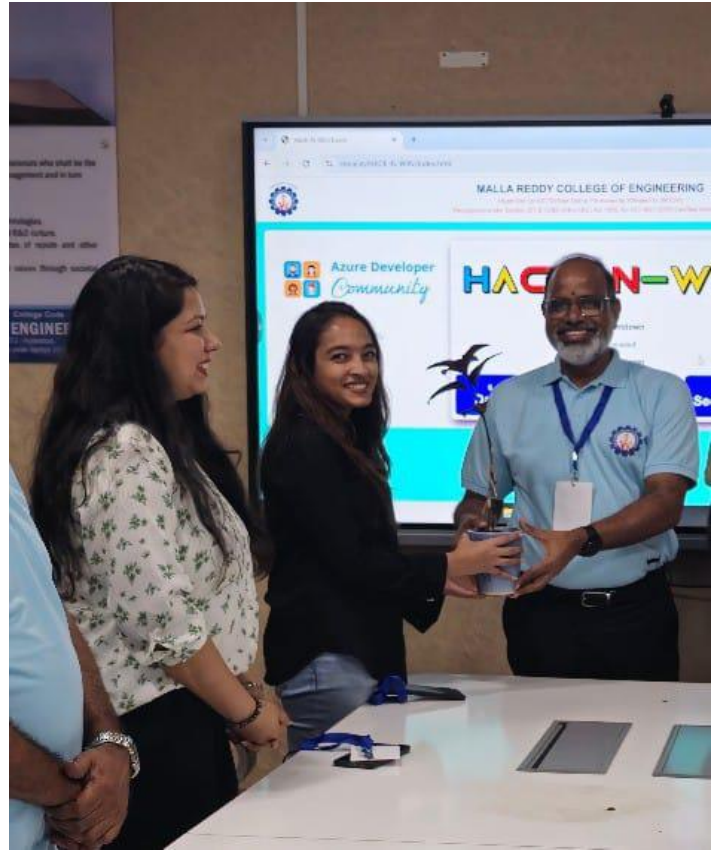

The judges and mentors, seated with Principal sir, **engaged in a discussion on the impact of hackathons in fostering innovation, teamwork, and problem-solving skills among students.** They emphasized how such events bridge the gap between academia and industry, providing hands-on experience with real-world challenges.

With great enthusiasm, **Principal Sir pressed the button to officially start the 24-hour hackathon timer**, marking the beginning of an intense coding marathon. The event was graced by the presence of all Deans, HoDs, judges, and mentors, who applauded the participants and encouraged them to showcase their creativity and problem-solving skills.

Each of the resource persons was welcomed with a traditional pot—a symbol of prosperity and knowledge in Indian culture.

Principal Dr. M. Ashok Sir, Dean IIIC & Research Dr. Vivekanandhan Sir, Dean Student Affairs Dr. Narasimha Reddy Sir, along with our esteemed judges and mentors, came together for a **memorable group photo**, marking the beginning of an inspiring and innovation-driven hackathon.

Everyone assembled in the seminar hall for the opening ceremony of the Hack N Win Hackathon 2025.

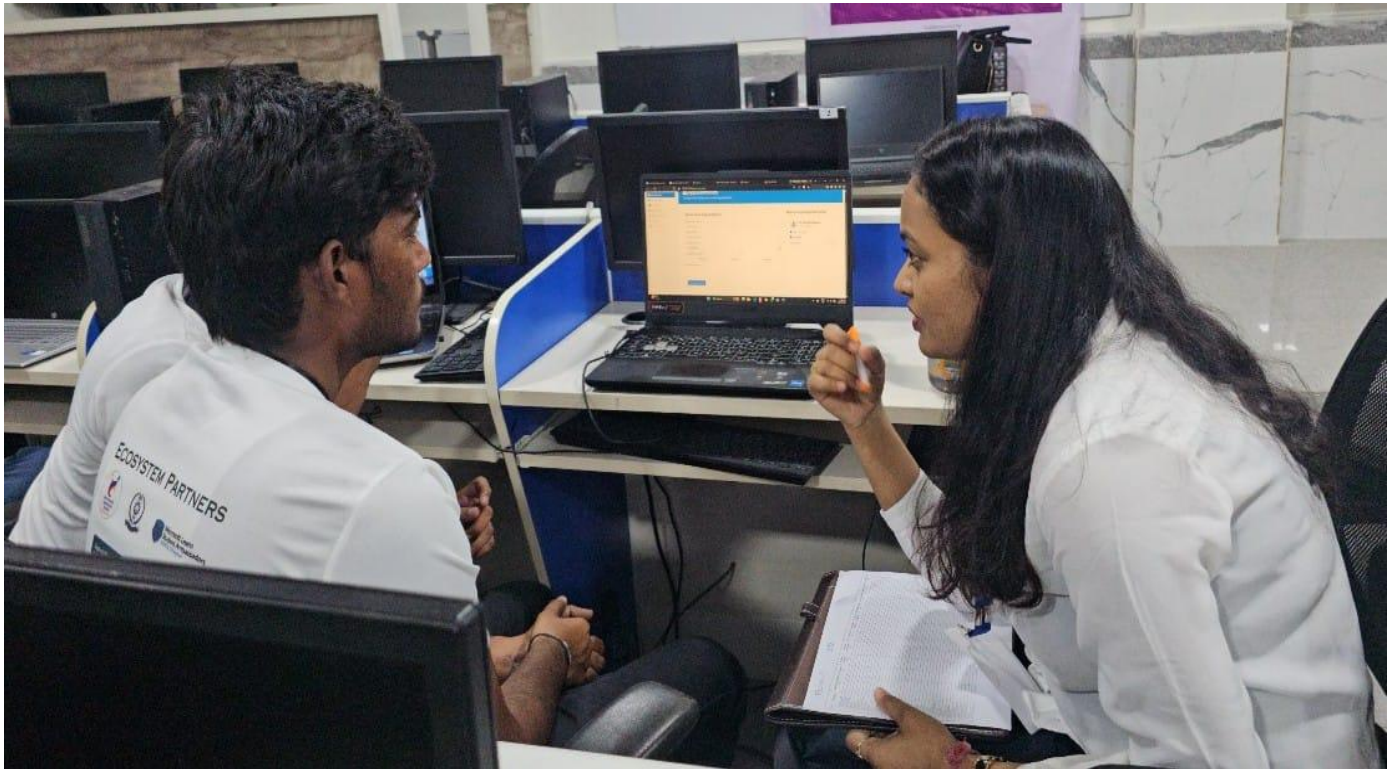

The inaugural ceremony of the hackathon took place, where we commenced the event with the **traditional lighting of the lamp**. This symbolic gesture marked the beginning of an exciting and innovative journey, fostering knowledge, creativity, and collaboration. The presence of esteemed dignitaries, judges, and mentors added to the significance of the occasion.

Round 1 Mentoring :

Round 1 of mentoring officially began, with students deeply engrossed in developing their projects in R&D and AIML Labs 003, 004, 005, and 116. **Our esteemed mentors, Apoorva Jain, Garima Jain, and Ruchi Gupta, interacted with each team**, offering expert guidance and constructive feedback. They provided valuable insights on refining ideas, improving technical implementations, and overcoming challenges. The session was highly engaging, fostering an environment of learning and innovation as participants worked towards building impactful solutions.

Refreshments Break :

After the first round of mentoring, participants took a well-deserved break to recharge. A **refreshments session** was arranged at 5.30 PM, where they were provided with snacks and a drink to keep their energy levels high. This break allowed them to relax, interact with fellow participants, and prepare for the next phase of the hackathon with renewed enthusiasm.

Dinner & Physical Activities:

After the second round of mentoring, participants took a well-deserved break for dinner, where they enjoyed a wholesome food to re-energize for the night ahead. The dinner break provided an opportunity for students to relax, interact with other students and share their experiences so far, fostering a sense of camaraderie among the **teams as a family with Principal sir, dean's, HoDs, faculty & students.**

Following dinner, the atmosphere turned lively as we engaged in a series of fun activities and games. One of the highlights was an exciting game of Tug of War, where teams competed with enthusiasm, showcasing their strength and teamwork. The energy levels soared as participants cheered for their teams, making the game an unforgettable experience.

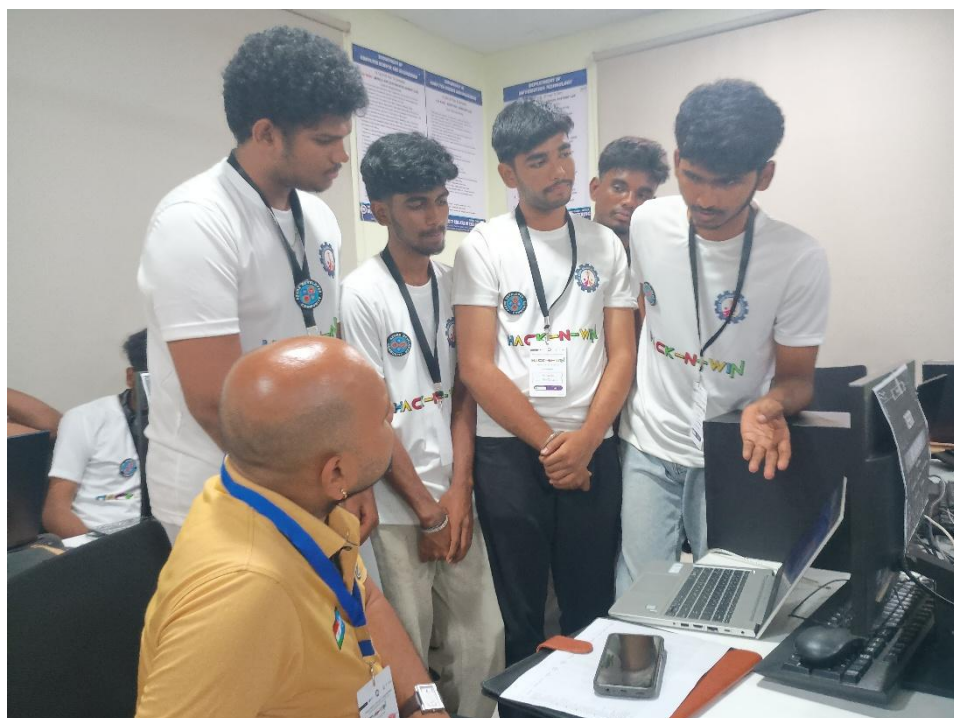

Round 3 Mentoring:

Round 2 of mentoring took place from 9:30 PM to 1:00 PM, led by our esteemed mentor, Mr. JC Santhosh Kotapally, Communication Coach at Infosys. During this session, participants **received in-depth guidance and technical insights** to refine their projects further. Santhosh Sir engaged with each team, addressing their challenges, suggesting improvements, and encouraging innovative approaches. The session was highly productive, helping students enhance their problem-solving skills and move closer to building impactful solutions.

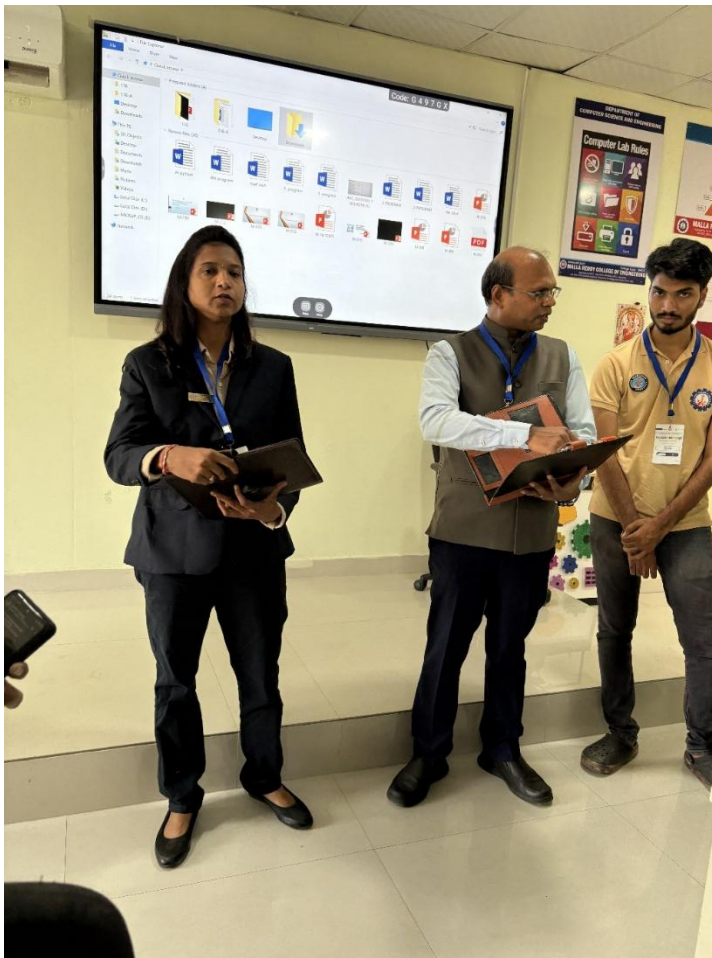

Round 3 Mentoring :

After an energizing and well needed breakfast, we proceeded to the third round of mentoring and evaluation with our esteemed judges, **Ms. Nethra K, Senior Consultant at Microsoft,** and **Mr. Purushotham Chanda, Data Architect at Microsoft.** This final mentoring session was a crucial phase where participants had the opportunity to present their progress and receive expert feedback.

The judges meticulously evaluated each team's project, assessing their problem-solving approach, innovation, technical implementation, and overall presentation. They provided valuable insights and suggestions, helping teams refine their solutions and enhance their final outcomes.

Closing Ceremony :

The **closing ceremony** of the hackathon took place in the seminar hall, marking the grand conclusion of an intense and inspiring 24-hour coding marathon. The atmosphere was filled with anticipation and excitement as participants, mentors, judges, and faculty members gathered for the final moments of the event.

To express our gratitude for their invaluable support and guidance throughout the hackathon, we presented **tokens of appreciation** to our esteemed judges and mentors. **Ms. Nethra K, Senior Consultant at Microsoft, and Mr. Purushotham Chanda, Data Architect at Microsoft**, along with our mentors, **Ms. Apoorva Jain, Ms. Garima Jain, and Ms. Ruchi Gupta**, were honored for their dedication and contributions in mentoring and evaluating the participants.

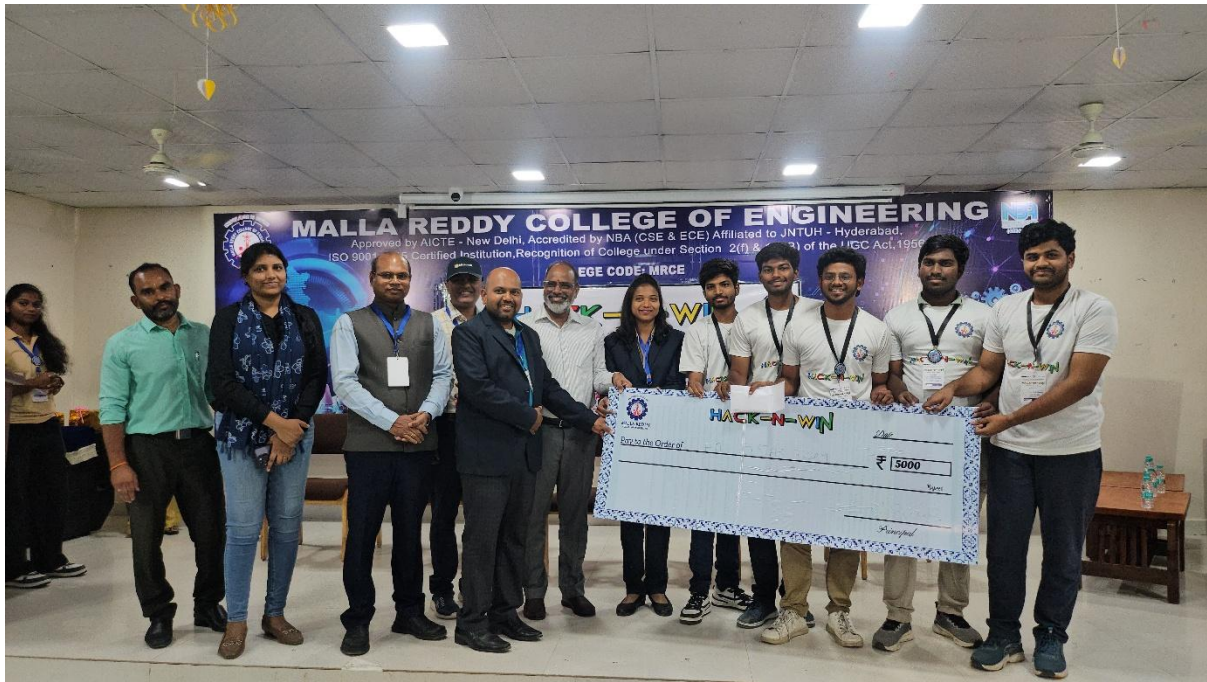

Following this, the **judges and mentors addressed the students**, sharing their insights and words of encouragement. They spoke about the importance of hackathons in **nurturing problem-solving skills, innovation, teamwork, and real-world technical expertise**. They also commended the participants for their hard work, creativity, and perseverance throughout the event, motivating them to continue pushing their limits in the tech industry.

Then came the most awaited moment of the evening—the **announcement of the winners and runners-up of the hackathon**. The excitement in the room was palpable as the results were revealed. The winning teams were recognized for their outstanding projects, innovative solutions, and exceptional execution. They were awarded certificates, prizes, and well-deserved recognition for their efforts.

Winners of Hack N Win Hackathon 2025 :

Team : Eat 5 Star

Team Members :

- K Satya Sri Ram Charan Teja
- G Sangamesh
- K Nuthan Sai
- G Nikhil Sagar
- K Lalith Kumar

The winning team was awarded a ₹5000 cash prize, recognizing their outstanding innovation, technical expertise, and problem-solving skills. Their project stood out for its creativity, execution, and impact, earning them well-deserved appreciation from the judges. The victory was a testament to their dedication and teamwork throughout the 24-hour hackathon.

Runners of Hack N Win Hackathon 2025 :

Team : Raisars

Team Members :

- Mandala Bhuvan
- Baggi Rishika
- Kakarla Venkat Deeraj
- Boieni Rohan Yadav
- Syed Asif

The runners-up were awarded a ₹4000 cash prize for their exceptional performance and innovative project. Their hard work, technical skills, and problem-solving approach impressed the judges, earning them well-deserved recognition. Their achievement highlighted their dedication and ability to think creatively under pressure.

The Next Best 3 Performers:

The closing ceremony marked the end of an **unforgettable journey of learning**, collaboration, and innovation. As participants celebrated their achievements, they carried with them valuable experiences, new connections, and a deeper passion for problem-solving and technology.

Group with Principal sir and Team
