Poster Release by Principal Sir

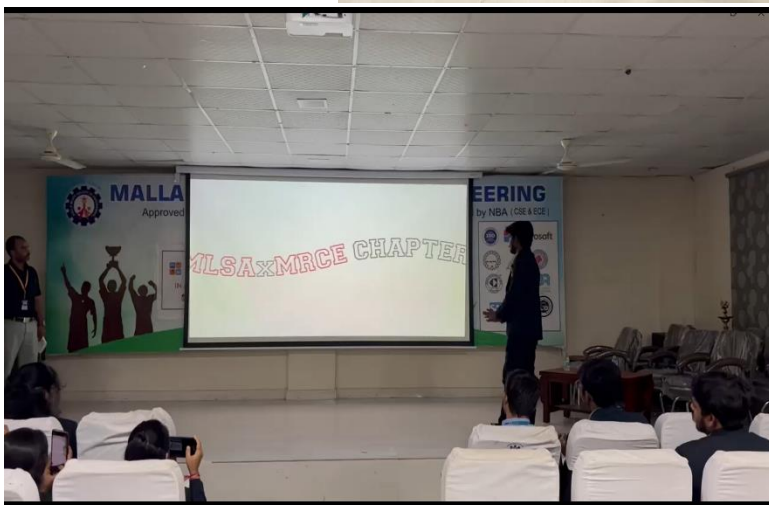

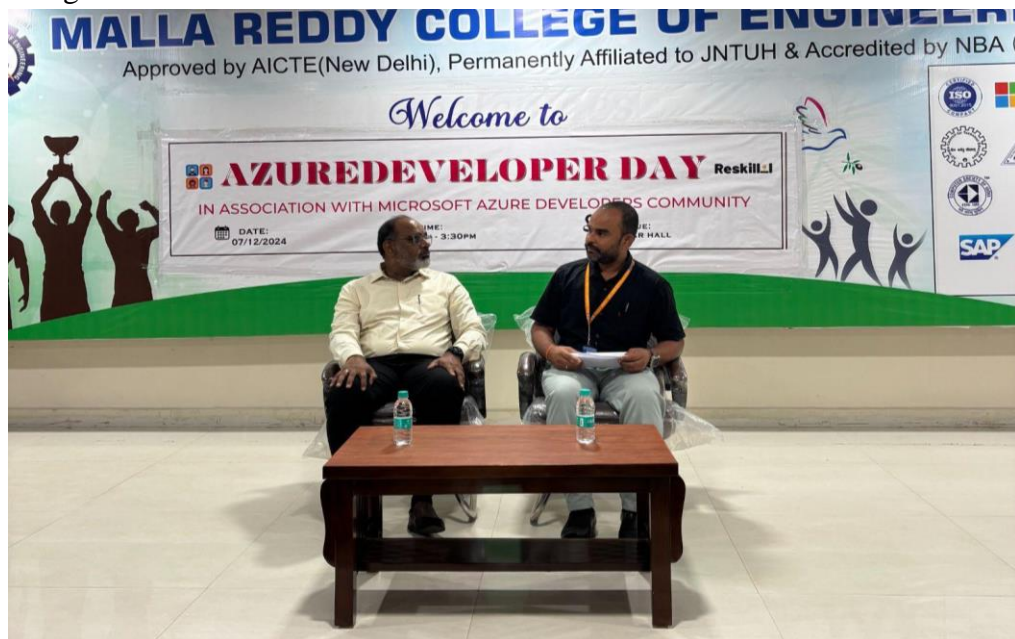

MLSAxMRCE CHAPTER POSTER RELEASE
 INNOVATION CLUB INAUGURATION

BRIEF ABOUT THE EVENT:

Malla Reddy College of Engineering, in association with the Microsoft Azure Developers Community, organized an insightful workshop titled **AZURE DEVELOPERS DAY (Microsoft copilot)** on 07th December 2024. This event was facilitated by the Industry-Institute Interaction Cell (IIIC) of MRCE and MLSA x MRCE Students Chapter, and aimed to provide students with valuable hands-on experience in Microsoft Azure technologies.

The primary objective of the workshop was to introduce students to the evolving landscape of cloud technology, focusing on Azure Basics, Copilot, and AI. The workshop also highlighted career opportunities and tools available for students to enhance their learning and skill development. The event started at 10:20 AM, with students and faculty coordinators gathering in the Seminar Hall. Firstly Principal Dr. M. Ashok sir inaugurated the MLSA x MRCE Chapter and unveiled its logo.

Inaugurated the MLSA x MRCE Chapter and unveiled its logo By Principal Sir

Dr. M. Ashok – Principal MRCE (addressed the gathering)

He highlighted the importance of staying updated with the latest technologies in a rapidly evolving industry like IT. He appreciated the collaborative efforts of the IIIC MRCE and MRCE x MLSA Students Chapter in organizing such a valuable event for the students, emphasizing how platforms like AZURE DEVELOPERS DAY open doors to a wealth of knowledge and career opportunities.

Sir also encouraged students to actively engage in such workshops and make the most of the resources provided by industry giants like Microsoft. He expressed his commitment to continuously support initiatives that bridge the gap between academic learning and real-world application. His words motivated students to embrace technology-driven learning and aspire for excellence in their respective fields.

Later the Microsoft Azure Developer community team was felicitated by Principal & Dean IIC

**Later D Harish Reddy MLSA-BETA was felicitated by
Microsoft Azure Developer community team, Principal & Dean EDC/IIC**

Harish Reddy Duggempudi explained the **Microsoft Learn Student Ambassadors (MLSA) program** and its benefits for students in gaining technical skills, networking opportunities, and hands-on experience with Microsoft technologies. He also elaborated on the objectives of the **MLSA x MRCE Chapter**, highlighting its role in fostering a collaborative learning environment, hosting tech events, and preparing students for industry challenges through innovative and skill-driven initiative.

Harish Reddy Duggempudi (Microsoft Learn Student Ambassador -BETA)

Then the students are handed over to the speakers:

Nethra K delivered an insightful session on building custom Copilot solutions using **Microsoft Copilot Studio**. She provided a comprehensive overview of its features, showcasing how developers can design and implement personalized AI-powered assistants tailored to specific needs. The demonstration included step-by-step guidance on leveraging the tools within the studio, empowering students to create innovative solutions and enhance productivity using Microsoft's cutting-edge AI technology.

Ms. Nethra K (Senior Consultant – Microsoft)

Ms. Nethra K covered the use of custom Copilot, emphasizing their practical applications for developers.

Following lunch break, the event resumed promptly at 1:30 PM, allowing participants to re-energize and continue with the hands-on sessions and interactive learning.

Purushotham Chanda as he delves into the world of **Artificial Intelligence (AI)** and its transformative impact on various industries. In this session, attendees will explore the fundamentals of AI, its practical applications, and the latest advancements in AI technology. Learn how AI is reshaping fields such as healthcare, finance, and education, and discover the potential career opportunities it offers. This session aims to provide a comprehensive understanding of AI, inspiring students to harness its power and innovate for the future.

Mr. Purushotham Chanda (Senior Consultant, Microsoft)

Shravya Bandaru as she delves into the revolutionary tool, GitHub Copilot. In this session, Shravya provided an in-depth look at how GitHub Copilot enhances the developer experience by offering real-time code suggestions and automating repetitive tasks. She showcased practical applications and demonstrated how this AI-powered assistant can boost productivity, streamline coding processes, and inspire innovative solutions. Attendees left with a clear understanding of how to integrate GitHub Copilot into their workflows to enhance their development capabilities.

Ms. Shravya Bandaru (Consultant, Microsoft)

Programme ended with the vote of thanks proposed by **Dr.V.Vivekanandhan, Dean IIC.**

The event concluded with a group picture.

BENEFITS & TAKEAWAYS:

- **Certificates** were awarded to all participants, recognizing their participation in the workshop.
- **Goodies** were distributed to students who actively participated in the discussions.
- Participants were also offered an exclusive opportunity to visit the **Microsoft Office**, providing them with further insights into the company's work culture and operations.

OUTCOME:

- The event provided an excellent platform for students to explore the latest advancements in cloud computing and artificial intelligence, equipping them with practical skills essential for future career growth.
