## DAY-1 OF 7<sup>TH</sup> INTERNATIONAL CONFERENCE 2025

The conference commenced with the **registration** process

Welcoming participants and guests.

Following this, the **traditional lighting of the lamp** ceremony was conducted, symbolizing knowledge and wisdom

A soulful **prayer song** was performed, setting a serene and positive tone for the event.

Dr.V.Vivekanandhan presented an insightful overview of the conference, highlighting its goals, core themes, and the significance of its expected outcomes.

Principal Dr. Maram Ashok addressed the gathering and highlighted the institution's strong commitment to **excellence in education, research, and innovation**. He urged the participants to actively participate in knowledge exchange and collaborative efforts.

The **Best Researcher Award** was presented to Dr. Maram Ashok in recognition of his outstanding contributions to research.

A special moment of the event was the **release of the conference souvenir and CDs**, marking the documentation of key insights and research contributions.

The conference sessions were conducted in both **online and offline modes**, allowing participation from experts, researchers, and students across different locations. This hybrid approach ensured a wider reach and dynamic discussions.

The event concluded with the **distribution of certificates**, recognizing the contributions of participants, speakers, and organizers.

The conference showcased exceptional talent, where even an 11th-grade student presented a research paper, highlighting the diverse and impressive participation.

**As a token of appreciation, the resource person was felicitated for their valuable contribution and insightful sessions.**

## DAY-2 OF 7<sup>TH</sup> INTERNATIONAL CONFERENCE 2025

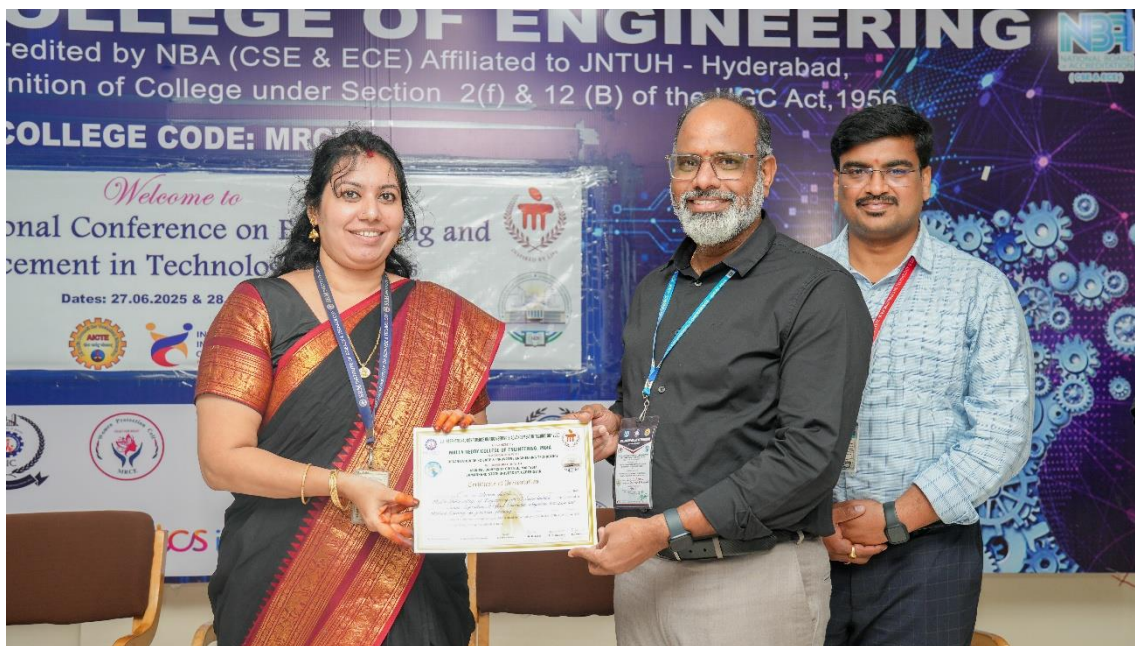

Day 2 commenced with an online session, followed by certificate distribution, and concluded with the vote of thanks.

The distribution of certificates was carried out to acknowledge the participants' involvement in the conference.

Coordinator certificates were distributed in recognition of their valuable efforts and contributions to the successful organization of the conference.

The event included fresh research paper presentations in which scholars and researchers presented their recent discoveries and innovative ideas, enriching the academic community with valuable insights.

## ICEAT-2025 Concludes Successfully at Malla Reddy College of Engineering

The 7th International Conference on Engineering and Advancement in Technology (ICEAT-2025) concluded on a successful note at Malla Reddy College of Engineering (MRCE), Maisammaguda, Kompally, on June 27-28, 2025. The conference witnessed vibrant participation from academicians, researchers, and industry professionals from India and abroad, who gathered to explore emerging trends and innovations in engineering and technology.

Organized in association with the Organisation of Science and Innovation Engineering & Technology (OSIET), ICEAT-2025 was held in collaboration with Samarkand State University, Uzbekistan, and Manipal University, Malaysia, further strengthening MRCE's commitment to global academic cooperation.

Keynote speakers included:

Dr. Remya Vallathol, Asso-

ciate Professor of Microbiology, Manipal University College, Malaysia

Dr. Rachana, Professor, Dept. of Biotechnology, Jaypee Institute of Information Technology, India

Dr. R. Deeptha, Assistant Professor, SRM University, Chennai

Mr. Prabhakar, OSIET

The conference focused on a wide range of contemporary domains including biotechnology, data science, sustainable engineering, artificial intelligence,

and innovations in engineering education. Young researchers and students actively

presented their technical papers, promoting interdisciplinary collaboration and peer

learning.

In his inaugural address, Dr. M. Ashok, Principal of MRCE, emphasized the role of international partnerships in fostering innovation with societal impact. A notable highlight of the event was the presentation of the Best Researcher Award to Dr. GNR Prasad of Chaitanya Bharathi Institute of Technology (CBIT), Hyderabad, recognizing his impactful research in AI, ML, and Business Analytics.

Technical sessions were chaired by:

Dr. R. Deeptha, SRM University, Chennai

Dr. D. R. Sasi Rekha, Dayananda Sagar College of Engineering, Bengaluru

Dr. GNR Prasad, CBIT, Hyderabad

The two-day conference concluded with a formal vote of thanks, acknowledging the efforts of all speakers, contributors, and participants, and reaffirming MRCE's dedication to academic excellence and innovation-driven global engagement.
