A Report on
Inauguration of Climate Action Unit - Green
Mitra Office

Date: 31-01-2026

Inauguration of Climate Action Unit's office space

Climate Action Unit Office

R&D Cell and Climate Action Unit

Principal, Dr. M. Ashok being welcomed at the Unit's office

The office space of the Climate Action Unit - Green Mitra was inaugurated in a simple ceremony by the honourable Principal of Malla Reddy College of Engineering on 31st Jan 2026 in the presence of the deans, heads of all departments, faculty-in-charges of the unit and the student climate ambassadors.

The objective of having an office space for the Climate Action Unit is to facilitate its smooth functioning. The space will serve as a hub for planning, campaigns and engagement.

Inauguration by ribbon cutting by Dr. M. Ashok, Principal, MRCE

Climate Action Unit's office

Chart displaying Mission LiFE in the office

The office was adorned with charts made by the student ambassadors which reflected the objectives of the Climate Action Unit as stipulated by AICTE. A chart displaying the Mission LiFE, the national commitment towards environment, which calls for a transformative shift from mindless consumption to mindful consumption.

Charts on the five elements of nature made by students on display inside the office

The inauguration was followed by a brief programme in the seminar hall. The chairman and principal of MRCE, Dr. M. Ashok; Convenor, Ms. P. Anuradha; Faculty Coordinators of the unit, Deans and Heads of various departments, Student Ambassadors of Green Mitra and students from various departments participated in the event.

T-Shirt Launch

Team T-shirt being launched by Principal, Dr. M. Ashok

The signature team T-shirt of the Climate Action Unit - Green Mitra was launched by the Principal of MRCE, Dr. M. Ashok and Dean - Student Affairs, Dr. Narasimha Reddy. It signifies solidarity among team members, acts as a visual representation of commitment to the cause of climate action and also helps in spreading awareness.

T-shirt Launch

Chairperson's Address

Principal and chairperson of the Climate Action Unit, Dr. M. Ashok addressed the gathering emphasizing the need to act on climate change and reminded the audience of the responsibility bestowed on every individual to protect the environment. He also discussed in detail the objectives of the Climate Action Unit established in the college as per the regulations of AICTE. He also gave a message to the students that acquiring classroom education is not enough for students and that they have to think beyond and become ambassadors of climate action.

Presentation by the convenor

Later, the convenor of the Climate Action Unit, Ms. P. Anuradha, gave a power point presentation on the objectives of Climate Action Unit. She explained the intention of AICTE in establishing the Climate Action Units in all institutions. She explained how student climate ambassadors act as the bridge between the faculty-in-charge and the student community in achieving the goals of the unit. Further, the convenor highlighted the national commitment towards environment, Mission LiFE (Life style for environment) which calls for a transformative shift from mindless consumption to mindful consumption. The Climate Action Unit Approach of Learn, Adopt and Lead and the AMG Decision Filter – Avoid, Minimize and Generate were emphasized in the presentation.
