MALLAREDDY COLLEGE OF ENGINEERING

INSTITUTION VISION

To emerge as a Center of Excellence in higher education by producing globally competent professionals and leaders in technology, innovation, entrepreneurship, and management, who contribute meaningfully to the advancement of society and humankind.

INSTITUTION MISSION

M1: To provide a dynamic and inclusive learning environment that promotes excellence in emerging technologies and interdisciplinary education.

M2: To nurture a state-of-the-art teaching–learning ecosystem supported by innovation, research, and a strong R&D culture.

M3: To foster effective collaboration and networking with alumni, industry, reputed institutions, and other stakeholders for knowledge exchange and professional growth.

M4: To inculcate ethical values, social responsibility, and lifelong learning, encouraging commitment towards societal development.

COMPUTER SCIENCE AND ENGINEERING

DEPARTMENT VISION

To impart futuristic knowledge in Computer Science and Engineering and to produce highly skilled, innovative, and socially responsible professionals capable of contributing to industry, research, and global technological advancement.

DEPARTMENT MISSION

M1: To promote strong academic growth by providing sound foundational knowledge and exposure to state-of-the-art technologies, fostering excellence in research and development.

M2: To create a stimulating learning environment that develops analytical thinking, problem-solving abilities, and proficiency in advanced programming, using modern tools and technologies.

M3: To encourage collaborative and experiential learning through real-time projects, enhancing teamwork, communication, and interpersonal skills for improved employability.

M4: To instill high ethical standards, professional values, and social responsibility through active societal engagement.

SDG GOALS

4 QUALITY EDUCATION

SDG 4 – Quality Education

Promotes inclusive, equitable education and equips students with knowledge and skills for academic and career transitions.

8 DECENT WORK AND ECONOMIC GROWTH

SDG 8 – Decent Work and Economic Growth

Supports employability, skill development, and smooth transition from education to the workforce.

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

SDG 9 – Industry, Innovation, and Infrastructure

Encourages innovation, technical skills, and readiness for modern industry demands.

10 REDUCED INEQUALITIES

SDG 10 – Reduced Inequalities

Ensures equal learning and career opportunities for students from diverse backgrounds.

Inauguration

“Transition to Triumph marks a journey where challenges transform into achievements and potential turns into performance.”

ADDRESS BY DR ASHOK MARAM, PRINCIPAL OF MRCE

“Today’s Transition Triumph marks an important milestone in the academic journey of our first-year students as they formally move from the Humanities and Sciences Department to the Department of Computer Science and Engineering.

I sincerely thank the HOD of Humanities and Sciences and the faculty members for their guidance, care, and support in building a strong foundation for our students during their first year. Their efforts have prepared the students well for the challenges ahead.

As you enter the second year of CSE, I encourage you to stay disciplined, curious, and committed to continuous learning. Our department assures you of complete academic and mentoring support as you begin this new phase of your journey. I wish all the students great success in the years to come.”

ADDRESS BY DR NARSHIMHA REDDY, DEAN OF STUDENT AFFAIRS ,MRCE

“Today’s Transition Triumph is a meaningful occasion that marks an important step in the academic and personal growth of our students. Moving into the Department of Computer Science and Engineering is not just a change of department, but a step toward greater responsibility and self-development.

I sincerely appreciate the Humanities and Sciences Department for nurturing our students during their first year and helping them adapt to college life. Along with academics, I encourage students to focus on discipline, ethics, leadership, and overall well-being.

The coming years will shape not only your careers but also your character. I urge you to make the best use of the opportunities provided and grow into responsible professionals. I wish all our students a successful and fulfilling journey ahead.”

**ADDRESS BY DR SANDHYA RANI,
DEAN OF STUDENT ACADEMICS ,MRCE**

“Today’s program signifies the academic transition of our students from foundational learning to core professional education in Computer Science and Engineering. I thank the Humanities and Sciences Department for laying a strong academic base and preparing the students for advanced technical learning. A solid foundation is essential for excellence, and our students are well prepared for this next phase. As you begin your second year, stay consistent, curious, and focused on conceptual understanding. Academics require dedication and discipline, and our institution assures you complete academic support throughout your journey. I wish all the students continued success in their academic pursuits.”

ADDRESS BY DR. VIVEKANANDHAN , DEAN OF IIC,MRCE

“Today’s transition marks the beginning of a phase where students step deeper into innovation, creativity, and problem-solving.

As members of the Department of Computer Science and Engineering, you will be exposed to emerging technologies, research opportunities, and innovation platforms. I encourage you to actively participate in hackathons, startups, research activities, and innovation initiatives under the Institution’s Innovation Council.

Innovation is not just about ideas—it is about execution and impact. I wish all students the courage to explore, experiment, and innovate, and I assure you of full support in your innovative journey.”

ADDRESS BY DR.G.MANJUNATH, HEAD OF DEPARTMENT (CSE)

“On behalf of the Department of Computer Science and Engineering, I warmly welcome all the students to the second year of your academic journey.

This transition marks your formal entry into the core technical domain. I thank the Humanities and Sciences Department for their dedicated efforts in shaping the students during their first year.

Our department is committed to providing quality education, mentorship, and industry-oriented learning. I encourage students to focus on fundamentals, practice consistently, and develop both technical and professional skills. We assure you of continuous guidance and support as you move forward. I wish you all great success.”

**ADDRESS BY DR SNEHA JOSHI,
HEAD OF DEPARTMENT (H&S)**

Today's event is a proud moment for the Humanities and Sciences Department as our students move ahead to the Department of Computer Science and Engineering. During the first year, our focus has been on building strong academic foundations, communication skills, and critical thinking. I am confident that the students are now well prepared to face the technical challenges ahead. I thank the faculty members for their dedication and the students for their commitment. I wish all of you a bright and successful journey in the years to come."

**ADDRESS BY DR G.SRAVANTHI,
DEPUTY HEAD, CSE**

“Today’s transition is a significant milestone in the academic progression of our students.

The first year is a phase of adaptation and foundation building, and the students have successfully completed it. As you enter the next phase, I encourage you to stay disciplined, manage your time effectively, and make the most of the learning opportunities provided.

Our institution and faculty are always here to guide and support you. I wish all the students continued growth and success.”

**ADDRESS BY MRS VAMSI PRIYA,
IIND HEAD, CSE**

“Welcome to the second year of your engineering journey.

This year marks the beginning of in-depth technical learning, practical exposure, and professional development. I encourage students to be consistent in academics, proactive in learning, and responsible in their approach.

Stay focused, seek guidance whenever needed, and actively participate in academic and co-curricular activities. I wish all the students a productive and successful second year.”

ADDRESS BY MR SRINU, EXAMINATION HEAD,MRCE

“Today’s transition marks an important step in the academic structure of your program.

As you move forward, I advise students to be aware of academic regulations, examination schedules, and evaluation processes. Maintain academic integrity and consistency in your performance.

The Examination Branch is always available to assist and guide you in academic matters. I wish all students clarity, confidence, and success in their examinations.”

**ADDRESS BY MR PREM KUMAR,
TPO ,MRCE**

“Today’s transition is the starting point of your professional preparation. From the second year onward, your focus should gradually shift toward skill development, internships, projects, and career planning. Strong fundamentals, communication skills, and continuous upskilling are key to career success. The Training and Placement Cell will support you with training programs, guidance, and opportunities. Start early, stay consistent, and believe in your potential. I wish you all a successful career ahead.”

**ADDRESS BY MR URITI HRUSHIKESH KARTHIK,
ALUMNI ,CSE**

“It is a pleasure to be part of this special occasion and to see students stepping into the Department of Computer Science and Engineering.

As an alumnus, I can say that the choices you make from this point onward—how you learn, practice, and grow—will shape your future. Focus on building strong fundamentals, gaining practical experience, and developing confidence.

Make use of faculty guidance, peer learning, and opportunities provided by the institution. I wish all of you success and look forward to seeing you achieve great things.”

APPRECIATING THE HOD

“The inauguration of Transition to Triumph marks the beginning of a journey from transformation to achievement.”

EVENT

“Transition to Triumph is a journey of growth, transformation, and success.”

Transition to Triumph is a powerful celebration of growth, resilience, and success. It inspires participants to embrace change, overcome challenges, and convert obstacles into opportunities. The event reflects the transformation of knowledge into capability and learning into achievement, marking a meaningful journey from transition to excellence.

**TRANSITION
TRIUMPH**

CONCLUDING CONVOCATION

The Transition to Triumph event concludes with a message of growth, confidence, and success, inspiring participants to carry forward the spirit of transformation and achievement.
