### **ABOUT THE INSTITUTION**

#### **MALLA REDDY BLOCK-A**

Malla Reddy College of Engineering (Formerly CM Engineering College) has been established under the aegis of the Malla Reddy Group of institutions in the year 2005, a majestic empire, founded by chairman Sri. Ch. Malla Reddy. He has been in the field of education for the last 22 years with the intention of spearheading quality education among children from the school level itself.

Since the beginning Mr. Malla Reddy has endeavoured to ensure quality education and carved a niche for himself by managing this group of institutions.

Malla Reddy College of Engineering has been laid upon a very strong foundation and has ever since been excelling in every aspect. The bricks of this able institute are certainly the adept management, the experienced faculty, the selfless non-teaching staff and of course the students.

### **INSTITUTION VISION:**

To emerge as a center of Excellence for producing professionals who shall be the leaders in technology innovation, entrepreneurship, management and in turn contribute for advancement of society and human kind.

### **INSTITUTION MISSION:**

- To provide an environment of learning in emerging technologies.
- To nurture a state of art teaching learning process and R&D culture.
- To foster networking with Alumni, Industry, Institutes of repute and other stakeholders for effective interaction.
- To practice and promote high standards of ethical values through societal commitment.

### **VISION OF THE DEPARTMENT**

- To teach excellence education for undergraduates in the field of Artificial Intelligence and Machine Learning in the technological-embedded domain and make professionals who help the better cause of society.

## **MISSION OF THE DEPARTMENT**

- Impart demanding training to create knowledge through the state-of-the-art ideas and skills in Artificial Intelligence and Machine Learning.
- Facilitate the students to adapt to the rapidly changing technologies by providing cutting-edge laboratories and facilities.
- Kick off the research and training, paying special attention to the essential skills of the subsequent generation's workforce.

### **ABOUT CSE (AI&ML) DEPARTMENT**

The Department of Artificial Intelligence and Machine Learning (AI&ML) was founded in 2020 with the goal of providing high-quality higher education to as many students as possible and to satisfy the enormous need for highly trained professionals in the industry. The Department of AI&ML offers a B. Tech program in Computer Science and Engineering (Artificial Intelligence and Machine Learning). The curriculum is created to give students a firm foundation in AI and ML principles and concepts as well as practical experience in handling situations from the real world. Programming languages, computer architecture, machine learning, natural language processing, artificial intelligence, and deep learning are some of the department's core subjects. Students are continuously trained with an attitude of excellence to overcome automation challenges across all industries and provide new context and background to improve the agile process with the assistance of great laboratory facilities and well-qualified faculty members. Because of the program's interdisciplinary nature, it draws on knowledge and coursework from many different disciplines, including computer science, mathematics, and statistics. Students will have the chance to take part in research projects in addition to the required courses, both inside the department and with other departments and organizations. Students who complete the B.Tech. programme in Computer Science and Engineering (Artificial Intelligence and Machine Learning) will be well-versed in the theories and methods of AI & ML and will be qualified for employment in a range of fields and positions, including data analysis, software development, and

**PERMISSION LETTER FROM PRINCIPAL**

**To**

**Date: 17/11/2023**

The Principal,  
Malla Reddy College of Engineering,  
Maisammaguda, Hyderabad.

**Subject:** Permission to Conduct National level Workshop on  
“**Ethical Values On Indian Culture**”

**Respected Sir,**

The Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning), in association with the Plexus Club and Institution’s Innovation Council (IIC), proposes to organize a National level Workshop on “**Ethical Values On Indian Culture**”

for students from **23-11-2023 through** Offline Mode.

The objective of this programme is to create awareness about the ethical values rooted in Indian culture and to inculcate moral integrity, social responsibility, respect, honesty, and harmony among students and faculty members. The programme aims to highlight the importance of ethical principles in shaping responsible citizens and professionals..

Hence, I request your kind permission to conduct the above program .

Thanking you.

**Yours sincerely,**

**Dr. Anantha Raman**

Head of the Department, CSE (AI & ML)

Malla Reddy College of Engineering

### **ABOUT THE EVENT**

The Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning), Malla Reddy College of Engineering, successfully organized a programme on “**Ethical Values on Indian Culture**” with the objective of creating awareness about the moral and ethical principles deeply rooted in Indian cultural heritage. The programme witnessed active participation from students and faculty members, reflecting keen interest in understanding and practicing ethical values in contemporary society.

The event commenced with an inaugural session that included a welcome address and an introduction to the significance of ethical values in shaping individual character and social responsibility. The speakers highlighted how Indian culture emphasizes values such as **truthfulness, integrity, respect, discipline, compassion, tolerance, and social harmony**, which remain relevant in modern personal and professional life.

The programme focused on enlightening participants about the role of ethical values in fostering responsible citizenship, promoting harmony in society, and strengthening moral decision-making. Through interactive sessions, discussions, and real-life examples, participants gained insights into the application of ethical principles in academic environments, workplaces, and everyday life.

Overall, the programme served as a meaningful platform to reinforce the importance of ethical values and cultural heritage among students and faculty, encouraging them to uphold moral integrity and contribute positively to society.

## **MALLA REDDY COLLEGE OF ENGINEERING**

An ISO 9001:2015 Certified Institution.

Maisammaguda, Dhullapally, post via Kompally, Secunderabad - 500100

## **National Level Workshop – AIM, PURPOSE AND IMPORTANCE**

### **AIM**

The aim of the programme “**Ethical Values on Indian Culture**” is to inculcate moral values and ethical principles among students and faculty by creating awareness of the rich cultural heritage of India. The programme seeks to promote ethical conduct, social responsibility, integrity, respect, and harmony, enabling participants to apply these values in their personal, academic, and professional lives.

### **PURPOSE**

The purpose of this programme is to provide a meaningful platform where participants can:

- Understand the significance of ethical values embedded in Indian culture and traditions.
- Develop awareness of core moral principles such as truthfulness, honesty, discipline, compassion, tolerance, and respect for others.
- Recognize the relevance of ethical values in contemporary society, education, and professional environments.
- Encourage ethical decision-making and responsible behavior among students and faculty.
- Promote cultural sensitivity, national integrity, and social harmony through value-based education.

## **MALLA REDDY COLLEGE OF ENGINEERING**

(Approved by AICTE-New Delhi, Affiliated to JNTUH-Hyderabad)

Recognized under Section 2(f) & 12(B) of the UGC Act 1956,

An ISO 9001:2015 Certified Institution.

Maisammaguda, Dhullapally, post via Kompally, Secunderabad - 500100

### **IMPORTANCE**

This programme holds great importance as it:

- Helps students and faculty internalize ethical values essential for character building and responsible citizenship.
- Strengthens moral foundations necessary for academic integrity and professional ethics.
- Encourages harmony, mutual respect, and understanding in a diverse and multicultural society.
- Guides young minds to face ethical challenges in personal and professional life with confidence and integrity.
- Supports institutions in fostering value-based education alongside academic excellence.

In essence, the programme on “Ethical Values in Indian Culture” was not merely an awareness initiative, but a sincere effort to nurture ethically responsible individuals who uphold moral values and contribute positively to society. It reflects Malla Reddy College of Engineering’s commitment to holistic education, cultural enrichment, and the development of socially responsible citizens.

## **MALLA REDDY COLLEGE OF ENGINEERING**

### **Summary:**

The **National Workshop on “Ethical Values on Indian Culture”** was successfully organized by the **Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning), Malla Reddy College of Engineering (MRCE)** and conducted **23rd** November 2023. The workshop aimed to promote awareness and understanding of the rich ethical heritage of Indian culture and its relevance in contemporary academic, professional, and societal contexts.

The programme focused on core Indian values such as **Dharma (righteousness), Satya (truthfulness), Ahimsa (non-violence), Seva (service), integrity, mutual respect, and social responsibility**. Through expert sessions and interactive discussions, participants were encouraged to reflect on the importance of ethical conduct, moral responsibility, and value-based education in shaping responsible individuals and professionals.

To ensure effective communication and smooth coordination throughout the workshop, a **dedicated WhatsApp group** was created for all registered participants. This platform enabled real-time updates, sharing of session links, important announcements, and academic interaction, reflecting the Indian cultural spirit of **collective learning and cooperation**. Session links were shared in advance via email to facilitate seamless participation.

### **Important Details**

- **Workshop Dates:** 23rd November 2023
- **Mode:** Offline

## **MALLA REDDY COLLEGE OF ENGINEERING**

(Approved by AICTE-New Delhi, Affiliated to JNTUH-Hyderabad)

Recognized under Section 2(f) & 12(B) of the UGC Act 1956,

An ISO 9001:2015 Certified Institution.

Maisammaguda, Dhullapally, post via Kompally, Secunderabad - 500100

Participants were requested to install the Cisco Webex Meetings application in advance to avoid technical difficulties, emphasizing values such as **discipline, preparedness, and responsibility**.

### **Inaugural Session**

The workshop commenced with a formal welcome and introductory address by **Mr. R. Venkatesh**, Assistant Professor, who extended greetings to the dignitaries, speakers, and participants, reflecting the Indian tradition of **respect and gratitude**.

The **inaugural address** was delivered by the **Principal of MRCE, Dr. Maram Ashok**, who highlighted the enduring relevance of Indian ethical values in modern education and professional life. He emphasized that ethical grounding is essential for personal integrity, social harmony, and nation-building, and encouraged faculty members to integrate value-based education into teaching and research practices.

### **Day 1**

- . **Programme:** National Workshop on Ethical Values of Indian Culture
- . **Guest Speaker:** Dr. S. Kavitha
- . **Topic:** Ethical Foundations of Indian Culture and Their Contemporary Relevance

## **MALLA REDDY COLLEGE OF ENGINEERING**

**(Approved by AICTE-New Delhi, Affiliated to JNTUH-Hyderabad)**

Recognized under Section 2(f) & 12(B) of the UGC Act 1956,

An ISO 9001:2015 Certified Institution.

Maisammaguda, Dhullapally, post via Kompally, Secunderabad - 500100

- **Objective:** To understand and appreciate Indian ethical values and their role in academic and social life
- **Date:** 23rd November 2023
- **Time:** 10:00 am . – 11:00 am

### **Session Highlights**

- Overview of ethical principles rooted in Indian culture
- Importance of values such as truth, duty, and moral responsibility
- Role of ethics in education, research, and professional life
- Application of Indian ethical values in modern societal challenges

## **MALLA REDDY COLLEGE OF ENGINEERING**

**(Approved by AICTE-New Delhi, Affiliated to JNTUH-Hyderabad)**

Recognized under Section 2(f) & 12(B) of the UGC Act 1956,

An ISO 9001:2015 Certified Institution.

Maisammaguda, Dhullapally, post via Kompally, Secunderabad - 500100

## **Conclusion**

The Five-Day Student Development Program on **“Ethical Values on Indian Culture”** concluded successfully with a rich blend of knowledge dissemination, practical exposure, and collaborative learning. Over the span of five days, the sessions provided participants with a comprehensive understanding of how Artificial Intelligence is transforming academic research through intelligent data analysis, automated experimentation, advanced modeling, and research automation.

Eminent resource persons from reputed academic institutions delivered insightful sessions highlighting the rapid evolution of AI-driven research technologies and their applications across multidisciplinary domains. Participants were introduced to AI-based research tools, machine learning and deep learning techniques, natural language processing, generative AI systems, and AI-assisted publication and proposal development. The discussions and demonstrations enabled faculty members to understand how AI-driven platforms enhance research productivity, quality, and innovation.

The SDP significantly strengthened the research orientation of participants by guiding them in identifying research gaps, designing AI-enabled research models, preparing datasets, writing high-quality research papers, and developing competitive funding proposals. Interactive Q&A sessions, open discussions, and peer learning opportunities facilitated the exchange of ideas and encouraged interdisciplinary collaboration among participants.

## **MALLA REDDY COLLEGE OF ENGINEERING**

**(Approved by AICTE-New Delhi, Affiliated to JNTUH-Hyderabad)**

Recognized under Section 2(f) & 12(B) of the UGC Act 1956,

An ISO 9001:2015 Certified Institution.

Maisammaguda, Dhullapally, post via Kompally, Secunderabad - 500100

Overall, the Student Development Program successfully achieved its objective of equipping faculty members with practical knowledge and AI-driven tools required to integrate modern AI technologies into academic research workflows. The programme not only enhanced participants' research capabilities but also inspired them to adopt innovative, technology-driven approaches in teaching and mentoring. The successful completion of this Student marks an important step toward nurturing a community of **research-driven, AI-enabled educators** capable of guiding students and institutions in an increasingly AI-powered academic ecosystem.
