It was held at Malla Reddy College of Engineering Seminar Hall from 10.30 AM to 1.00 PM. Around 607 graduands with their parents attended the ceremony to celebrate their success.

The celebrations started with the academic procession in which the dignitaries namely, Chief guest Dr. Ch. Malla Reddy-Founder Chairman of MRGI, Guest of Honor Smt. Ch. Shalini Reddy, Director-MRGI, Miss. Athithi Chandana Reddy, Principal Dr. M. Ashok, All Deans & HODs were ushered to the accompaniment of the band played into the venue of the function.

The dignitaries adorned the dais and after the customary invocation lighting the lamp and prayer song, the Principal welcomed all the dignitaries, invitees, parents, faculty and graduands.

The Principal Dr M. Ashok declared the graduation day open. He congratulated the graduating students and highlighted the institution's unwavering commitment to academic excellence, innovation, and holistic development. He emphasized the importance of strengthening one's **physical, mental, spiritual, and logical thinking** to achieve true success and fulfillment in life. All the graduands stood with their graduation dress with keep their right hand forward and Dr. M. Ashok Principal lead the fellow graduands in reciting the graduate pledge.

Miss. Athidhi Chandana Reddy, representing the Management, delivered the **Guest Address**, appreciating the efforts of the faculty and encouraging the graduates to adopt modern technology and uphold the values of hard work, integrity, and responsibility as they step into their professional journeys.

The Chief Guest, **Founder Chairman Sri Ch. Malla Reddy**, delivered an inspiring address to the gathering. He congratulated the graduates and urged them to move forward with commitment, consistency, and strong determination to achieve their goals. He emphasized the importance of using technology in a proper, productive, and purposeful manner—to innovate, solve real-world problems, and improve the quality of life for society.

He highlighted that today's world is abundant with opportunities in technology and skill development, making this the most promising time for young engineers to upgrade themselves and build a better future. He advised the graduates *not to waste time*, reminding them that time is their most valuable asset. Using it wisely for learning, upskilling, and shaping one's future. He encouraged the students to dream big, stay focused, and make your future bright.
