On August 15, 2025, Malla Reddy College of Engineering proudly celebrated India's 79th Independence Day, with faculty, staff, and students coming together to pay tribute to the nation and honor the sacrifices of our freedom fighters. The occasion held special significance as it marked one year since Principal **Dr. M. Ashok** launched the **“One Teacher – One Tree”** Plantation Programme during the previous Independence Day celebrations.

This year, the college joyfully commemorated the **“Birthday Celebrations”** of those saplings, reaffirming the institution's commitment to environmental responsibility and sustainable campus development.

The celebrations started with Flag hoisting by the Principal Dr. M. Ashok and everyone paid their respect and saluted the National Flag and sang the National Anthem with great enthusiasm. After that, The NSS Unit of Malla Reddy College of Engineering (MRCE) actively participated with great enthusiasm and patriotic spirit. The NSS volunteers showcased a disciplined and well-coordinated **march-past parade**, reflecting their dedication, teamwork, and commitment to service.

Under the guidance of the Programme Officer, the volunteers maintained excellent formation and synchronized movements, earning appreciation from the dignitaries and the audience. Their spirited participation added dignity and pride to the celebrations and highlighted the values of unity, discipline, and social responsibility upheld by the NSS at MRCE.

The plantation programme started by Principal in front of the Main Block, Deans, HoDs and section Heads are participated and planting their plants at respective places with all faculty and students under the slogan of “**One Teacher One Tree**”. Principal Sir told that every teacher should plant one tree and take care of that plant by themselves till its growing.

After plantation in the campus, “**Birthday Celebration for Plants**” started to mark one year of the saplings planted during the previous Independence Day. The event was conducted with a blend of environmental awareness and traditional practices. As part of the celebrations, Principal, Deans and HoDs performed a **traditional pooja** to the saplings, symbolizing respect for nature and the responsibility to protect it. A **cake-cutting ceremony** was also held to add a joyful, celebratory touch, reinforcing the message that trees are living beings that deserve care and affection. The program created awareness among students and staff about environmental conservation and strengthened the commitment to sustaining campus greenery.

After the refreshments, all faculty and students were assembled in the Seminar Hall, where the Principal addressed the gathering, followed by a series of cultural programmes.

**Principal Dr.M.Ashok**, in his address, emphasized that India's cultural progress must evolve from merely borrowing knowledge to creating original, innovative knowledge that contributes to the **betterment of humanity**. He also emphasized maintaining a **balance between nature and technology**, noting that negligence in this regard can lead to severe environmental consequences. He encouraged adopting healthier and more sustainable food habits to build a stronger and resilient nation.

In alignment with the **Sustainable Development Goals (SDGs)**—particularly **SDG 4 (Quality Education)**, **SDG 9 (Industry, Innovation & Infrastructure)**, **SDG 11 (Sustainable Cities & Communities)**, and **SDG 13 (Climate Action)**—the Government has initiated the establishment of **Indian Knowledge System (IKS) Cells** in educational institutions to nurture a strong startup culture among youth and contribute meaningfully to **“Viksit Bharat @ 2047”**.

Supporting this national vision, our institute has established an **Institution's Innovation Council (IIC)** to encourage students with innovative ideas and help transform them into impactful products and services for the welfare of society.

ECE department released the News letter and Principal sir felicitated Supervisor Srinivas Rao in recognition of his dedicated services. The event was well organised with support of NSS team and Cultural Committee members. Dean Student Affairs Dr.V.Narasimha Reddy delivered the vote of thanks and the function ended with the national anthem.
