

## ORIENTATION DAY REPORT

## Department of Electronics and Communication Engineering

Malla Reddy College of Engineering, Hyderabad

Date: 31st July 2025

Venue: Seminar Hall

The Department of Electronics and Communication Engineering (ECE) at Malla Reddy College of Engineering organized the **Orientation Day for second-year ECE students** on 31st July 2025 in the Seminar Hall. The event aimed to formally welcome students into the new academic year and provide them with a comprehensive introduction to departmental practices, academic expectations, student support systems, and various key faculty members. It also served as a platform to foster a sense of community and encourage active engagement between students and the teaching staff.

The program commenced with the gathering of students in the Seminar Hall.

An audio-visual presentation was played to highlight the college's journey, achievements, and campus life. This was followed by a vibrant **welcome dance** performed by the students.

Dignitaries were invited onto the dais, marking the beginning of the formal proceedings.

A ceremonial **lighting of the lamp** took place symbolizing the light of knowledge and wisdom.

An **interactive session with students** helped break the ice and set a friendly tone for the day.

A series of addresses followed, beginning with the Principal's speech, which emphasized the importance of academic integrity and personal growth. The Dean of Academics addressed the gathering, focusing on the curriculum structure and academic planning. This was succeeded by inspiring messages from the Dean of Student Affairs and the Dean of IQAC who spoke on quality education and student well-being.

The Head of the ECE Department addressed the students providing insight into department goals and expectations. the Deputy HOD and Anti-Ragging Cell Convener spoke about maintaining discipline and fostering a safe campus environment. The II-Year In-charge shared an overview of the academic year ahead, followed by the Class In-charge, who discussed classroom practices and mentorship. The Department Placement Coordinator spoke about preparing for future careers, while the Exam Branch Coordinator concluded the formal session by explaining examination procedures and academic regulations. The event concluded with a lunch break

Overall, the Orientation Day was a successful and well-coordinated event that not only welcomed students into their new academic phase but also set a positive and motivating tone for the year ahead. It reflected the department's commitment to fostering a supportive, inclusive, and academically enriching environment
