

REPORT ON
CAREER GUIDANCE PROGRAM on GATE

Department of ECE, MRCE in association with OHM Institute, Hyderabad organized a “CAREER GUIDANCE PROGRAM” on 30-04-2025. An MoU has been exchanged between the OHM Institute and Malla Reddy college of Engineering for conducting training programs and Seminars to the students.

The event was aimed to provide detailed knowledge about the GATE Examinations and also the Job opportunities for the students of ECE through GATE, so that students can get to choose a right path for their future. Almost 200 students from 1st year ,2nd year and 3rd year, have participated in the Event.

Following contents are covered in the session:

- Direct Opportunities through GATE
- List of Core companies and PSUs for ECE Students
- Technical and Non-Technical path after B.Tech
- Top Universities providing M.Tech, PhD degree
- Preparation strategy for cracking GATE examination
- Higher education in Business administration field through GATE
- Skill improvement program in Industrialization field through GATE
- Explanation of GATE paper pattern and subject weightage
- Doubt clearance from the expert.
