Inaugural Ceremony

The Department of Electronics and Communication Engineering successfully organized the inauguration of its student club PRISM (People in Recreation, Innovation, Sports, and Music) on 28th and 29th October 2025. The event aimed to encourage creativity, innovation, and collaboration among students through a variety of technical and non-technical activities.

The program featured motivational speeches by the dignitaries, followed by the lighting of the lamp ceremony, symbolizing the beginning of a journey that blends learning with creativity.

As part of the inaugural celebration, the PRISM Club Logo Launch marked a significant milestone, symbolizing the identity, vision, and creative spirit of the club. The unveiling of the logo was carried out in the presence of our Principal, Dr. M. Ashok, Head of the Department, Dr. P. Sampath Kumar, Faculty Coordinators, Mr. Shaik Sohel Pasha and Mr. Shiva Kumar, along with the faculty team and enthusiastic students.

The PRISM logo, a vibrant fusion of colors and symbols, represents the club's core philosophy — *People in Recreation, Innovation, Sports, and Music*. Each element in the design reflects the diverse domains the club embraces:

- Recreation — symbolizing joy, engagement, and balance.
- Innovation — representing creativity and technological curiosity.
- Sports — denoting teamwork, discipline, and spirit.
- Music — reflecting harmony and expression.

Day 2 – Technical, Social Media, and Photography Events

Technical Event (Technical) by TECHASTRA

The technical event was conducted with 52 student participants with three exciting rounds that included quizzes and fun technical games. It provided participants with a chance to apply their engineering knowledge in an interactive way.

Student Coordinator: Sandeep (9989753178)

Faculty Coordinators: Dr. B. Madhavi, Mrs. Sandhya Rani Devi

Winner: Lalit and Team (III- CSE, CSD)

Technical Event

Social Media Event (Scroll Stoppers) by SOCIAL SQUAD

In this competition, 32 students were challenged to create and upload a short reel on social media. The theme focused on highlighting Malla Reddy College of Engineering (MRCE), allowing participants to express their creativity while promoting the college's vibrant culture.

Student Coordinator: Maneeshwar (7730014228)

Faculty Coordinators: Mr.P. Balasuresh Reddy, Mr.I. Obulesu

Winner: Mohammad Imran (II-CSE)

Outcome of the Event

The inauguration of the **PRISM Club** proved to be a great success, fostering enthusiasm and unity among the students of the ECE Department. The event provided a dynamic platform for students to explore their talents in recreation, innovation, sports, and music. It encouraged active student participation, leadership, and collaboration, aligning with the club's vision of holistic development.

MALLA REDDY COLLEGE ENGINEERING

Outcomes of Events under PRISM Club

1. Tech Astra (Technical Event)

The event successfully ignited technical curiosity among students, providing them with a platform to showcase their innovative ideas and problem-solving skills. It enhanced their practical knowledge, teamwork, and confidence in applying classroom learning to real-world challenges.

2. Fabric Fusion (Crafts & Arts)

Fabric Fusion encouraged students to express their creativity through art and craft. The event promoted aesthetic thinking, design skills, and sustainable artistic practices, inspiring participants to turn ordinary materials into extraordinary creations.

3. Kala Sparsh (Cultural Event)

Kala Sparsh celebrated the rich cultural diversity of the campus by offering students a stage to exhibit their talent in music, dance, and drama. It fostered a spirit of unity, cultural appreciation, and artistic excellence among participants.

4. Lens Legacy (Clickaholics)

Lens Legacy allowed photography enthusiasts to capture creativity through their lenses. The event enhanced visual storytelling skills, encouraged attention to detail, and promoted the art of perceiving beauty in everyday moments.

5. Scroll Stoppers (Social Squad)

Scroll Stoppers successfully engaged students in digital creativity and social media awareness. Participants learned the importance of responsible online communication, content creation, and teamwork in promoting social causes and campus activities.

Conclusion

The two-day PRISM Club Inauguration event was a remarkable success, showcasing the enthusiasm, creativity, and teamwork of both students and faculty members. The event not only marked the beginning of an exciting journey for the PRISM Club but also provided a vibrant platform for students to express their talents in the areas of recreation, innovation, sports, and music. The collective efforts of the organizing team, faculty coordinators, and participants made the event memorable and inspiring, setting a strong foundation for many more successful initiatives in the future..

Institution

Vision

- To emerge as a Center of Excellence for producing professionals who shall be the leaders in technology innovation, entrepreneurship, management and in turn contribute for advancement of society and human kind.

Mission

- M1 : To provide an environment of learning in emerging technologies.
- M2 : To nurture a state of art teaching learning process and R&D culture.
- M3 : To foster networking with Alumni, Industry, Institutes of repute and other stakeholders for effective interaction.
- M4 : To practice and promote high standards of ethical values through societal commitment.

Department

Vision

- To become a center of excellence by producing high quality, self motivated, creative, ethical engineers and technologists contributing effectively to industrial and societal needs.

Mission

- M1. To impart state of art value based engineering education with relevant practical knowledge.
- M2. To enable students to develop skills by the usage of modern tools through team work which enhances the entrepreneur skills, employability and multidisciplinary activities.
- M3. To provide all possible support to promote research and development and to adept them for higher education.
- M4. To practice high standards of ethical values through societal commitment.
