The Diwali celebrations at Malla Reddy College of Engineering would not have been possible without the efforts of the H&S Department and the unwavering support of our esteemed Principal and faculty members. A heartfelt thanks to all the students, staff, and volunteers who contributed their time and energy to make this event a grand success.

This celebration of the festival of lights not only brightened our campus but also strengthened the bonds within our college community. It reminded us of the values of unity, joy, and hope that Diwali represents.

We look forward to many such celebrations in the future, where we come together to honor our traditions and create cherished memories.
